Date: 19 June 2023

Report of: Head of Democratic Services

Report to: Scrutiny Board (Strategy & Resources)

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

Brief summary

The report sets out the draft 2023/24 work programme for the Scrutiny Board (Strategy & Resources) and reflects suggestion made by the Board in 2022/23 in terms of possible items to be carried forward by this successor board.

All Scrutiny Boards are required to determine and manage their own work programme for the municipal year. In doing so, the work programme should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year.

The Scrutiny Board Procedure Rules also state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include 'to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.

Members will be invited to review and discuss the work programme at each public Scrutiny Board meeting that takes place during the 2023/24 municipal year.

Recommendations

- a) Members are requested to consider and discuss the Scrutiny Board's work programme for the 2023/24 municipal year.

What is this report about?

- 1 A draft work programme for the Strategy & Resources Scrutiny Board is presented at Appendix 1 for consideration and discussion. Reflected in the programme are known items of scrutiny activity, including performance and budget monitoring and identified Budget and Policy Framework items.
- 2 The latest Executive Board minutes from the meeting held on 19 April 2023 are also provided at Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and consider any matter where specific scrutiny activity may also be warranted.
- 3 The 2022/23 Strategy and Resources Scrutiny Board recommended that the successor board in 2023/24 should consider further work on: Leeds 2023 both in terms of progress but also to focus on evaluation and legacy; Equality Diversity and Inclusion (EDI) to continue to focus on this through staff networks and the corporate approach to EDI and a summary from the Elections Service on the key information that emerges from the 2023 local elections, including details of the impact of the new national voter ID requirements. All of these items are included in the draft Work Programme at Appendix 1.

- 6 To enable Scrutiny to focus on strategic areas of priority, it is recognised that each Scrutiny Board needs to establish and maintain an effective, early dialogue with relevant Directors, senior officers and Executive Board Members.
- 7 The Vision for Scrutiny also states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources prior to agreeing items of work.

What are the resource implications?

- 8 Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time.

9 The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.

10 Consequently, when establishing their work programmes Scrutiny Boards should:

- Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
- Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
- Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.

What are the key risks and how are they being managed?

11 This report has no specific risk management implications.

What are the legal implications?

12 This report has no specific legal implications.
