Community Committee Youth Summit/Youth Activity Fund Consultation Report

Purpose of report

1. The report provides the Outer South Community Committee with an initial update on the Outer South Youth Summit. A full report will be brought to the June 2023 Committee Meeting.
2. The report provides the Outer South Community Committee with an update on the Youth Activity Fund Consultation.
3. The report asks the Outer South Community Committee, that consultation with young people, conducted via the Youth Summit and Youth Activity Fund survey, informs the Youth Activity Fund spend for the 2023/24 financial year.

Main issues

4. Each Community Committee has been allocated a Youth Activity Fund which it is responsible for administering. The Youth Activity Fund has been made available to provide local activities for children and young people aged 8-17 years across the city.
5. The Youth Activity Fund requires the engagement and participation of children and young people in the decision making and evaluation of the fund. Children and young people are involved in the funding process and advise Community Committees on the activities they would like to take part in, in their respective areas.
6. The Youth Activity Fund can provide money for activities that offer opportunities for play, arts, sport and culture, which enable young people to have fun, get creative and have new experiences both after school and during the school holidays.

7. Youth Summits are an opportunity for young people aged 8-17 years living in Leeds to learn about local democracy, as well as influence the decision making of the Youth Activity Fund, by taking part in a consultation exercise that informs the Community Committee's budget spend.
8. Building on a commitment to engage and involve children and young people in decision making in their own communities, young people get involved in choosing which activities should be supported by the committees.
9. In the Outer South Community Committee area the Youth Summit was co-produced with young people that are members of the Outer South Youth Matters Group on Monday 17th October 2022 at the Children and Families Sub Group.

The Future of Youth Summits

10. Amongst other things, the pandemic provided us with an opportunity to reflect upon the Youth Summit model and consider how we adapt responses and approaches to meet the needs of young people in our respective communities, as well as reviewing the aims and objectives for the Community Committee Youth Summits.
11. As the Government removed all remaining domestic restrictions in law from Thursday, 24th February 2022, there was an appetite from schools/youth groups and Elected Members to reflect upon the Youth Summits and develop an approach for this municipal year.
12. Following meetings with various officers from the Communities Team, the Voice & Influence Lead for Children & Families and the Youth Service, a standardised baseline approach was agreed, that set out clear aims and objectives, as well as demonstrating measurable and specific outcomes.
13. These aims and objectives were subsequently agreed with our Executive Board Member, Community Committee Champions and Community Committee Chairs and discussed with Children & Families Sub Groups.

Aims/Objectives from the Youth Summits and Youth Activity Fund Consultation

14. Standardised baseline for all Youth Summits/Youth Activity Fund consultation are the following:
 - Age range of young people 8 – 17 years (links to the Youth Activity Fund Budget delegation to the Community Committees).
 - Opportunity to learn about local democracy & take part in the decision-making process/influence Youth Activity Fund Budget spend for the Community Committees.
 - Promote the Youth Council and the various Youth Matters Groups throughout the city.

- Build relationships with schools/partners and provide an opportunity for networking.
- Consult with as many young people as possible (hybrid approach) by ensuring that alongside the Youth Summits, other YAF consultation is coordinated (i.e., via online consultation/Breeze Summer Events).
- Ensure we are engaging with a diverse range of young people from different backgrounds and not just young people who are academically inclined, or naturally engaged with these types of events.
- Provide feedback on Youth Summits/other consultation methods via a “You Said, We Did” Youth Summit Report, that clearly outlines in each respective committee area, exactly what projects have been funded, or proactively commissioned from the Youth Activity Fund Budget.

How we Measure Success

15. Standardised baseline for all Youth Summits/ Youth Activity Fund consultation are the following:

- How many young people have attended the physical summits.
- How many young people have been involved in other forms of Youth Activity Fund consultation so far.
- How many schools and organisations have been involved in bringing young people along to the Youth Summits and/or involved in any other consultation.
- How many projects have been funded, or proactively commissioned from the Youth Activity Fund Budget as a result of the Youth Summits/and or Youth Activity Fund consultation.
- The “You Said, We Did” Youth Summit Report will be brought to a future Committee meeting .

Reflections from the Youth Summits/Youth Activity Fund Consultation

Youth Summit

16. Localised conversations have been taking place regarding the Outer South Community Committee Youth Summit, in accordance with the Children’s Champion and Children & Families Sub Group.

17. As we appreciate and understand that each community is different, the specific arrangements for the summit have been worked through, using a collaborative approach and progressed by relevant officers in the Communities Team, the Voice & Influence Team and the Children’s Champion, with the Outer South Community Committee Youth Summit taking place on the Monday 27th February 2023.

18. A key objective for the Outer South Community Committee is that we engage with a wide variety of young people and that this engagement reflects the true diversity of the area, not just young people who are academically inclined, or naturally engaged with these types of events.

