## 1. Purpose of this report

- 1.1 The purpose of this report is to present further information on the West Yorkshire and Harrogate Health and Care Partnership (the Partnership) draft five year strategy.

## 2. Background information

- 2.1 NHS England and NHS Improvement published the NHS Long Term Plan (LTP) in January 2019; which was then supplemented by the NHS LTP Implementation Framework at the end of June 2019.
- 2.2 The NHS LTP Implementation Framework provided further detail and specific requirements for local health and care partnerships (i.e. Sustainability and Transformation Partnerships (STP) / Integrated Care Systems (ICS)) – i.e. to agree a plan for delivery through to 2023/24 that will include:
- **A System Narrative:** to describe how we will deliver the required transformation activities to enable the necessary improvements for patients and communities as set out in the NHS LTP.
  - **A System Delivery Plan:** to set the aggregate plan for delivery of finance, workforce and activity, and setting the basis for the 2020/21 operational plans for providers and clinical commissioning groups (CCGs). The system

delivery plan will also cover the NHS LTP 'Foundational Commitments'. This relates to the NHS components of the strategy.

- 2.3 A report presenting the Partnership draft system narrative was considered by the Partnership Board at its meeting on 3 September 2019. These details were subsequently considered by the West Yorkshire Joint Health Overview and Scrutiny Committee (the Joint Committee) at its meeting on 10 September 2019.
- 2.4 As reported at the time, work to produce the accompanying System Delivery Plan was underway, being coordinated by NHS England / NHS Improvement.
- 2.5 The Planning Timetable for producing the 5-Year Strategy that was set out in the Partnership Board report and presented to the Joint Committee is set out below:
