
Safer Leeds Plan on a Page 2014-2015

This service plan contributes and shares outcomes with the Vision for Leeds 2011-2030; the West Yorkshire Police and Crime Plan 2013-18 and the Safer Leeds Strategy 2014-15. It is informed by a Joint Strategic Assessment undertaken in January 2014 and underpinned by more detailed plans and strategies.

Safer Leeds

tackling drugs and crime

Safer Leeds Plan on a Page 2014-2015

Our Ambition: To be the best city in the UK with the best Community Safety Partnership and services.

Desired Outcome: People in Leeds are safe and feel safe in their homes, streets and places they go.

Mission Statement:

Priorities:

1. Strengthening the partnership approach to support an integrated approach to tackle domestic abuse: (Lead Officer Munaf Patel)

Review the MARAC process to ensure it maximises opportunities to deliver against the Partners new operating models

Review the Domestic Homicide Review process and ensure its structures and processes are fit for purpose for Leeds District

Develop a step change programme which drives the District Domestic Violence Strategy

Develop the work with perpetrators to support them in tackling violent behaviour

Review and implement a re-structure with the Domestic Violence Team

Shared Outcomes

A MARAC process is embedded which provides the greatest amount of appropriate support to victims of domestic violence at all levels and maximises best use of skill set within partner resources

Create a DHR process which achieves relevant status at the outcome of all reviews

Increased reporting and a reduction in repeat domestic violence victims

Reduction in the number of repeat incidents amongst men who have completed a perpetrator programme

2. Continued focus on reducing domestic burglary across Leeds (Lead Officer Phil Wiggins)

Continue to meet targets set to reduce domestic burglary through an intelligence led partnership

Develop the Partnership Analytical Team to enable delivery of a fit for purpose intelligence products to support the new operating model for WYP

Support the delivery of the Leeds Domestic Burglary Delivery Plan

Shared Outcomes

Target for burglary is achieved. Target for 2014/15 is under 3,950 for Leeds District

Intelligence products are delivered which meet the needs of the tasking process for partners at all levels

The products and support are delivered to the LBDP by the Partnership Analytical Team

3. Effectively tackle and reduce anti-social behaviour in our Communities (Lead Officer Harvinder Saimbhi)

Develop the new structures required within LASAT reflecting the needs of the new operating model in Leeds

Incorporate changes required with the Anti -Social Behaviour, Crime and Policing Bill 2014

Deliver a single Noise Nuisance Service for the Leeds District

Develop with partners an integrated role for PCSOs across the District to deliver against environmental issues

Deliver the revised Hate Crime Strategy for Leeds District

Incorporate an enhanced use of volunteers across LASBAT to make best use of this resource

Shared Outcomes

New structure for LASBAT is embedded

Introduction of Community Trigger process

Reduction in amount of Noise Nuisance calls received in Leeds

Reduction in complaints received relating to Noise Nuisance Service delivery

Number of volunteers utilised is increased across LASBAT

4. Improve our understanding and approach to deal with child sexual exploitation and human trafficking (Leads: Munaf Patel and Phil Wiggins)

Develop the intelligence support linked to CSE and ensure it is fit for purpose within safeguarding

Develop the role of support officer for children's care homes across Leeds District

Support the delivery of Cohort 2 of the Families First Programme

Shared Outcomes

Introduction of new role supporting Children's Care Homes across the District

Cohort 2 introduced to NICHE

5. Reduce re-offending across Leeds (Lead Officer Liz Jarmin)

Restructure Leeds watch and ensure it is effective in the new operating model

Develop the CCTV development in the Identified tower blocks in the District

Develop with partners the newly created Partnership Working Areas across the District to support delivery of the NOM

Develop a City Centre Strategy with partners with a focus on begging, policing the night-time economy and taxi licensing

Develop the funding streams available by the PCC supporting restorative justice approach for adult offending across the District

Create and embed a Programme of Change Team within Safer Leeds to deliver key priority projects within the new operating model

Support a joint approach and plan for the District to tackle illegal encampments on primary land

Shared Outcomes

6. Deal with the increased use of legal highs and cannabis in the city

Implement a structured response to the increasing demands associated with the use of psychoactive substances (Legal Highs)

Shared Outcomes

Retail outlets are managed effectively and demand for legal highs is understood
