I would like to submit an objection to the proposal by

for a license to sell alcohol. There is already a culture of young people hanging around outside the fast-food place, ceasers, causing a nuisance, riding quad bikes, ebikes and scooters round the car park. Also, illegal substances are being smoked. Plus, leaving food and rubbish all around the area of the shops. To have a premises selling alcohol till 23.00 will just escalate the problem even further.

I would like to complain about the application for an alcohol license by

There are already gangs of young people hanging around outside the fast-food place, smoking weed, creating a nuisance, riding e bikes, and scooters and quads round the car park. Plus, they're leaving food and rubbish all around the area of the shops. To let a shop to sell alcohol till 11pm will just make the problem even worse like beer cans and bottles too
