Summary of main issues

- 1. Section 30 of the Local Government Act 1992 imposes on the City Council a duty to set council taxes within its area. This report sets out the background to the calculations, the various steps in the process and the proposed council taxes for 2019/20 including the precepts issued by the Police and Crime Commissioner for West Yorkshire, the West Yorkshire Fire & Rescue Authority and the parish and town councils within the Leeds area.
- 2. It is proposed that Leeds City Council's element of the Band D council tax charge be increased by 3.99% to £1,393.36, an increase of 2.99% to the Leeds element plus a 1% increase for the Adult Social Care precept.

Recommendations

3. Council is requested to adopt the resolutions set out in **Section 6**.

1 <u>Introduction</u>

1.1 This report sets out how the council tax is calculated and makes recommendations regarding Leeds' council tax requirement, the calculation of Leeds' and parish elements of council tax and the setting of the overall level of council tax for Leeds for 2019/20.

2 Context

- 2.1 Section 30 of the Local Government Finance Act 1992 requires the City Council to set the council tax within its area. The amounts paid are based upon the capital values of each dwelling and are calculated by reference to their values at 1st April 1991 prices.
- 2.2 Properties are placed in one of eight valuation bands by the Listing Officer of the Valuation Office Agency as follows:

Table 1: Valuation Bands

	Value at 1st April 1991
Band A	Not exceeding £40,000
Band B	Over £ 40,000 but not exceeding £ 52,000
Band C	Over £ 52,000 but not exceeding £ 68,000
Band D	Over £ 68,000 but not exceeding £ 88,000
Band E	Over £ 88,000 but not exceeding £120,000
Band F	Over £120,000 but not exceeding £160,000
Band G	Over £160,000 but not exceeding £320,000
Band H	Exceeding £320,000

2.3 When the consultation paper relating to council tax was first issued by the Government in April 1991, it was estimated that the average property value in England was about £80,000. Such a property would be in Band D and as a result, many of the calculations are carried out by reference to Band D. For example, when the level of council tax is calculated, a Band D Tax is calculated initially and the taxes for the other bands are then calculated as proportions of that. Amounts of council tax are calculated in the first instance for households with two or more adults; single adult households receive a 25% discount.

3. Main issues

3.1 Council Taxes and the Collection Fund

3.1.1 The City Council's net budget is funded through a combination of business rates income, council tax income and government grant. Council tax income comes via the Leeds Collection Fund, a separate account from the City Council's General Fund, set up in accordance with Section 89 of the Local Government Finance Act 1988. The Collection Fund collects council tax income and pays out the demands

- and precepts made upon it by the City Council, the Police and Crime Commissioner for West Yorkshire and the West Yorkshire Fire & Rescue Authority.
- 3.1.2 Leeds City Council is both a precepting and a billing authority. This means that the Council is responsible for maintaining the Collection Fund, setting the council tax, sending out council tax bills and collecting council tax. Leeds City Council, the Police and Crime Commissioner and the Fire & Rescue Authority each calculate their own element of council tax and Leeds as the billing authority then formally sets the overall tax by adding these elements together.
- 3.1.3 The 2015 Spending Review and Autumn Statement announced the introduction of a new power for local authorities with social care responsibilities to increase council tax by up to and including a further 2% per year until 2019-20, with a requirement that the extra money raised will be spent exclusively on adult social care. In the 2017/18 Provisional Local Government Finance Settlement, the Secretary of State announced additional flexibility, permitting local authorities to increase council tax between 2017/18 and 2019/20 specifically to fund adult social care services, with the maximum total increase in these three years not exceeding 6% but no more than 3% in any one year.
- 3.1.4 For 2019/20 the Secretary of State for Communities and Local Government has again determined "principles" that will require local authorities that wish to increase their council taxes beyond set limits to hold local referendums. The limit this year for Leeds is up to 4%, comprising of up to 3% for the Leeds element of the tax plus the Adult Social Care precept of 1%. The referendum limit for the Police and Crime Commissioner is £24 per Band D property and the limit for the Fire & Rescue Authority is up to 3%.
- 3.1.5 The proposed council taxes (including Police and Fire elements) for a two-adult household in Leeds are shown below. A 2.99% council tax increase is proposed to the Leeds element of the tax plus an additional 1% increase in council tax for the Adult Social Care precept. The Police and Crime Commissioner has approved an increase of £24.00 per Band D property and the Fire & Rescue Authority are expected to approve a precept increase of 2.98% at their meeting on 21st February 2019.