19. With this in mind the Communities Team attended the SENate event, alongside the Voice & Influence Team, to consult with young people that have special education needs & disabilities. At the SENate which took place in November 2022, the Community Committees engaged with 56 young people that have special educational needs & disabilities.
20. In addition to this the Communities Team have planned a number of roadshow events with the Children's champion to attend 1 Youth Group in each ward of the Outer South area. The results of this will come to the June 2023 meeting.
21. We're aware that at one of the Youth Summit events that took place recently, we had a small number of young people that were home schooled and this is an avenue we would like to explore for future events.
22. Another key objective for the Outer South Community Committee Youth Summit is that we promote the Youth Council and the various Youth Matters Groups throughout the city. This was done at the event on the Monday 27th February 2023. 2 members of the group came and presented to the young people and took questions.
23. Primary schools continue to find it easier to make the commitment to attend the Youth Summits, which is understandable, although at the Outer South Community Committee Youth Summit had representation from 1 Secondary School. All wards have been represented by schools and organisations that make up the committee area.
24. At the Outer South Community Committee Youth Summit, we engaged with 77 young people from 12 Schools across the Outer South.

Testimonials/Feedback from the Youth Summit

25. Below are comments/feedback from the Outer South Community Committee Youth Summit.

Deputy Headteacher, Churwell Primary School, Claire Oakley:

"Thank you for a really informative and enjoyable day at the Town Hall today.

We would like to invite you into school to come and see the assembly that we are going to put together - to feedback what we have done today to the children back in school.

It has been a valuable day and we feel that the whole school would benefit from sharing what we learned today.

Can I thank you all in advance for offering your time and energy to help inspire the children of Churwell Primary School."

Rothwell St Mary's Primary School, Rachel Sheldon-Price:

“Can I just say a huge thank you on behalf of myself and Rothwell St Mary's for our amazing day yesterday.

You totally smashed it; it was just fabulous from start to finish and the children had such a buzz afterwards.”

Youth Activity Fund Consultation

26. Alongside the physical Youth Summit, the Communities Team also created a consultation survey for young people, as another objective is that we, “consult with as many young people as possible (hybrid approach), by ensuring that alongside the summits, other consultation is coordinated; for example, online consultation, Breeze Summer Events and the Youth Services Summer Activity Days”:
<https://surveys.leeds.gov.uk/s/YouthActivities2022/>

27. This online survey has been circulated far and wide throughout the committee area and has been created using some new & innovative ways of engaging with young people,

such as creating a QR code that directs young people straight to the survey, after being scanned with a Smartphone.

28. The Outer South Community Committee received 150 survey responses to the Youth Activity Fund Consultation Survey so far . The vast majority of these were completed in paper format at the Breeze Summer Events and the Youth Services Summer Activity days in 2022, however some of the survey responses were online.
29. An additional online survey was also created to engage with young people that have special educational needs and disabilities. At the SENante Event Wednesday 2nd November 2022 at Civic Hall in Leeds. Number will be reported in June 2022.
30. The consultation survey ran from September 2022 and will stay open until the 31st March 2023, with the feedback from young people is being collated and final numbers will be reported in June 2023. This will, in principle, inform the Youth Activity Fund Budget spend for 2023/24.

Measurement of Success

31. Below are some key facts and figures from the Outer South Community Committee Youth Summit and Youth Activity Fund Consultation. These are provided in response to the standardised baseline measurement of success, agreed with Children’s Champions and Community Committee Chairs.
 - 77 young people have been involved in the physical summit.
 - 12 schools and 3 organisations have been involved in bringing young people along to the Outer South Youth Summit
 - 99 young people have been involved in other forms of Youth Activity Fund consultation a final number will be reported in June 2023.
 - The number of projects funded, or proactively commissioned from the Youth Activity Fund Budget as a result of the Youth Summits/and or Youth Activity Fund consultation will be reported on at the end of the next financial year.
 - “You Said, We Did” Youth Summit Report will be produced for the ahead of next year’s summit.
32. The report, referenced as the Youth Summit/Youth Activity Fund Consultation Report, is the Community Committee “You Said, We Did” Youth Summit Report outlined in the list above. Further conversations will take place with young people at appropriate opportunities over the coming months, regarding the Youth Summits and Youth Activity

Fund Consultation, after the report has been discussed with the Outer South Community Committee.

33. As time progresses, the Communities Team will be able to assess “How many projects have been funded, or proactively commissioned from the Youth Activity Fund Budget as a result of the Youth Summits/and or Youth Activity Fund consultation?” so updates will be provided to Children and Families Sub Groups throughout the course of the financial year.

Lessons Learned

34. All feedback from the Community Committee Youth Summits will be analysed, with a review taking place once all the events have finished, in a Community Committee Youth Summits: Lessons Learned meeting, with the Executive Board Member and Children’s Champions.
35. A report will also be taken to the Community Committee Chairs Forum in April 2023.
36. As we are keen that we continue to work closely with the Children’s Champions to develop the Youth Summits across the Community Committee areas, these conversations and feedback will help inform the Youth Summits in the next municipal year.

Youth Activity Fund Consultation Survey Recommendations

37. The consultation surveys submitted by young people from the Youth Summit and online survey in the Outer South Community Committee area, will be reported on at the June 2023 Community Committee Meeting.
38. It is recommended that any projects funded by the Outer South Community Committee from the Youth Activity Fund, focus on key themes and activities from the June report in 2023/24.
39. To ensure that the Outer South Community Committee can make an informed decision when being asked whether they support funding for projects from its Youth Activity Fund, the Communities Team will advise the committee if the project meets the priorities identified by young people as a result of consultation that has taken place.
