### Keep the following information safe

Company Unique Taxpayer Reference (UTR) [REDACTED]

Tax Office number [REDACTED]

You will need your UTR whenever you:

- speak to or communicate with us about the company's Corporation Tax
- file your Company Tax Return

### Important information for new companies only

Companies House has informed us about the formation of your new company. You are required to send us certain information within **3 months** of starting or restarting any business activity so that we know that the company is within the charge of Corporation Tax (for example, by beginning to trade, providing services, earning interest or receiving any other income).

Depending on how you incorporated you may need to take one of the following actions.

### If you used the 'Set up a limited company and register for Corporation Tax' service on GOV.UK

You may have already told us that the company has started doing business, in which case the only thing left to do is set up HMRC's online Corporation Tax services for the company.

If, however, you told us you didn't intend to start any business activity now or in the near future we will have updated our computer records with this information.

#### Set up HMRC's online Corporation Tax services

We will post an activation code, along with instructions on how to set up HMRC's online Corporation Tax services. This should arrive within 3 weeks. When you receive this, you should activate HMRC's online Corporation Tax Services and keep your login details safe.

After you have activated HMRC's online Corporation Tax services, you will be able to use the company's business tax account to:

- find the company's UTR
- file Company Tax Returns and accounts
- check the company's outstanding liabilities and payments
- find the correct payment reference number to pay the company's Corporation Tax
- file Company Tax Returns
- pay Corporation Tax
- check the company's accounting periods

## **If you didn't use the 'Set up a limited company and register for Corporation Tax' service on GOV.UK**

### **If you need to tell us your company is active**

The best way to do this is to use HMRC's online tax registration service, or in writing at the above address. To find out how to do this, go to [www.gov.uk/guidance/corporation-tax-trading-and-non-trading](http://www.gov.uk/guidance/corporation-tax-trading-and-non-trading)  
When prompted, you will need to enter the 3-digit tax office number shown above.

You will also need to file tax returns online. For more information about this, go to [www.gov.uk/company-tax-returns](http://www.gov.uk/company-tax-returns)

### **If your company is Not Trading or is Dormant**

You must inform HMRC at the earliest opportunity and the best way to do this is online at [www.gov.uk/tell-hmrc-your-company-is-dormant-for-corporation-tax](http://www.gov.uk/tell-hmrc-your-company-is-dormant-for-corporation-tax) If you have not informed HMRC you are dormant you will still be required to submit a Company Tax return online. Failure to do so may result in penalties being raised against the company. For more information to help you check if the company is active or not for HMRC, go to [www.gov.uk/guidance/corporation-tax-trading-and-non-trading](http://www.gov.uk/guidance/corporation-tax-trading-and-non-trading)

### **Information for Non-UK resident companies**

If you are a non-UK resident company and have become chargeable to UK Corporation Tax because you have started or restarted any business activity, you will need to set up HMRC's online Corporation Tax services for the company to file your Company Tax Return. For more information about this, go to [www.gov.uk/log-in-register-hmrc-online-services](http://www.gov.uk/log-in-register-hmrc-online-services) and click on 'Sign in' to create sign in details or access your online account.

**Premises Licence: PREM/01387/005**  
**For: Baba Jaga 2, Baba Jaga, 12 - 14 Strathmore Drive, Harehills, Leeds, LS9 6AB**

Please find enclosed your new premises licence in two parts. The Part A full licence and the Part B summary licence. You should check the details on the licence carefully. The licensing authority is prepared to correct clerical errors for up to 28 days upon receipt of this letter. Beyond that time, any change must be made as an application for a new licence or as a variation. This does not affect your statutory right of appeal.

It is a requirement of the Licensing Act 2003 to display the Part B summary licence (or a certified copy) on your premises. You should keep Part A (or a certified copy) on the premises. In your absence the Part A must be under the control of a nominated person who has been authorised in writing by yourself for this purpose.

Can we remind you that it is an offence to operate other than in accordance with the provisions of your licence. The penalty on conviction for doing so is an unlimited fine and/or 6 months imprisonment.

You will also need to ensure that you have the necessary planning and building control permissions for your property. Nothing in your new licence changes existing law in relation to these matters.

Please note that an annual fee of £180.00 will be required on the anniversary of the first grant of the premises licence for these premises. This will fall on the 24th November 2023.

Also attached is guidance produced by Leeds City Council Health and Safety team as an explanation of conditions that may be attached to this licence.

#### **COVID-19 (Coronavirus)**

All premises being used for licensable activities must have a COVID-19 risk assessment and operate to meet Government guidelines. Latest information may be accessed at: <https://www.gov.uk/coronavirus>

The relevant enforcement authorities, including Environmental Health and Trading Standards, will monitor compliance. Businesses that fail to meet their responsibilities will be subject to community protection notices, prohibition notices and, potentially, unlimited fines

Please do not hesitate to contact us should you require any further assistance.

Yours faithfully

## Health and Safety Service

### Advice for Premises Licence Holders

This advice sheet should assist you meet some of the public safety conditions placed on your licences where Leeds City Council are the Enforcing Authority. The conditions are simple measures and any recording asked for should be proportionate to the relative size and nature of your business. If you are finding complying with the measures difficult please contact the Health and Safety Team.

