1. **Project Title:** Garforth Kicks

Organisation: Leeds Youth Service, Leeds City Council & The Leeds United Foundation

Total Project Cost: £12,937.00

Amount Proposed: £11,715.00

Wards covered: Garforth & Swillington

Project Summary: The funding will be used to pay for the hire charges of the sports hall at Garforth Academy, outdoor flood lights for use in the winter months, resources such as footballs and for Leeds Utd Foundation coaching staff. The session will be split into two ages groups: age 10-12 / 13-18yrs. Every Friday 4.45-6.45pm (excluding bank holidays, May half term and Christmas school holidays). The aim of the project is to offer young people from across the Garforth & Swillington ward the opportunity to be coached by a Leeds Utd Foundation qualified coach, to improve fitness & general well-being through exercise and to provide a safe environment for young people to do something fun and positive. Through the Leeds United Foundation and Premier League KICKS brand, we aim to target individuals within Garforth Ward who may experience inequality in their education, employment, social housing, health, and wellbeing. Barriers including poverty, having a troubled home life, mental health issues, being involved in anti-social behaviour and possible drug and alcohol misuse, are all areas that the Leeds United Foundation wishes to breakdown.

Community Committee Plan Priorities/Objectives:

- Best City for Children & Young People.
- Provide a range of activities for young people across the Outer East.
