Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

A facility of this type throws up two main considerations regarding licensing objectives:

- Safe use of the golf simulator while hitting the balls and ensuring players are in a fit and proper state
- Running a responsible alcohol sales policy more generally

Both will be at the forefront of planning as the facility comes into use in September (see below).

b) The prevention of crime and disorder

All reasonable steps will be taken by staff to ensure paying customers leave in a fit state and are reminded to be considerate when they leave via a prominently displayed notice near the ground floor exit (the only exit)

That apart we will be strict in admitting desirable, serious golf people and those leaving will do so in number not greater than four. This is a facility where almost everyone will drive to it so we will also be displaying a notice in the bar area reminding customers of their responsibilities not to drink and drive.

c) Public safety

Hitting a golf ball in an enclosed space carries a tiny risk of the ball ricocheting and hitting a paying customer. However, every precaution re the design of the simulator has been taken. Padded walls will surround the ceiling and sides of the simulator while the screen will be set up to absorb the shot, the ball dropping down to the floor rather than bouncing back. Considerable professional advice has been sort to make the simulator as safe as possible.

That apart we will be strict in admitting desirable, serious golf people and those leaving will do so in number not greater than four. This is a facility where almost everyone will drive to it so we will also be displaying a notice in the bar area reminding customers of their responsibilities not to drink and drive.

d) The prevention of public nuisance

In the bar area (basement) and by the exit on the ground floor (notices will be displayed) reminding paying customers that they are in residential area and to remind them, if they are leaving after 7pm, to do so quietly and with all consideration for who who live nearby. The facility does not lend itself to people staying for a long time and consuming a lot of alcohol but where this does occasionally happen, we will run strict controls in terms of ensuring guests do not leave intoxicated.

e) The protection of children from harm

Children will only be admitted with an adult and only adults will be able to hire the facility (on an hourly basis). In the simulator area, where the balls are being hit, parents/carers will be reminded, via a prominently displayed notice, that their children are their responsibility and must be looked after with due care and attention.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