#### Public Safety 3: Management Arrangements

**Before opening to the public, checks will be undertaken to ensure all access to the premises are clear for emergency vehicles. Regular checks will be undertaken when the premises is open.**

The aim of this condition is to ensure any outside areas in your control, do not have any obstacles (skips and cars) that might hinder access to emergency vehicles. A check around the premises before you open should be undertaken and any subsequent checks should be based on your knowledge of previous problems.

**Written records of all accidents and safety incidents involving members of the public will be kept. These will be made available at the request of an authorised officer.**

A simple diary is sufficient to record incidents and accidents to the public. If you already use a diary for other premises activities use that. If you do use a diary you should not record personal details (this is a data protection issue). Alternatively you can obtain a statutory accident book (used to record accident to employees).

Good practice should be to review the records to check for recurring patterns.

**A suitably trained and competent person must ensure regular safety checks of the premises including decorative and functional fixtures, floor surfaces and equipment (including electrical appliances) to which the public may come into contact are undertaken. Records of these safety checks must be kept and made available for inspection by an authorised officer.**

The aim of this condition is to ensure sufficient safety checks are undertaken to pick up obvious visual defect in the premises and fixtures that might affect the public. The checks will take longer the larger the public areas. Recording should be kept simple and not over burdensome. You may wish to write a list of the areas and fixtures to be checked for the person who will undertake the checks. The routine checks can then be recorded 'checks completed' 'OK' or a record of the faults found. This can be recorded in something as simple as the workplace diary. If your premises already use some type of check list a separate one is not required.

**Anyone who undertakes visual checks on electrical equipment must be trained to ensure their safety.**

Advice can be obtained in 'Electrical Safety and You' INDG 231. 'Maintaining Portable Electrical Equipment in Hotels and Tourist Accommodation' INDG 237 'Maintaining Portable Electrical Equipment in offices and other low-risk environments' INDG 236

Good practice should be to review the checks and take action to rectify defects

During opening hours the cellar door must be kept locked or adequately supervised to prevent unauthorised access by the public.

There have been a number of deaths from the public falling down cellar stairs that are accessible from the public areas. You should ensure the cellar door is kept locked; or if access is required during the opening period that the door is supervised to prevent access. (You may wish to see if a Yale type lock is suitable for your door.)

Empty bottles and glasses will be collected regularly paying particular attention to balcony areas and raised levels.

The collection period should prevent large amounts of empty glasses being on tables and where applicable balconies etc.

#### **Public Safety 4:- Fire/Electrical Safety**

Electrical installations will be inspected on a periodic basis (at least every 3 years or at a frequency specified in writing) by a suitably qualified and competent person. If used, any temporary electrical wiring and distributions will also be inspected. Inspection records/certificates will be kept. These will be made available at the request of an authorised officer.

The frequency of the inspections should be determined by the competent electrician, the next inspection is usually recorded by them on the inspection certificate. If temporary electrics such as entertainment equipment are brought on site you should have them inspected by an electrician or ask the person bringing them on to your site to do this.

One of the following protective measures shall be used for all socket-outlets which may be used for the connection for lighting, video or sound amplification equipment and display models:

- a) Each socket-outlet circuit shall be protected by a residual current device having a rated residual operating current not exceeding 30mA.
- or
- b) Each individual socket-outlet shall be protected by an integral residual current device having a rated residual operating current not exceeding 30mA.

The current operation of all residual current devices shall be checked regularly by pressing the test button. If the device does not switch off the supply, an electrical contractor should be consulted. At the same time action should be taken to prohibit the use of socket outlets associated with a faulty residual current device

You should consider following the advice in 'Electrical Safety For Entertainers' INDG 247 regarding the use of a Residual Current Device (RCD) with the equipment.

It is acceptable to keep records at a place other than the premises, as long as they can be requested and obtained

## **Public Safety 6:- General Housekeeping**

**Regular safety checks of guarding to stairs, balconies, landings and ramps will be undertaken, and a supervision policy will be maintained to prevent people from inappropriate behaviour including climbing which may lead to a fall from height**

This condition is applied to premises on several levels where inappropriate behaviour due to the influence of alcohol may lead (and has led) to people being injured by climbing over barriers. If your premises are large and on many levels a policy of checking such areas must be put in place. This can be done by CCTV if this is in place.

This condition may not stop accidents from occurring but it is intended to reduce the risk of one by good practice.

**Safety glass that is impact resistant should be used wherever possible in all areas where the public may come into contact with it. Where it is not used in public areas, glazing should be shielded to protect it from impact.**

If you have areas of glazing that the public may fall against it should be impact resistant. If your premises were built to recent building standards then appropriate glazing should be impact resistant.

**A written spillage policy will be kept to ensure spillages are dealt with in a timely and safe manner.**

Slips, trips and falls cause the most accidents to members of the public. The most obvious risk is spilt drinks. Write down simple instructions for employees (or relief managers) to follow to reduce the risk of slips in your premises. You may wish to write down details such as where the cleaning materials & wet floor signs are kept. It may include particular areas in your premises to monitor such as steps to a beer garden or areas around the bar. In larger premises you may wish to formalise safety checks required especially on areas such as stairs and balconies. You may also wish to look in to providing materials that quickly soak up large spills in areas that might cause a person to fall down stairs

## **Public Safety 7: Refreshments**

**Members of the public will be prevented from accessing hot food and drink preparation areas to prevent risk of scalds or burns to them.**

This condition is for any food and drink preparation that is not done in a segregated kitchen area such as a barbecue.

