## City and Local Centre Conversation

### Introduction

We want to understand more about the changes and challenges that are now in motion across Leeds which have resulted from a period of unprecedented change since the Covid-19 pandemic began. To help us to do this, we would like to hear your views and thoughts on the changes that are taking place in our city and local centres. We would also like to hear about the changes you have made to how and where you work, how and where you choose to spend your money and how you travel, as well as how you see yourself working, living and travelling in Leeds in the future.

### Instructions

It should take you about 10 minutes to answer all the questions. The last day that you can respond is 26 March 2021.

If you need to speak to someone about this survey then please email [inclusive.growth.strategy@leeds.gov.uk](mailto:inclusive.growth.strategy@leeds.gov.uk).
