**Summary of main issues**

1. The requirements for local NHS commissioning organisations to develop and submit place-based local Sustainability and Transformation Plans, alongside the engagement with key stakeholders and the public, have been the subject of ongoing discussions and consideration.
2. The Draft West Yorkshire and Harrogate Sustainability and Transformation Plan (STP) was submitted to NHS England on 21 October 2016. The draft plan, alongside a public summary for consultation, was subsequently published on 10 November 2016.
3. The purpose of this report therefore is to introduce and present the Draft West Yorkshire and Harrogate Sustainability and Transformation Plan, for consideration.
4. A review of recent engagement activity across West Yorkshire and Harrogate has also been undertaken, which has informed the development of the draft plan and will help identify where further engagement on the proposals is needed.
5. The draft SPT, the public summary and the summary of recent engagement activity are appended to this report.
6. Appropriate NHS representatives have been invited to the meeting to discuss the details of the draft STP in more detail and address questions from members of the Joint Committee.

## **Recommendations**

7. That the Joint Committee considers the details presented and agrees any specific scrutiny actions or activity that may be appropriate.

## **Background documents<sup>1</sup>**
