Throughout the discussion Board Members and partners extended their thanks to Jasvinder Sanghera, given that she was coming to the end of her term of office as LSCP Independent Chair. Members highlighted the dedication that she has shown throughout her time in the role and welcomed the challenge that she brought as Independent Chair.

In conclusion, Members welcomed the detailed discussion which had taken place and thanked all of the partner organisations for the ongoing role that they played in relation to the provision of safeguarding of children and young people across the city.

Further to Minute No. 68, 19 October 2022, the Director of Children and Families submitted a report presenting a further update on '*Thriving*' – the Child Poverty Strategy for Leeds and the ongoing activity that sat beneath the strategy. The report presented an update on each workstream, including outcomes to date and next steps, and considered the impact that the national cost of living crisis continued to have upon local levels of poverty, including the effect upon children and families.

In introducing the report, the Executive Member highlighted the key themes within the update and provided clarification on the statistics for the number of people living in 'relative poverty' from the Department for Work and Pensions (DWP), underlining that the DWP had advised that such figures should not be used in comparison with previous years.

In considering the report, Members discussed the respective roles that both the Council and Government had in mitigating the levels and impact of child poverty in Leeds. In addition to the work already being undertaken by the Council in this area, it was highlighted that any suggestions of ways in which the Council could further mitigate the impact of child poverty would be welcomed.

- The level of notifications regarding serious safeguarding incidents in Leeds, when compared to other Authorities, and how such matters were being monitored;

- In discussing the Local Authority's legal responsibility regarding the reporting of serious incidents and responding to a Member's question and comments about the relevant processes established in Leeds, the Board discussed the current position in Leeds and the partnership approach being taken. Also, given the complex nature of this area, strong partnership working alongside the embedding of learning were highlighted as key factors in ensuring that such processes remained effective. This letter will also highlight the multiple use of different assessment risk tools, across agencies, and request a review into these, and whether a more standard approach could be adopted.

LEADER'S PORTFOLIO

11 Being Our Best - Our Organisational Plan for 2023 Onwards

The Director of Strategy and Resources submitted a report presenting a revised organisational plan for the Council from 2023 onwards. Responding to a specific enquiry regarding the proportion of Council employees working from home and how this affected productivity levels, it was undertaken that information would be provided to the Member in question with regard to workplace occupancy levels and also relevant details from the recent staff survey.

with further information on the reasons for the change together with details of the process and consultation undertaken to implement it. The reasons for the change included resourcing constraints and key risks in relation to the inappropriate use of Public Access as a forum for antagonistic comments and a number of implications arising from that. It was emphasised that, consistent with the statutory process, comments from the public on planning applications could still be submitted and although not publicly visible, would still be recorded and considered. It was also noted that this was a 6 month trial and that the matter would be considered by Scrutiny at the conclusion of the trial. In conclusion, it was undertaken that the Member in question would be provided with specific details of the consultation process.
