Community Committee Youth Summit & Youth Activity Fund Consultation Report

Purpose of report

1. The report provides the Outer East Community Committee with an update on the Community Committee Youth Summit.
2. The report provides the Outer East Community Committee with an update on the Youth Activity Fund Consultation.
3. The report asks the Outer East Community Committee, that consultation with young people, conducted via the Youth Summit and Youth Activity Fund survey, informs the Youth Activity Fund spend for the 2023/24 financial year.

Main issues

4. Each Community Committee has been allocated a Youth Activity Fund which it is responsible for administering. The Youth Activity Fund has been made available to provide local activities for children and young people aged 8-17 years across the city.
5. The Youth Activity Fund requires the engagement and participation of children and young people in the decision making and evaluation of the fund. Children and young people participate in the funding process and advise Community Committees on the activities they would like to take part in, in their respective areas.
6. The Youth Activity Fund can provide money for activities that offer opportunities for play, arts, sport, and culture, which enable young people to have fun, get creative and have new experiences both after school and during the school holidays.

7. Youth Summits are an opportunity for young people aged 8-17 years living in Leeds to learn about local democracy, as well as influence the decision making of the Youth Activity Fund, by taking part in a consultation exercise that informs the Community Committee's budget spend.
8. Building on a commitment to engage and involve children and young people in decision making in their own communities, young people get involved in choosing which activities should be supported by the committees.

The Future of Youth Summits

9. Amongst other things, the pandemic provided us with an opportunity to reflect upon the Youth Summit model and consider how we adapt responses and approaches to meet the needs of young people in our respective communities, as well as reviewing the aims and objectives for the Community Committee Youth Summits.
10. As the Government removed all remaining domestic restrictions in law from Thursday, 24th February 2022, there was an appetite from schools/youth groups and Elected Members to reflect upon the Youth Summits and develop an approach for this municipal year.
11. Following meetings with various officers from the Communities Team, the Voice & Influence Lead for Children & Families and the Youth Service, a standardised baseline approach was agreed, that set out clear aims and objectives, as well as demonstrating measurable and specific outcomes.
12. These aims and objectives were subsequently agreed with our Executive Board Member, Community Committee Champions and Community Committee Chairs and discussed with Children & Families Sub Groups.

Aims & Objectives from the Youth Summits and Youth Activity Fund Consultation

13. Standardised baseline for all Youth Summits/Youth Activity Fund consultation are the following:
 - Age range of young people 8 – 17 years (links to the Youth Activity Fund Budget delegation to the Community Committees).
 - Opportunity to learn about local democracy & take part in the decision-making process/influence Youth Activity Fund Budget spend for the Community Committees.
 - Promote the Youth Council and the various Youth Matters Groups throughout the city.
 - Build relationships with schools/partners and provide an opportunity for networking.
 - Consult with as many young people as possible (hybrid approach) by ensuring that alongside the Youth Summits, other YAF consultation is coordinated (i.e., via online consultation/Breeze Summer Events).
 - Ensure we are engaging with a diverse range of young people from divergent backgrounds and not just young people who are academically inclined, or naturally engaged with these types of events.
 - Provide feedback on Youth Summits/other consultation methods via a "You Said, We Did" Youth Summit Report, that clearly outlines in each respective committee area, exactly what projects have been funded, or proactively commissioned from the Youth Activity Fund Budget.

How we Measure Success

14. Standardised baseline for all Youth Summits/ Youth Activity Fund consultation are the following:
 - How many young people have been involved in the physical summits?
 - How many young people have been involved in other forms of Youth Activity Fund consultation?
 - How many schools/organisations have been involved in bringing young people along to the Youth Summits and/or involved in any other consultation?
 - How many projects have been funded, or proactively commissioned from the Youth Activity Fund Budget as a result of the Youth Summits/and or Youth Activity Fund consultation?
 - Has the “You Said, We Did” Youth Summit Report been prepared and delivered?

Reflections from the Youth Summits/Youth Activity Fund Consultation

Youth Summit

15. Localised conversations have been taking place regarding the Outer East Community Committee Youth Summit, in accordance with the Children’s Champion and Children & Families Sub Group.
16. As we appreciate and understand that each community is different, the specific arrangements for the summit have been worked through, using a collaborative approach, and progressed by relevant officers in the Communities Team, the Voice & Influence Team and the Children’s Champion, with the Outer East Community Committee Youth Summit taking place on the Tuesday 25 October 2022.
17. A key objective for the Outer East Community Committee is that we engage with a wide variety of young people and that this engagement reflects the true diversity of the area, not just young people who are academically inclined, or naturally engaged with these types of events.
18. With this in mind the Communities Team attended the SEND Youth Summit, alongside the Voice & Influence Team, to consult with young people that have special education needs & disabilities. At the SEND Youth Summit which took place in November 2022, the Community Committees engaged with **56** young people that have special educational needs & disabilities.
19. We are aware that at one of the Youth Summit events that took place recently, we had a small number of young people that were home schooled, and this is an avenue we would like to explore for future events.
20. Another key objective for the Outer East Community Committee Youth Summit is that we promote the Youth Council and the various Youth Matters Groups throughout the city. This was done at the event on the 25 October 2022 with some positive results, as there have been **25** Leeds Youth Council sign ups.
21. Primary schools continue to find it easier to make the commitment to attend the Youth Summits, which is understandable, although at the Outer East Community Committee Youth

Summit we had good representation from Secondary Schools. All wards have been represented by schools and organisations that make up the committee area.