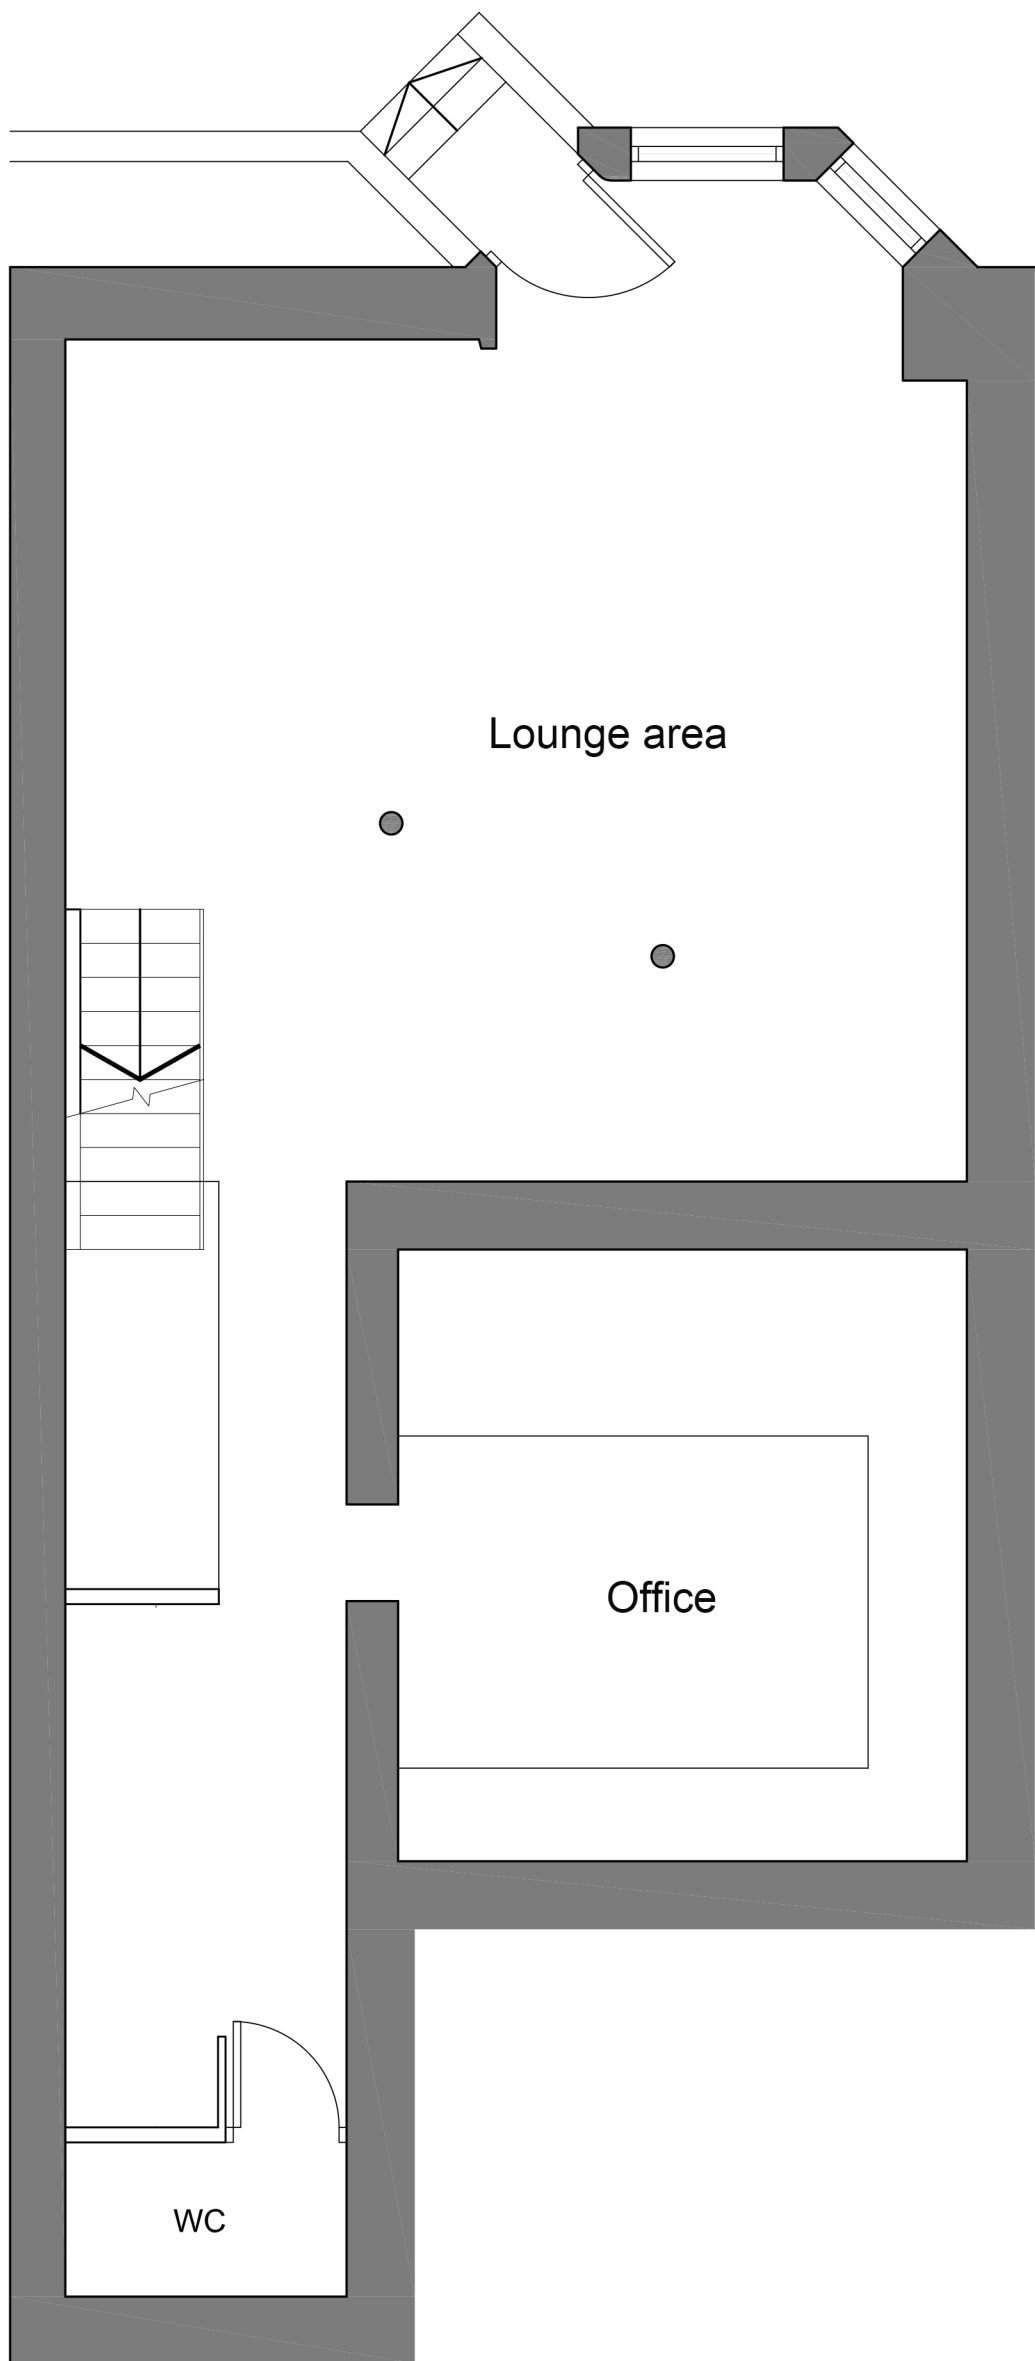

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
