## Supplementary Finance Information 2

### **Applications for Wellbeing Funding:**

**Project Title:** Middleton Park Juniors – cost of living support

**Name of Group or Organisation:** Middleton Park Juniors F.C.

**Total Project Cost:** £11,448

**Amount proposed from Wellbeing Budget 2023/24:** £11,448

**Wards Covered:** Beeston & Holbeck, Hunslet & Riverside and Middleton Park

**Project Summary:** The project we are applying for is to support the club to ensure our costs are kept as low as possible due to facility, equipment and kit costs rising with/above inflation.

The funding will allow us to cover the hire of Leeds City council facilities for winter training at Middleton Leisure Centre, John Charles Centre for Sport and potentially the new South Leeds Hub & Cockburn High Scholl 3g pitches (when operational) allowing us to be more flexible with families who are struggling to pay.

Funding will also allow us to fund courses for young people (14+) to do referee courses and enable them to referee younger children. We will also use the funds to pay for volunteers to undergo Football Association (FA) courses - Safeguarding, First Aid and football coaching, plus their FA DBS checks enabling more children & young people to play.

**Community Committee Priorities:** Best City for Business, Best City for Communities, Best City for Children & Young People, Best City for Health & Wellbeing
