Brief summary

Following the adoption of an amended Article 15 by Full Council on 26th May 2022 this report updates General Purposes Committee of the use of the powers under Article 15.2.3 of the Constitution by the Monitoring Officer since the Committee last met.

Recommendations

General Purposes Committee are requested to note the use of the powers of the Monitoring Officer.

What is this report about?

1. Article 15.2.3 provides power for the Monitoring Officer to update the Constitution under the following circumstances:
 - i. as a result of legislative change or decisions of the Council or Executive to enable him/her to maintain it up to date;
 - ii. for the purposes of clarification only; or
 - iii. where the Monitoring Officer is of the opinion such changes are de minimus and required for administrative or updating purposes only and for which there is unanimous agreement between the Leader of each political group.
2. This report updates General Purposes Committee as to the use of the above power by the Monitoring Officer since the last meeting.

3. Since the last meeting, the Monitoring Officer has approved four amendments to the Constitution pursuant to Article 15.2.3, the detail of which is set out in paragraphs 4 – 7 below.
4. On 16 December 2022 consequential changes were made to references to reflect various changes to documents and organisations which have been superseded over time. The Delegated Decision Notice (DDN) reference D55899 can be accessed [here](#).
5. On 18 January 2023 changes were made to the Members Allowance Scheme to reflect the findings of the Independent Remuneration Board. The DDN reference D55958 can be accessed [here](#).
6. On 20 March 2023 changes were made to the procedure for considering complaints alleging a failure to comply with the Members' Code of Conduct. The DDN reference D56233 can be accessed [here](#).
7. Finally, on 25 May 2023 consequential amendments were made to reflect Council's decision not to appoint a Member Management Committee. The DDN reference D56461 can be accessed [here](#).
