Hi Team

Please see our objection below:

--

We object to all proposed changes of hours for the sale of alcohol, with the exception of Monday to Thursday, where we are comfortable with the amendment to 11:00–00:00. We are content for the later night refreshment to be amended from Monday to Thursday to 23:00 to 23:30 to support this, but we object to the other proposals.

This is a dense residential area with properties surrounding the venue on all sides, and the proposed change of hours would constitute a new public nuisance to these residents. Customers at a venue are likely to need taxis to get home, to congregate outside to wait for this, or to smoke. It is unreasonable to assume they will do this in silence while outside if they have had a long evening of drinking.

Dewsbury Road is still relatively active until 00:00 during the week, so the modest increase in time is not objectionable. But the increase at weekends moves noise deeper into a much quieter period.

Kind regards

Hi Charlotte.

Could I add an objection to this?

I have real concerns about the proliferation of late night noise, and abundant supply of alcohol, in a location in very close proximity to residential properties.

I think the current hours are quite late enough.

And I've heard a number of complaints by local residents about the apparently poorly-managed ethos of the venue: are we confident that the licensee is credible and able to uphold the licensing objectives appropriately? (Maybe we are, but if so, I'd be keen to hear more.)

Is that enough?

Please do keep us posted.
