**Project Title:** Lodge Terrace Bin Yard

**Name of Group or Organisation:** Friends of Trentham Park

**Total Project Cost:** £3,989

**Amount proposed from Wellbeing Budget 2022/23:** £3,609

**Wards Covered:** Hunslet & Riverside

**Project Summary:** This bin yard was recently cleared by LCC after it had been a dumping ground for fly tipping over the last few years. It was attracting rats and also anti-social behaviour in its previous state. In order for the space not simply to be re-fly tipped we feel it is vital that action is taken to make the space look and feel used and loved.

We are hoping to get the floor of the yard levelled out as it is currently uneven and patchy. We would be looking, after that, to work with residents and members of FOTP to make it used. Once the floor of the bin yard is levelled, we also thought of it being made a more attractive space through spray painting the walls and completing a participatory (yet tasteful) graffiti display.