## **Public Safety 8: First Aid**

**A suitably trained First Aider or appointed person will be provided at all times when the premises are open.**

An appointed person is someone who has the personal qualities to stay calm in an emergency and call the relevant services. If you choose to have a first aider on site you **MUST** check with your insurance company that your public liability insurance covers any first aid provided by that person. Any first aider must be suitably trained by a register provider and refresher training undertaken as stated within that course

**Adequate and appropriate First Aid equipment and materials will be available on the premises.**

You should keep an adequately stocked first aid box on site. Advice on what should be kept in such a box is given in Question 4 in ING 214 First Aid at Work. Unless you have a trained first aider you should not use anything yourself.

**A procedure for dealing with unwell members of the public will be in place including those who appear to be affected by alcohol or drugs. Staff will be appropriately trained in such procedures.**

If you are a night club or other large venue that attracts young people you should have a policy in place so employees are aware of what action to take if a member of the public is found severely affected by alcohol or drugs.

### **Public Safety 9: Special Effects**

**Where strobes, lasers, smoke machines or any other special effects equipment may be used, a written health and safety policy covering all aspects of their use will be provided, and staff will be appropriately trained.**

If you are going to use the above effects you must ensure they are used safely and employees have read the appropriate safety literature.

### **ADDITIONAL INFORMATION: Smoke-free Premises**

The smoke-free law (The Health Act 2006) was introduced to protect employees and the public from the harmful effects of second-hand smoke:

1. It is against the law to smoke in enclosed public places, workplaces and in public and work vehicles. Indoor smoking rooms in public places and workplaces are not allowed.
2. You and those who manage your smoke free premises have legal responsibilities to prevent smoking and to ensure that no-smoking signs are displayed.
3. The law applies to anything that can be smoked. This includes cigarettes, pipes (including water pipes such as shisha and hookah pipes), cigars and herbal cigarettes
4. Failure to comply with the law will be a criminal offence for which you may be fined or fined upon successful prosecution (up to £2500).

Please Note: Premises are considered 'enclosed' if they have a ceiling or roof and (except for doors, windows or passageways) are wholly enclosed either on a permanent or temporary basis. You may wish to provide smoking shelters but there is no requirement to provide them. If you do decide to do so, there are many issues you need to consider, including planning permission, licensing, building control, noise, litter etc

For further information, see <http://www.smokefreeengland.co.uk/resources/guidance-and-signage.html>. If you require more specific advice or wish to discuss plans for smoking shelters please contact Leeds City Council's Health and Safety Team.

#### Terms of Business

It is normal practice to ask clients to make a payment of anticipated costs and disbursements. It is helpful if you can meet requests promptly. If there is a difficulty it is important that you let us know as soon as possible.

It is important that you understand this relates solely to costs and disbursements which we anticipate will become payable in the immediate future. This is not an estimate of the overall costs of your case.

If there is any change regarding the above we will let you know.

Our total costs for dealing with drafting a new lease, liaising and negotiating with all parties involved are £650.00 plus VAT plus disbursements whether or not this matter proceeds to completion.

In the event that further work is required and we have spent more than 6 hours on your matter, in particular in the event that we become involved in legal proceedings we shall have to, of course, consider the question of further costs with you at the time.

Should we not receive further instructions the following provisions of this letter will apply with regard to interim bills and regarding Orders for Costs.

We shall deliver bills to you at regular intervals for the work carried out during the conduct of the case and will ask you for payment in advance of disbursements which we shall have to incur on your behalf. This assists our cash flow and enables you to budget for costs. We are sure you will understand that in the event of a payment not being made we must reserve the right to decline to act further and that the full amount of the work done up to that date and disbursements incurred will be charged to you. Accounts should be settled within 7 days and we reserve the right to charge you interest on a daily basis on bills that are not paid within that time at 4% over HSBC's base rate from time to time in force.

We will contact you on your personal email address that you have provided to us but please let us know if you do not want us to contact you this way and we will send you correspondence by post only.

Good afternoon

We act for Nabaz Ibrahim Karim who has recently taken over operating a premises in Leeds at 12-14 Strathmore Drive, Leeds, LS9 6AB.

The reason for this email is that our client previously worked at the Costcutter, 173-181 Rotherhithe New Road, SE16 2BE (licence number 857881) within your licensing authority area. However, he was an employee and not the Premises Licence Holder or Designated Premises Supervisor.

Our client has very recently taken over his shop in Leeds but due to issues that occurred with the previous operator (particularly in respect of illicit tobacco and alcohol and two failed test purchases) he is facing an objection to the Premises Licence transfer and also a Premises Licence Review. Our client only took over the Premises Licence for his new premises on 24<sup>th</sup> October 2023 and so was not involved with the issues.

He worked at the Costcutter according to the Costcutter's Designated Premises Supervisor (Ali Raza Khan) between 2010 and 2014 and again from 2019 until September 2023.

