Delete all after “This Council” and replace with

“... notes that vehicle emissions not only damage our environment, but also have serious impact upon the health of our citizens. Council therefore resolves to do all that is reasonably possible to reduce the level of these emissions in our city.

Furthermore, this Council decries the increasing ‘weaponisation’ of social issues like the ULEZ in the pursuit of mindless culture wars, that distract us from the important work of building a fair and sustainable society.”

The amended White Paper will then read:

This Council notes that vehicle emissions not only damage our environment, but also have serious impact upon the health of our citizens. Council therefore resolves to do all that is reasonably possible to reduce the level of these emissions in our city.

Furthermore, this Council decries the increasing ‘weaponisation’ of social issues like the ULEZ in the pursuit of mindless culture wars, that distract us from the important work of building a fair and sustainable society.
