Inner North West Community Committee – Finance Report

Purpose of report

1. This report provides the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget, as well as the Community Infrastructure Levy Budget for 2022/23 .

Main issues

2. Each Community Committee has been allocated a wellbeing budget (revenue and capital) and Youth Activities Fund which it is responsible for administering. The aim of these budgets is to support the social, economic and environmental wellbeing of the area and provide a range of activities for children and young people, by using the funding to support projects that contribute towards the delivery of local priorities.
3. A group applying to the Wellbeing Fund must fulfil various eligibility criteria, including evidencing appropriate management arrangements and financial controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equal opportunities and be unable to cover the costs of the project from other funds.
4. Wellbeing funding cannot be paid retrospectively. An application form must be submitted and approved by the Community Committee before activities or items being purchased through wellbeing funding are completed or purchased.

5. The amount of wellbeing funding provided to each committee is calculated using a formula agreed by Council, taking into consideration both population and deprivation of an area.
6. Capital (CRIS) injections are provided as a result of council assets being sold. 5% of the sale price (up to a maximum of £100k) of a council asset is pooled city-wide and redistributed to the Community Committee areas on the basis of deprivation. The Community Committee will receive a new capital injection every 6 months.
7. Each Community Committee has also been allocated a Community Infrastructure Levy budget. For each CIL contribution, Leeds City Council retains up to 70-80% centrally, 5% is needed for administration and 15-25% goes to be spent locally. The money will be vested with the local Town or Parish Council if applicable, or with the local Community Committee and spend decided upon by that body. This local money is known as the 'Neighbourhood Fund' and should be spent on similar projects to the Wellbeing Fund (capital).
8. All Inner North West Members were invited to a workshop on 7 November 2017 to consider how they would like to allocate the CIL Neighbourhood Fund in the INW area. As a result of these discussions, it is recommended that any funds raised through CIL are allocated in line with the current Wellbeing process; with the money to be pooled to be allocated across all three wards. Members agreed this recommendation.
9. Projects eligible for funding by the Community Committee could be community events; environmental improvements; crime prevention initiatives, or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010, projects funded at public expense should provide services to citizens irrespective of their religion, gender reassignment, marital status, race, ethnic origin, age, sexual orientation or disability; the fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
10. Any request for funding would involve discussions with appropriate ward members. Where projects do not have support from the Community Committee and are not approved, applicants are offered further discussions and feedback if this is requested.

11. In order to provide further assurance and transparency of all decisions made by the Community Committee, any projects that are not approved will be reported to a subsequent Community Committee meeting.
12. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of Wellbeing and Youth Activity budgets, and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Committee. Concurrently with the Committee, designated officers have delegated authority from the Director of Communities, Housing and Environment to take such decisions.

For those 8 CCs, which approved the ‘minimum conditions’ without any subsequent alteration:

13. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of Wellbeing and Youth Activity budgets, and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Committee. Concurrently with the Committee, designated officers have delegated authority from the Director of Communities, Housing and Environment to take such decisions.

The Community Committee has previously approved the following ‘minimum conditions’ in order to reassure Members that all delegated decisions would be taken within an appropriate governance framework, with appropriate Member consultation and only when such conditions have been satisfied: consultation must be undertaken with all committee/relevant ward members prior to a delegated decision being taken; a delegated decision must have support from a majority of the community committee elected members represented on the committee (or in the case of funds delegated by a community committee to individual wards, a majority of the ward councillors); and details of any decisions taken under such delegated authority will be reported to the next available community committee meeting for members’ information.

As has been the case at the beginning of previous municipal years, the Committee is invited to review the conditions previously agreed and consider whether any amendments are required, prior to agreeing such conditions for operation in the forthcoming municipal year.

14. **Associated Recommendation:** Members are asked to review the minimum conditions as set out in paragraph 13 of this report, consider whether any amendments are required and approve such conditions for operation in 2022/2023. These conditions would need to be satisfied prior to an urgent delegated decision being taken in between formal Community Committee meetings in respect of the administration of Wellbeing and Youth Activity

budgets and also the use of the CIL Neighbourhood Fund which has been allocated to the Committee.

15. Members are reminded that the necessary scrutiny of applications to satisfy our own processes, financial regulations and audit requires the deadline for receipt of completed applications to be at least five weeks prior to any Community Committee. Some applications will be approved via Delegated Decision Notice (DDN) following consultation with Members outside of the Community Committee meeting cycle.

Wellbeing Budget Position 2022/23

The total revenue budget approved by Executive Board for 2022/23 was **£94,030** for the Inner North West Community Committee. **Table 1** shows a carry forward figure of

£43,040.45 which includes underspends from projects completed in 2021/22. The total revenue funding available to the Community Committee for 2022/23 is therefore **£102,087.42**

16. It is possible that some of the projects may not use their allocated spend. This could be for several reasons, including the project no longer going ahead, the project not taking place within the dates specified in the funding agreement, or failure to submit monitoring reports. Due to this the final revenue balance may be greater than the amount specified in Table 1.
17. The Community Committee is asked to note that there is currently a remaining balance of **£13,525.17**. A full breakdown of the projects is listed in Table 1.