We should therefore be very grateful if you would urgently confirm the following:

- The company number of the Costcutter's Premises Licence holder (Sunstar Group Limited accordingly to your online Licensing Register).
- The period of time that Ali Raza Khan has been the nominated Designated Premises Supervisor at the premises.
- Whether at the Costcutter between 2010 and 2014 and from 2019 and until September 2023 you have any record of any adverse details in connection with the premises. For example, have there been any failed test purchases (alcohol/tobacco etc) or any enforcement action in relation to illicit tobacco/alcohol etc. Equally, if your records are clear for those premises for those dates, please kindly confirm as we may need to refer to this correspondence in forthcoming hearings.

We would be very grateful if you would be able to supply this information as a matter of urgency and if you need to speak about this, please telephone our Patrick Robson on [REDACTED]

In addition, we wish to make the same enquiry with the Police and your Trading Standards Team so if you have a contact email for any of those you could supply, that would be much appreciated.

**Kind Regards**

**Patrick Robson**

7.7 If, following damage to or destruction of the Building, the Landlord considers that it is impossible or impractical to reinstate the Building, the Landlord may terminate this lease by giving notice to the Tenant. On giving notice this lease shall determine but

this shall be without prejudice to any right or remedy of the Landlord in respect of any breach of the tenant covenants of this lease. Any proceeds of the insurance shall belong to the Landlord.

2.2.3 any refusal by the Landlord to accept any rent or other payment due under this lease where the Landlord believes that the acceptance of such rent or payment may prejudice its ability to re-enter the Property; or

2.2.4 the Landlord exercising any right or remedy against the Tenant for any failure to pay the rents reserved by this lease or to observe or perform the tenant covenants of this lease (or the Tenant's obligations under the Authorised Guarantee Agreement); or

2.2.5 the Landlord taking any action or refraining from taking any action in connection with any other security held by the Landlord in respect of the Tenant's liability to pay the rents reserved by this lease or observe and perform the tenant covenants of the

lease (or the Tenant's obligations under the Authorised Guarantee Agreement) including the release of any such security; or

- 2.2.6 a release or compromise of the liability of any one of the persons who is the Guarantor, or the grant of any time or concession to any one of them; or
  - 2.2.7 any legal limitation or disability on the Tenant or any invalidity or irregularity of any of the tenant covenants of the lease (or the Tenant's obligations under the Authorised Guarantee Agreement) or any unenforceability of any of them against the Tenant; or
  - 2.2.8 the Tenant being dissolved, or being struck off the register of companies or otherwise ceasing to exist, or, if the Tenant is an individual, by the Tenant dying or becoming incapable of managing its affairs; or
  - 2.2.9 without prejudice to paragraph 4, the disclaimer of the Tenant's liability under this lease or the forfeiture of this lease; or
  - 2.2.10 the surrender of the lease in respect of part only of the Property, except that the Guarantor shall not be under any liability in relation to the surrendered part in respect of any period after the surrender, or
  - 2.2.11 any other act or omission except an express written release by deed of the Guarantor by the Landlord.
- 2.3 Any sum payable by the Guarantor shall be paid without any deduction, set-off or counter-claim against the Landlord or the Tenant.

### 3 VARIATIONS AND SUPPLEMENTAL DOCUMENTS

- 3.1 The Guarantor shall, at the request of the Landlord, join in and give its consent to the terms of any consent, approval, variation or other document that may be entered into by the Tenant in connection with this lease (or the Authorised Guarantee Agreement).
- 3.2 The Guarantor shall not be released by any variation of the rents reserved by, or the tenant covenants in, this Lease (or the Tenant's obligations under the Authorised Guarantee Agreement) whether or not:
  - 3.2.1 the variation is material or prejudicial to the Guarantor; or
  - 3.2.2 the variation is made in any document; or
  - 3.2.3 the Guarantor has consented, in writing or otherwise, to the variation.
- 3.3 The liability of the Guarantor shall apply to the rents reserved by and the tenant covenants in this lease (and the Tenant's obligations under the Authorised Guarantee Agreement) as varied except to the extent that the liability of the Guarantor is affected by section 18 of the Landlord and Tenant (Covenants) Act 1995.

### 4 GUARANTOR TO TAKE A NEW LEASE OR MAKE PAYMENT

- 4.1 If this lease is forfeited or the liability of the Tenant under this lease is disclaimed and the Landlord gives the Guarantor notice not later than six months after the forfeiture or the Landlord having received notice of the disclaimer, the Guarantor shall enter into a new lease of the Property on the terms set out in paragraph 4.2.

- 4.2 The rights and obligations under the new lease shall take effect beginning on the date of the forfeiture or disclaimer and the new lease shall:
- 4.2.1 be granted subject to the right of any person to have this lease vested in them by the court and to the terms on which any such order may be made and subject to the rights of any third party existing at the date of the grant;
  - 4.2.2 be for a term that expires at the same date as the end of the Contractual Term of this lease had there been no forfeiture or disclaimer;
  - 4.2.3 reserve as an initial annual rent an amount equal to the Annual Rent payable under this lease at the date of the forfeiture or disclaimer or which would be payable but for any abatement or suspension of the Annual Rent or restriction on the right to collect it (subject to paragraph 5) and which is subject to review on the same terms and dates provided by this lease; and
  - 4.2.4 otherwise be on the same terms as this lease (as varied if there has been any variation).
- 4.3 The Guarantor shall pay the Landlord's solicitors' proper costs and disbursements (on a full indemnity basis) and any VAT in respect of them in relation to the new lease and shall execute and deliver to the Landlord a counterpart of the new lease within one month after service of the Landlord's notice.
- 4.4 The grant of a new lease and its acceptance by the Guarantor shall be without prejudice to any other rights which the Landlord may have against the Guarantor or against any other person or in respect of any other security that the Landlord may have in connection with this lease.
- 4.5 The Landlord may, instead of giving the Guarantor notice pursuant to paragraph 4.1 but in the same circumstances and within the same time limit, require the Guarantor to pay an amount equal to the Annual Rent for the period of 6 months or the period on which the Contractual Term would otherwise have expired but for the forfeiture or disclaimer, whichever shall be the shorter, and the Guarantor shall pay that amount on demand.