	2018/19 £	2019/20 £	Increase %
Band A	1043.70	1096.60	5.07%
Band B	1,217.66	1,279.37	5.07%

Band G	2,609.26	2,741.50	5.07%
Band H	3,131.11	3,289.80	5.07%

3.1.6 Council will be assured that the council taxes proposed for the Leeds area, as set out in **Table 2**, will not exceed the referendum limits set by the Secretary of State.

3.2 Calculation and Setting of Council Tax

- 3.2.1 The process of calculating and setting council tax is as follows:
 - i) Calculate the "council tax requirement" following the steps set out in Section 31A of the Local Government Finance Act 1992. This takes the Council's gross budget and gross income as a starting point and is shown in abbreviated form in **Table 3**.
 - ii) Divide the council tax requirement by the tax base (as agreed by Council on 16th January 2019) to give a Band D Tax that includes amounts for parishes.
 - iii) Calculate separately the Band D Taxes for non-parished areas (by removing parish precepts) and for each parish.
 - iv) Calculate the taxes for each property band for non-parished areas and for parishes.
- 3.2.2 **Table 3** includes the precepts and Band D amounts for the Police and Crime Commissioner and for the Fire & Rescue Authority.
- 3.2.3 Table 3 includes the total of parish precepts, which is not yet finalised. Following the approval of the Council Tax base on 16th January, the Parish tax base for Horsforth has required further review. Whilst we await final confirmation from the Parish, we propose to anticipate the precept for Horsforth. We have been provided with an indicative precept value for Kippax Parish Council and are awaiting formal notification. No precept request has yet been received from Ledston Parish Council. As such we have anticipated a precept for this parish.

- d) The Fire precept is subject to final approval by the Fire and Rescue Authority at their meeting on 21st February 2019.

3.3 Local Council Tax Support Scheme

- 3.3.1 The Council Tax Support Scheme operates as a discount on the same basis as other discounts currently in place, with protected groups currently receiving a 100% discount. At its December 2016 meeting, Executive Board agreed to recommend to Full Council the replacement of the previous Council Tax Support scheme with a scheme aligned with Universal Credit. Full Council supported the adoption of the proposed scheme at its January 2017 meeting, with it taking effect from 1 April 2017. Customers now move on to this new scheme when they transfer to Universal Credit, at which time eligible customers will move off the scheme of automatic protections. Non-protected recipients of council tax benefit continue to be required to pay 25% of their council tax bills.
- 3.3.2 No changes are proposed to the current scheme, detailed in 3.3.1 above, in 2019/20.

4. Corporate Considerations

4.1 Consultation and Engagement

4.1.1 The setting of council taxes is the final step in a budget setting process which has been underway for a number of months. Leeds City Council's initial budget proposals have been the subject of consultation with key stakeholders as set out in **section 14** of the 2019/20 Revenue Budget and Council Tax report.

4.2 Equality and Diversity/Cohesion and Integration

- 4.2.1 The Council is fully committed to assessing and understanding the impact of its decisions on equality and diversity issues. In order to achieve this, the Council has an agreed process in place and has particularly promoted the importance of the process when taking forward key policy or budgetary changes.
- 4.2.2 A specific Equality Impact Assessment of the budget at a strategic level has been carried out and this is attached to the 2019/20 Revenue Budget and Council Tax report included in the pack of papers available at this meeting. Separate equality impact assessments will be undertaken in respect to specific actions included in the budget where appropriate.

4.3 Council policies and Best Council Plan

4.3.1 The council tax recommendations detailed in this report have been developed to ensure that appropriate financial resources are provided to support Council policies and the Best Council Plan, as set out in the 2019/20 Revenue Budget and Council Tax report referred to earlier.

4.4 Resources and value for money

4.4.1 This is a financial report and the financial implications are outlined in the main body of the report and set out in detail in the 2019/20 Revenue Budget and Council Tax report.

4.5 Legal Implications, Access to Information and Call In

4.5.1 In accordance with the Council's Budget and Policy Framework decisions as to the Council's budget and council tax are reserved to Council. Agreement of the recommendations contained in this report implies the Council's agreement to the actions necessary to deliver the budget described in the 2019/20 Revenue Budget and Council Tax report.

4.6 Risk Management

4.6.1 A full assessment of budget risks both at directorate level and corporately has been made and is explained in **paragraph 11** of the 2019/20 Revenue Budget and Council Tax report.

5. <u>Conclusions</u>

5.1 This report explains how the council tax is calculated and makes recommendations regarding Leeds' council tax requirement, the calculation of Leeds' and parish elements of council tax and the setting of the overall level of council tax for Leeds for 2019/20.