22. At the Outer East Community Committee Youth Summit, we engaged with **51** young people.

Testimonials/ Feedback from the Youth Summit

23. Below are comments/ feedback from the Outer East Community Committee Youth Summit.

Outer East Children & Families Champion, Councillor Nicole Sharpe:

“What a super Summit had, which was much needed after years of not being able to host a Youth Summit in the Outer East due to COVID. The kids were really engaging in the consultation, workshops, at the stalls and with the activities and we have had some great feedback. Thank you to everyone that was involved, it was a real coming together of services and partners that made for a fantastic day!”

Outer East Community Committee Chair, Councillor Pauleen Grahame:

“It was inspiring to see young people from the Outer East actively involved and positively engaged in decision-making for their local communities and informing Councillors on the types of activities to fund in their areas. Their input is vital to the Outer East Community Committee and guarantees the most desirable and popular activities are supported so essential opportunities are provided for our young people to easily participate in new experiences and have fun locally”

Young Person (Age 9):

"I enjoyed the activities most, my favourite part of the day was the free chocolate and the firemen with the fire truck. Less talking and more activities would make the event better"

Young Person (Age 13):

"The sports activities were fun and winning a free ticket to see a Leeds United match was amazing and the best part of the day. I liked the consultation and talking at the beginning least, the activities and raffle with the Lord Mayor was the part I enjoyed most"

Temple Newsam Community Partnership, Rachel Roper & Gemma Sargeant:

“The event was well attended with a great range of activities on offer for the young people. It was good to be part of the event to work with young people and connect with other partners.”

Leeds Youth Services, Deeta Tren-Humphries:

“The Youth Summit was a fantastic day which brought young people together to have their say on the Youth Activity Fund. It was very well organised, and the Youth Service Teams really enjoyed being part of a very successful event”

Young Person (Age 8):
 “The best part of the day was the activities we were able to take part in after the talking, the Zorb balls were the most enjoyable. You could make the summit better by having more activities and less talking/ sitting down”

Young Person (Age 11):
 “The photobooth and arts and crafts activities were great, I really enjoyed the biscuit making. The stalls were good too as we got lots of free things”

Youth Activity Fund Consultation

24. Alongside the physical Youth Summit, the Communities Team also created a consultation survey for young people, as another objective is that we, “consult with as many young people as possible (hybrid approach), by ensuring that alongside the summits, other consultation is coordinated; for example, online consultation, Breeze Summer Events”: <https://surveys.leeds.gov.uk/s/YouthActivities2022/>
25. This online survey has been circulated far and wide throughout the committee area and has been created using some new & innovative ways of engaging with young people, such as creating a QR code that directs young people straight to the survey, after being scanned with a Smartphone.

26. The Outer East Community Committee received **541** survey responses to the Youth Activity Fund Consultation Survey. The vast majority of these were completed online, however some of the survey responses were completed in paper format at the Breeze Summer Events in 2022 and Youth Clubs delivered by Leeds Youth Service Team.
27. An additional online survey was also created to engage with young people that have special educational needs and disabilities. In relation to this survey, we had **34** responses.
28. The consultation survey ran from September 2022 and stayed open until the 31 March 2023, with the feedback from young people collated. This will, in principle, inform the Youth Activity Fund Budget spend for 2023/24.

29. Below are some key facts and figures from the Outer East Community Committee Youth Summit and Youth Activity Fund Consultation. These are provided in response to the standardised baseline measurement of success, agreed with Children’s Champions and Community Committee Chairs.

 - Has the “You Said, We Did” Youth Summit Report been prepared and delivered? **2022/23 delivered, 2023/24 report and delivery in progress.**

30. The report, referenced as the Youth Summit/ Youth Activity Fund Consultation Report, is the Community Committee “You Said, We Did” Youth Summit Report outlined in the list above. Further conversations will take place with young people at appropriate opportunities over the coming months, regarding the Youth Summits and Youth Activity Fund Consultation, after the report has been discussed with the Outer East Community Committee.
31. As time progresses, the Communities Team will be able to assess “How many projects have been funded, or proactively commissioned from the Youth Activity Fund Budget as a result of the Youth Summits/ and or Youth Activity Fund consultation?” so updates will be provided to Children and Families Sub Groups throughout the course of the financial year.

Lessons Learned

32. All feedback from the Community Committee Youth Summits will be analysed, with a review taking place once all the events have finished, in a Community Committee Youth Summits: Lessons Learned meeting, with the Executive Board Member and Children’s Champions.
33. A report will also be taken to the Community Committee Chairs Forum in April 2023.
34. As we are keen that we continue to work closely with the Children’s Champions to develop the Youth Summits across the Community Committee areas, these conversations and feedback will help inform the Youth Summits in the next municipal year.
