CiL Application: Leeds African Community Charity Trust – Little London Food Pantry Container Procurement , Funding Requested £29,100

LACT is requesting a grant of £29,100 to purchase and convert a shipping container for use as a community food pantry. The total cost of the project is estimated at £35,000 , and Leeds African Community Charity Trust will contribute £5,900 towards the cost.

The aim of the Little London Community Food Pantry is to provide groceries and other essentials to residents of Little London , Woodhouse and neighbouring communities that are experiencing hardship as a result of the cost of living crisis

The project is currently housed on a temporary basis in the old Housing reception area of Little London Community Centre. This space is very small , in addition Housing Leeds require the space for additional office space which requires the pantry to re-locate. There are no other suitable premises in this location.