## 5 RENT AT THE DATE OF FORFEITURE OR DISCLAIMER

- 5.1 If at the date of the forfeiture or disclaimer there is a rent review pending under this lease, then the initial annual rent to be reserved by the new lease shall be subject to review on the date on which the term of the new lease commences on the same terms as those that apply to a review of the Annual Rent under this lease, such review date to be included in the new lease.

## 6 PAYMENTS IN GROSS AND RESTRICTIONS ON THE GUARANTOR

- 6.1 Any payment or dividend that the Landlord receives from the Tenant (or its estate) or any other person in connection with any insolvency proceedings or arrangement involving the Tenant shall be taken and applied as a payment in gross and shall not prejudice the right of the Landlord to recover from the Guarantor to the full extent of the obligations that are the subject of this guarantee and indemnity.
- 6.2 The Guarantor shall not claim in competition with the Landlord in any insolvency

proceedings or arrangement of the Tenant in respect of any payment made by the Guarantor pursuant to this guarantee and indemnity. If it otherwise receives any money in such proceedings or arrangement, it shall hold that money on trust for the Landlord to the extent of its liability to the Landlord.

6.3 The Guarantor shall not, without the consent of the Landlord, exercise any right or remedy that it may have (whether against the Tenant or any other person) in respect of any amount paid or other obligation performed by the Guarantor under this guarantee and indemnity unless and until all the obligations of the Guarantor under this guarantee and indemnity have been fully performed.

## 7 OTHER SECURITIES

7.1 This guarantee and indemnity is in addition to and independent of any other security that the Landlord may from time to time hold from the Guarantor or the Tenant or any other person in respect of the liability of the Tenant to pay the rents reserved by this lease and to observe and perform the tenant covenants of this lease. It shall not merge in or be affected by any other security.

7.2 The Guarantor shall not be entitled to claim or participate in any other security held by the Landlord in respect of the liability of the Tenant to pay the rents reserved by this lease or to observe and perform the tenant covenants of this lease.

1. CCTV shall be installed with recording facilities such recordings shall be retained for a period of 28 days (except where such retention cannot be achieved due to reasonable periods of maintenance or repair) and made available within a reasonable time upon request by the police as long as the request is in accordance with data protection principles.

  - The basis for the refusal;
  - The person making the decision to refuse; and
  - The date and time of the refusal.

Such records shall be retained at the Premises for at least 12 months, and shall be made available for inspection by the Police or any other authorised person on request. The refusal log will be checked and signed off regularly by management.

### **Notes for Guidance**

1. **General Note:** The minor variations process can only be used for variations that could have no adverse impact on the promotion of any of the four licensing objectives. (These are: the prevention of crime and disorder; public safety; the prevention of public nuisance; and the protection of children from harm.)

It cannot be used to:

- extend the period for which the licence has effect;
- vary substantially the premises to which it relates;
- specify, in a premises licence, an individual as the designated premises supervisor;
- add the sale by retail or supply of alcohol as an activity authorised by a licence or certificate;
- authorise the sale by retail or supply of alcohol at any time between 11pm and 7am;
- authorise an increase in the amount of time on any day during which alcohol may be sold by retail or supplied;
- include the alternative licence condition referred to in section 41D(3) of the Licensing Act 2003 in a premises licence.

2. **Description of premises:** For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. This should include any activities in or associated with the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines etc.

3. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

4. Give full details of all the proposed variation(s). Failure to provide sufficient information may lead to the refusal of your application. Details should include a description of the proposed variation(s) in terms as precise as possible. If you are not precise, the licensing authority may decide that the changes you propose would be potentially broader in scope than you intend and reject your application as not being a 'minor' variation. You should also include a statement about why you consider the variations proposed could not have an impact on the licensing objectives listed in section 4(2) of the Act. You should cover each of the objectives that could possibly apply to your proposal (or if more than one, to each proposal) and say why you think there could be no adverse impact on that objective. Your application will be assisted by including as much information as you can about this. **(However, there is a box at the end of the form for 'further information', and this should be**

used for any relevant background information not directly related to the variation.) Relevant information includes:

**a) Variations to licensable activities/licensing hours** (all timings should be given in 24 hour clock e.g. 16.00. Only give details for the days of the week when you intend the premises to be used for the activity), such as:

- Whether new or increased levels of licensable activities will be taking place indoors or outdoors (indoors may include a tent);
- Relevant further details, for example whether music will be amplified or unamplified;
- Standard days and timing when the activity will take place, including start and finish times;
- Any seasonal variations in timings, e.g. additional days during the summer; and
- Non-standard timings, e.g. where you wish the activity to go on longer on a particular day such as Christmas Eve.

