Good morning [REDACTED]

Thank you for the signed Part 2.

Good morning [REDACTED] / LCC ELS:

Please see the attached Part 2 in relation to the letter of representation I served on behalf of West Yorkshire Police dated 22nd February 2024, with regards to the subject bar premises / application.

Because of the Part 2 agreement and the usual proviso as a consequence of receiving it, please now withdraw the letter of representation served on behalf of West Yorkshire Police concerning this application.

With regards to the hearing for this matter already scheduled for the 19th March as I understand, could you please now take note of the following-

- I understand from [REDACTED] (Chairman of the club / applicant in this case) after speaking with him yesterday, that he has also signed a Part 2 to a letter of representation served by the Environmental Protection Team (EPT), with regards to this application.

I am also aware, in that representation of the EPT and agreed by [REDACTED] reference is made to 10pm in some of the conditions agreed to, but which is at odds with the representation of West Yorkshire Police and also agreed to, which makes reference to 9pm (2100) when referring to the same external areas.

For the benefit of the presiding sub-committee at the hearing on the 19th March, the reference to 9pm (2100) is selected by West Yorkshire Police, for no other reason than 9pm (2100) has been agreed to before on a number of occasions, and in very similar circumstances to these.

- On the basis of the withdrawal of the representation served on behalf of West Yorkshire Police, clearly there will now be nobody in attendance from the force at the hearing scheduled for the 19th March.

- Finally, along with the signed Part 2 attached, could you also pass on this email to the relevant department dealing with the hearing, as supplementary information which is additional to the agenda pack which has already been circulated.

Thank you in advance.

Best regards.

POLICE – LETTER OF REPRESENTATION – ‘QUALIFIED’ OBJECTION:**

Thank you for submitting your application for a premises licence at the above address, which we received on 19th January 2024, via Leeds City Council as an electronic application.

West Yorkshire Police are of the opinion that your application contains insufficient information about how you intend to meet the licensing objectives.

We therefore confirm that we are submitting a formal representation against your application on the grounds of:-

1. the prevention of crime & disorder
2. the prevention of public nuisance, and
3. the protection of children from harm.

However, West Yorkshire Police are also of the opinion that the said objectives could be met should you be prepared to incorporate certain identified measures within your operating schedule, in **addition** to what you may have offered in your application.

Please find enclosed a document which at **Part 1** contains the suggested measures which this authority considers are proportionate and appropriate to the nature of your application.

Should you be in agreement with the suggested measures then please signify this by completing and signing **Part 2** of the enclosed form and return the complete document to this office as soon as possible, but no later than 23rd February 2024.
