

Leeds Health and Care System Resilience and Winter Planning

Date: 10th October 2023

Report of: Head of Democratic Services

Report to: Scrutiny Board (Adults, Health and Active Lifestyles)

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

Brief summary

- The Adults, Health and Active Lifestyles Scrutiny Board agreed to utilise its October meeting to understand the current issues and actions linked to the Leeds health and care system resilience and winter planning process.
- While each organisation in the System has its own winter and resilience plans, decision management tools and assurance and governance structures, the Scrutiny Board has been provided with an overview of the issues and actions at a system level, as well as an update on plans to support prevention of health issues and increase capacity in the System in the coming months. This information is presented in the form of a briefing paper by the Leeds Health and Care Partnership (see Appendix 1).

Recommendations

Members are requested to consider the content of the appended briefing paper by the Leeds Health and Care Partnership.

What is this report about?

1. Each organisation in the Leeds health and care system has its own winter and resilience plans, decision management tools and assurance and governance structures. However, the appended briefing paper by the Leeds Health and Care Partnership – co-ordinated by the Director of Pathway Integration – provides the Scrutiny Board with an overview of the issues and actions at a system level, as well as an update on plans to support prevention of health issues and increase capacity in the System in the coming months.
2. The key areas covered within the appended briefing paper include:
 - Overview of the national and local context
 - Oversight and Governance
 - Prevention through vaccination and prevention programmes
 - Sufficient capacity in Primary Care
 - Admission avoidance
 - Timely discharge from hospital
 - Access to and flow through Mental Health Services
 - Risks common to all areas

What impact will this proposal have?

3. Having previously maintained an interest in the Leeds health and care system resilience and winter planning process, the Adults, Health and Active Lifestyles Scrutiny Board agreed to utilise its October meeting to understand the issues and actions linked to the current process.

How does this proposal impact the three pillars of the Best City Ambition?

Health and Wellbeing

Inclusive Growth

Zero Carbon

4. With regard to Health and Wellbeing, the Best City Ambition states that in 2030 Leeds will be a healthy and caring city for everyone: where those who are most likely to experience poverty improve their mental and physical health the fastest, people are living healthy lives for longer, and are supported to thrive from early years to later life. To realise this ambition, there will be a focus on investing to ensure better and more equal access to essential services in health and learning, developed with and accessible for every community across Leeds.

What consultation and engagement has taken place?

Wards affected:

Have ward members been consulted?

Yes

No

5. The Leeds Health and Care Partnership includes health and care organisations from across Leeds who are working together to improve the health of people in Leeds. In taking a lead role in co-ordinating the information set out within the appended briefing paper, the Director of Pathway Integration will be attending today's meeting. However, there will also be representation from other health and care organisations to assist in addressing any further questions from Board Members.

What are the resource implications?

6. Any related resource implications will be reflected as part of the appended briefing paper.

What are the key risks and how are they being managed?

7. An overview of identified risks is set out in the appended briefing paper.

What are the legal implications?

8. This report has no specific legal implications.