**b) Variations to premises/club layout:** If you are applying for a variation to the layout of your premises, you must include a revised plan. You should be aware that your application is likely to be refused if the proposed variation could:

- increase capacity for drinking on the premises;
- affect access between the public part of the premises and the rest of the premises or the street or public way, e.g. block emergency exits or routes to emergency exits; or
- impede the effective operation of a noise reduction measure.

**c) Revisions, removals and additions of conditions:** The minor variation process may be used to remove conditions which are out of date or invalid and to revise conditions which are unclear (as long as the intention and effect remains the same). It can also be used to add a new condition volunteered by the applicant or mutually agreed between the applicant and a responsible authority, such as the police or the environmental health authority (subject to impact on the licensing objectives).

**d) Variations to opening hours:** details of any changes to hours when the premises or club is open to the public.

**5. In terms of specific regulated entertainments please note that:**

- **Plays:** no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
- **Films:** no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
- **Indoor sporting events:** no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- **Boxing or Wrestling Entertainment:** no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- **Live music:** no licence permission is required for:
  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
  - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
  - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
  - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not

- o exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
  - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
- Recorded Music: no licence permission is required for:
  - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
  - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
  - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
- Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
- Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
  - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
  - o any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
  - o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
- any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

6. **Further information:** You should use this box to provide any additional evidence to support your claim that the proposed variation is 'minor' and could not have an adverse impact on the promotion of the licensing objectives

7. **Signatures:** The application form must be signed.

8. **Authorised agent:** An applicant's agent (e.g. solicitor) may sign the form on their behalf and, in so doing, will be confirming that they have actual authority to do so.

9. **2nd Applicant:** Where there is more than one applicant, both applicants or their respective agents must sign the application form.

10. This is the address which we shall use to correspond with you about this application. This might not be the same as the address of the premises or applicant, but these addresses must also be provided.

**Staff training pack on under  
age sales**

**12-14 Strathmore Drive  
Leeds  
LS9 6AB**

This training is for all members involved in selling alcohol and age restricted products is intended to form part of their induction training and period refresher training.

### **A) Training aim**

To ensure every staff member is aware of which products cannot be sold to underage persons and also:

- The premises' age verification policy;
- Dealing with refusals of sales;
- Proxy purchasing;
- Recognising valid identity documents not in the English language;
- Identifying signs of intoxication; and
- Conflict management.

### **B) Trainer brief**

1. Allocate an appropriate time slot to spend with each staff member. A 30 minute minimum is anticipated.
2. Follow the training steps with each staff member – this is to be 'one on one' only.
3. Ensure everyone signs the training sign off sheet at the end of the training and place this with the training records.

### C) Age restricted products

Start by discussing age restricted products sold at the premises (as listed below) and show the trainee where these are located.

Product	Minimum age to buy
Alcohol	18
Cigarettes / tobacco	18
Solvents	18
Gas lighter refills	18

### D) Training - consequences of underage sales of alcohol /sales to persons who are drunk

Discuss that under no circumstances can age restricted products be sold to persons aged under 18 years or for alcohol to be sold to persons who are drunk.

This is the law and there are no exceptions to these as they are criminal offences.

Staff must therefore take all possible steps to make sure that these do not happen.

#### 1. Consequences of underage sales of alcohol

Discuss the consequences of allowing such sales to take place at the premises and that preventing such sales is vitally important in promoting the licensing objectives of:

- prevention of crime and disorder;
- public safety;
- prevention of public nuisance; and
- protection of children from harm.

##### a. Legal implications for Seller of alcohol (i.e. the staff member)

- Fixed penalty notice (£90) for seller; or
- Prosecution for seller (Court can impose unlimited fine for under aged sales and £1,000 fine for selling alcohol to a drunk person); and/or
- Disciplinary for seller – potentially resulting in dismissal

##### b. Legal implications for business

- Prosecution for business; and/or
- Review of premises licence for not promoting the licensing objectives.

##### c. Social responsibility / other consequences

- People (particularly children) are more vulnerable when under the influence of alcohol.
- They may be more inclined to commit crimes, violent acts, anti-social behaviour and cause nuisance – either in the premises or in the locality.
- Loss of business / reputational damage to the premises.

It is also a criminal offence to knowingly allow the sale of alcohol to a child or a person who is drunk. This means that if a staff member witnesses a colleague selling alcohol to such a person and did nothing to prevent it then they have also committed an offence.

Vigilance at all times is therefore crucial.

## **E) Training – prevention of under ages sales of alcohol / age restricted products**

### **1. Challenge 25 policy**

Discuss the Challenge 25 policy and what this entails i.e. that ID must be checked for customers that look under 25 when selling them alcohol and that the sale will be refused if no acceptable ID is produced.

All staff must follow the Challenge 25 Scheme without exception. It is a condition on the premises licence and therefore a legal obligation.

Point out the Challenge 25 posters around the premises – use this opportunity to review their location and appropriateness. At least one poster should be on the premises entrance and another behind the service counter.

### **2. What forms of ID are acceptable as proof of age?**

Discuss what forms of ID are acceptable as proof of age. These must contain:

- photo of customer;
- date of birth of customer; and
- either hologram or ultraviolet feature.

Discuss what forms of ID are accepted as proof of ID by the premises:

- passports;
- photo driving licences;
- proof of age scheme cards carrying the PASS hologram;
- national ID card; and
- military ID card.

