Subject: FW: PREM/05399/001 | Supplement: Supplementary Information - Item 6 - Application for the Grant of a Premises Licence for Association of Ukrainians in Great Britain to the agenda for Licensing Sub-Committee, Tuesday, 22
Date: 19 October 2024 22:19:43

Dear Martyn,

I see the Ukrainian Centre have sent supplementary information.

Is it possible to just add a further point from the meeting they refer to?

The people representing the Ukrainian centre were very welcoming to those who attended.

It was made clear by the residents who attended that one of the main issues was concern any noise emanating from the building late at night.

One of the concerns is the use of the external areas where noise would possibly disturb residents sleeping, especially children and those who had to go to work or school in the morning. This also appears to be one of the main concerns from the written objections too.

I cannot remember any agreement being asked for regarding times of opening other than the centre explaining why they feel they wanted the times they have asked for and also telling people what the police has suggested.

I know the licensing panel using the experience of its members will come to a measured conclusion.

Regards

Jane
