Certification Controls at Hyde Park Picture House

As per our premises licence when in venue and now while we are arranging cinema screenings off site during our renovations, the Hyde Park Picture House follows BBFC certification guidance, which is listed with each individual film on our [website](#). We have a number of checks in place to manage access to films based on this guidance as follows:

- Our [terms & conditions page](#) includes clear guidance on certification in a way audiences can understand and which includes a link to the BBFC if further information is required.
- Certificates are added to every listing on our box office system in addition to our website and this limits the tickets available to films where appropriate. E.g. An audience member can't buy a child's ticket for a 15 or 18 certificate film.
- Adding the cert to the Box Office system also enables our Front of House staff to identify the age restrictions for films. All staff are fully trained to both understand and then manage certification and age restrictions for films, so we can both advise on entry and appropriateness of a film and refuse sales where required.
- All tickets bought in advance or on the day are checked by a staff member on the door to the cinema auditorium so if an underage person has bought a ticket over the

phone or internet in advance they would have to engage with a staff member at ticket check point and entry would be refused and ticket refunded.