### **3. Checking ID**

Explain that even then the seller must be vigilant that the ID is neither fake nor borrowed (e.g. from an older sibling or friend etc.)

Explain advisable steps to take when ID has been produced:

- compare photo to the person's face – is it a good likeness?;
- check eye colour of the customer matches the photo. Are there any other distinguishing features such as a birth mark or mole?;
- check the date of birth to ensure the customer is over 18. Does the person look to be around the age stated on the ID?;
- check ID is current and valid. If a card, licence or passport has expired then it is not valid ID;
- ask to see other forms of ID e.g. does the signature on a debit or credit card match the signature on the ID produced?;
- can they replicate the signature on the ID without looking at the document?;
- check for tampering. Does the document appear to be of the expected quality and feel? Are there raised edges around the photo indicating a picture has been added on top of the original?;
- signs of fake ID
  - number or words fuzzy or misspelt;
  - photo has red eye;
  - holograms flake when scratched or do not react when tilted in the light; and
  - bubbles under the lamination.

Further tips for checking a driving licence:

- look for the letters DVLA;
- check the surname and numbers are raised;
- ensure the card has a hologram;
- check the driving licence words (the word 'permit' is an indicator of fake); and
- check the date of birth (a person can have a driving licence before 18).

Explain to the staff member that if in doubt, refuse service.

#### **4. Non-UK ID documents**

From time to time staff may need to check an ID documents that have been issued by a non-UK country.

Clearly, staff cannot be expected to know what all the passports, driving licences and other ID from around the world look like.

Explain the steps already advised to check that ID is genuine should also be undertaken in these situations.

Explain to the staff member that if in doubt, refuse service.

## **F) Training – prevention of sales of alcohol to persons who are drunk**

### **1. Signs of drunkenness**

Alcohol is always intoxicating. People become more intoxicated when they consume alcohol quicker than their body can expel it.

Explain that there is no legal definition of drunkenness. However, there are many different signs of drunkenness, including but not limited to:

- poor co-ordination;
- changes to normal speech patterns such as
  - slurred speech;
  - talking too loudly;
  - talking too fast;
- slower reactions;
- having difficulty understanding what is being said to them;
- being unable to maintain eye contact;
- unusual walking patterns such as staggering or losing balance easily;
- behaving highly emotional, aggressive, withdrawn or overly affectionate;
- glazed and/or bloodshot eyes;
- heavy sweating;
- smelling strongly of alcohol;
- slowed breathing;
- nausea and vomiting; and
- loss of consciousness.

Explain that if staff believe a person to be drunk then they must not be served any alcohol.

However, it is important to realise that certain illnesses, injuries or disabilities can replicate many of the above signs so a polite approach must always be undertaken.

If it is believed that the person's actions might be due to a medical episode (such as a stroke or hypoglycaemia) then emergency medical assistance should be sought.

### **2. What to do if a person is suspected to be drunk?**

Explain that if someone is suspected of being drunk then staff should:

- Keep an eye on them to ensure their welfare and perhaps encourage them to seek transport home and/or seek assistance from the appropriate authorities

Explain and reiterate that if in doubt persons suspected of being drunk must be refused service of alcohol.

## **G) Training - proxy sales**

### **1. What is a proxy sale?**

Explain that staff should also be alert to the risk of 'proxy sales' that is

- an adult (or other person) buying alcohol (or other age restricted product) for someone aged under 18; or
- a person who is not drunk buying alcohol for a person who is drunk.

### **2. Potential signs of proxy purchasing relating to underage persons**

Explain that signs of proxy purchasing relating to underage persons include:

- the buyer passing an alcoholic drink (or other age restricted product) to someone who appears to be underage;
- a young person choosing a drink (or other age restricted product) that someone else pays for;
- when you have already refused a sale to a group member and another person from the same group then tries to buy the same drink (or other age restricted product).

### **3. What staff should do?**

Explain that if staff suspect proxy purchasing is taking place then the sale should be refused unless all members of the group can provide acceptable photographic ID in line with the premises' age verification policy.

## **H) Training - refusals**

### **1. Handling refusals**

Explain that refusing service of alcohol (or other age restricted product) to a person suspected of being under 18 and/or drunk must be done in a polite, tactful and professional manner in order to reduce the possibility of the person reacting to the refusal badly.

Staff should:

- remain calm but suitably assertive;
- explain that the law prevents the sale being made and that they may be fined or prosecuted if they did so. If the refusal relates to an underage sale it may assist to point to the Challenge 25 posters; and
- not change their mind once the decision to refuse has been made unless there is a compelling reason to do so.

If the person becomes aggressive then staff should:

- try to keep the service counter or some form of barrier between them and the aggressor;
- use relaxed body language, with open handed gestures;
- avoid prolonged eye contact; and
- seek assistance from an appropriate person be that colleagues or the Police.

Further detail is provided in training section 'I) Conflict management'.

### **2. Completing the refusals log**

Demonstrate how to complete the refusals log in the event of a refused sale, including:

- details of the time and date the refusal was made;
- the product refused;
- the identity of the staff member refusing the sale; and
- details of the alcohol the person attempted to purchase.

Explain this must be completed after every refused sale to prove due diligence in the face of potential prosecutions.

Further, its completion is a condition of the premises licence and therefore a legal requirement and not optional.

