Brief summary

Article 6 of Leeds City Council's Constitution states that the Head of Democratic Services, as designated Scrutiny Officer, will provide an annual report to Council setting out how the authority has carried out its overview and scrutiny functions during the preceding twelve-month period. As such this year's Annual Report will collate highlights of the work of all five Scrutiny Boards over 2022/23.

To complement the Annual Report, each Scrutiny Board also produces an end of year statement. This provides details of the full work programme for each Scrutiny Board for the last municipal year, with links to the associated agenda packs, minutes and webcast recordings. The document also includes a statement from the relevant Scrutiny Chair reflecting on the key priorities for the Scrutiny Board over the last year.

The 2022/23 summary for the Scrutiny Board (Adults, Health and Active Lifestyles) is appended to this report. Once it has been approved by members it will be published on the Council's website.
