Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

Prevention of crime and disorder

The club has CCTV both inside and around the building to actively deter disorder, anti-social behaviour, and crime. We have added additional cameras inside the club, as advised by PC Andy Clifford.

In addition, a certified SIA badge holder will also be employed at all events of more than 50 persons to prevent disorder, and any anti-social behaviour.

All private events accepted by the club will be screened for appropriate use, and local knowledge, before approval.

The prevention of public nuisance

A reduce music volume policy in place from 23:59 hours. This will include lower levels of amplification equipment. We have also experimented with the positioning of amplified speakers and are knowledgeable on the parts of the building that are less prone to sound escape.

The extended Club pavilion is now a full wall construction with soundproofing in accordance with approved building regulations.

We have implemented a dispersal policy to include a supervised exiting of the building and car park area and drinking up period.

Noise from a licensable activity at the premises will be inaudible at the nearest noise sensitive premises.

Public safety

We use a bottle bank to dispose of empty bottles that's situated on site and all litter including bottles are safely disposed of after an event.

We have portable firefighting equipment, defibrillator and fire blankets and regularly test safety equipment, and alarms pertinent to safety.

The premises licence holder will ensure that an incident report registered is maintained on the premises to record incidents such as antisocial behaviour, admissions refusals, and ejections from the premises.

We will employ a certified SIA badged holder, to secure the premises and to act as a deterrent to antisocial behaviour and crime.

Challenge 25 in operation – with signage prominently positioned in the bar area. All bar staff are trained, and training records held.

Notices are also clearly signposted to communicate the policy to customers.

The protection of children from harm

Challenge 25 in operation – with signage prominently positioned in the bar area. All bar staff are trained, and training records held.

Officers of the club have been trained on the latest Safe Hands Course – 14178. The club's constitution has been refreshed to adopt updated safeguarding policies, as well as those that relate to cricket development activity at the ground, as agreed with the SLA with Yorkshire Cricket Board.

b) The prevention of crime and disorder

The club has CCTV both inside and around the building to actively deter disorder, anti-social behaviour, and crime. We have added additional cameras inside, as advised by PC Andy Clifford.

All activities of persons using the external areas will be monitored by an SIA badged officer after 10pm.

We will ensure that a sufficient number of stewards are engaged to secure the safety of persons attending events for audiences above 150.

We have an active incident register in place that is maintained and accessible to officers.

c) Public safety

We use a bottle bank to dispose of empty bottles that's situated on site and all litter including bottles are safely disposed of after an event.

We have portable firefighting equipment, defibrillator and fire blankets and regularly test safety equipment, and alarms pertinent to safety.

The premises licence holder will ensure that an incident report registered is maintained on the

premises to record incidents such as antisocial behaviour, admissions refusals, and ejections from the premises.

Challenge 25 in operation – with signage prominently positioned in the bar area. All bar staff are trained, and training records held.

Notices are also clearly signposted to communicate the policy to customers.

d) The prevention of public nuisance

We refrain from irresponsible drink promotions and or discounting that leads to drunkenness and disorder, which in turn can lead to crime and disorder and noisy episodes.

We have implemented a dispersal policy to include a supervised exiting of the building and car park area, to reduce noise disturbances from the nearest noise sensitive premises.

Reduce music volume policy in place from 23:59hours. This will include lowering the levels of amplification equipment.

The extension club pavilion is now a full wall construction with soundproofing as supported by building regulations. Noise from a licensable activity at the premises will be inaudible at the nearest noise sensitive premises.

e) The protection of children from harm

Challenge 25 in operation – with signage prominently positioned in the bar area. All bar staff are trained, and training records held.

Officers of the club have been trained on the latest Safe Hands Course – 14178.

The club's constitution has been refreshed to adopt updated safeguarding policies, as well as those that relate to cricket development activity at the ground, as agreed with the SLA with Yorkshire Cricket Board.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