Explain it should be kept behind the service counter.

## **I) Conflict management**

Explain that an important part of avoiding or defusing conflict with customers is to adopt a proactive approach to service in order to avoid an escalation in the situation.

### **1. Signs of conflict and escalation**

Signs of conflict include but are not limited to:

- raised voices;
- swearing;
- groups gathering;
- annoyed or concerned looking customers.

Signs of escalation include but are not limited to:

- angry non-verbal signals – face reddening, intense eye contact, angry facial features;
- abuse directed to the staff member;
- increasingly vulgar, abusive or threatening language;
- personal space being invaded;
- square on posture, head and chin thrust forward;
- fist clenching; and/or
- finger pointing – particularly if leading to physical contact.

### **2. Actions to monitor customer behaviour**

Actions to undertake to help monitor customer behaviour and allow early intervention before a situation escalates include:

- monitoring of customers and conversations allowing intervention to calm down boisterous groups or individuals whose behaviour could escalate; and/or
- engaging customers in conversation to assess if an individual or group is a threat allowing pre-emptive action to be taken to calm a situation.

### **3. Confronting unacceptable behaviour**

The situation should always be assessed before taking action. Confrontation should not be undertaken if it will likely lead to risk of injury or put anyone else in danger. In those circumstances, assistance should be sought from colleagues and/or the Police where appropriate.

Otherwise, possible actions to potentially help avoid conflict include:

- ensuring good first contact with customers by being welcoming and helpful;
- communicating positively by being pleasant and professional;
- controlling tone of voice
  - speaking clearly, politely and firmly without voice raising;
  - being more assertive by voice raising if appropriate. Aim the assertiveness at the person's behaviour rather than the person;
  - keeping tone natural and relaxed - avoid using critical, sarcastic or patronising tones as these may antagonise;
- controlling body language
  - appearing to be in control even if nervous;
  - showing understanding of customers' feelings by nodding and smiling;
  - maintaining level and natural eye contact (not staring);
  - adopting a strong stance;

- respecting personal space;
- not entering a debate or argument;
- being clear the behaviour not acceptable and explaining what will happen if it does not stop;
- separating conflicting customers if necessary;
- not showing favouritism.

Reiterate that if on assessment it is appropriate to seek assistance then staff should not try to deal with the situation until help arrives (be that colleagues and/or the Police where appropriate).

## **J) Quiz, staff declaration and refresher training**

### **1. Trainee to complete quiz regarding under aged sales**

Print off a copy of the quiz and ask the staff member to complete it.

For any wrong answers provide feedback and ensure errors are understood. If necessary, repeat the relevant section of training again.

If they get more than two answers wrong, take them through the training on prevention of under aged sales and quiz again.

Place the completed quiz with the staff member's training records.

### **2. Trainee to complete 'Age verification policy - staff declaration'**

Print off a copy of the 'Age verification policy staff declaration' and have the trainee read it carefully. Answer any questions they may have.

Request them to add their name and date and sign the form.

Place the completed declaration with the staff member's training records.

### **3. Refresher training**

'Refresher' training in these matters must take place for each staff member at least once every 6 months and records must be kept of this.

This is a legal requirement of the premises licence and so is not optional.

The 'refresher training' process is the same as the initial training provided to a staff member.

## Relevant sections of the Licensing Act Guidance – August 2023

Para	Summary	
4.69	DPS changes	The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns. For example, where a personal licence holder has been allowed by the courts to retain their licence despite convictions for selling alcohol to children (a relevant offence) and then transfers into premises known for underage drinking.
4.70	DPS changes	The 2003 Act provides that the applicant may apply for the individual to take up post as DPS immediately and, in such cases, the issue would be whether the individual should be removed from this post. The licensing authority considering the matter must restrict its consideration to the issue of crime and disorder and give comprehensive reasons for its decision.
4.72	DPS changes	The 2003 Act also provides for the suspension and forfeiture of personal licences by the courts and licensing authorities following convictions for relevant offences, including breaches of licensing law. The police can at any stage after the appointment of a DPS seek a review of a premises licence on any grounds relating to the licensing objectives if problems arise relating to the performance of a DPS. The portability of personal licences is also important to industry because of the frequency with which some businesses move managers from premises to premises. It is not expected that licensing authorities or the police should seek to use the power of intervention as a routine mechanism for hindering the portability of a licence or use hearings of this kind as a fishing expedition to test out the individual's background and character. It is expected that such hearings should be rare and genuinely exceptional.
8.101	Premises licence transfer	In exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. The Home Office (Immigration Enforcement) may object if it considers that granting the transfer would be prejudicial to the prevention of illegal working in licensed premises. Such objections are expected to be rare and arise because the police or the Home Office (Immigration Enforcement) have evidence that the business or individuals seeking to hold the licence, or businesses or individuals linked to such persons, are involved in crime (or disorder) or employing illegal workers.
8.102	Premises licence transfer	Such objections (and therefore such hearings) should only arise in truly exceptional circumstances. If the licensing authority believes that the police or the Home Office (Immigration Enforcement) are using this mechanism to vet transfer applicants routinely and to seek hearings as a fishing expedition to inquire into applicants' backgrounds, it is expected that it would raise the matter immediately with the chief officer of police or the Home Office (Immigration Enforcement).
9.43	Evidence based	The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.
