Good evening

I'm aware of an application for an alcohol licence for a shop in Armley and I'm writing to object to this as a local resident. Armley has a significant problem with alcoholism and there are already too many shops on and in the vicinity of Town Street which sell alcohol.

I have significant concerns about public safety, crime potential harm to children as a result of this problem an granting further licences would exacerbate those concerns. At the very least there is a significant public nuisance and issues with caused by people drinking in public around the area.

I hope my concerns are taken into account when considering this application.

Kind regards
