MONDAY, 20TH SEPTEMBER, 2021

**PRESENT:** Councillor R Finnigan in the Chair

Councillors D Chapman, M Foster,  
B Gettings, S Golton, C Hart-Brooke,  
K Renshaw and J Senior

### **15 Appeals Against Refusal of Inspection of Documents**

There were no appeals.

### **16 Exempt Information - Possible Exclusion of the Press and Public**

There was no exempt information on the agenda.

### **17 Late Items**

There were no late items. Supplementary information was submitted in relation to Agenda Item 10, Outer South Community Committee Finance Report.

### **18 Declaration of Interests**

There were no declarations.

### **19 Apologies for Absence**

Apologies for absence were submitted on behalf of Councillors Elliott, Hutchison, Kidger and Mulherin.

### **20 Minutes - 15 March 2021 and 26 July 2021**

**RESOLVED** – That the minutes of the meetings held on 15 March and 26 July 2021 be confirmed as correct records.

### **21 Matters arising from the minutes**

#### Minute 13 – Outer South Community Committee Finance Report

A query had been raised with regards to the provision and cost of new council housing as there had not been any new provision in Outer South for several years. Members were informed that they could request a further briefing on this..

## Minute 12 – Outer South Community Committee – Youth Activities Fund Report

Members had requested how Youth Service funding was distributed across the city.

Shaun Watson and Vicky Fuggles of the Youth Service were in attendance.

It was explained how funding for the Youth Service was distributed across the City. £1.7 million was distributed across all 33 wards with 40% of this split based on the number of young people aged 11 to 17 living in a ward. The remaining 60% was divided on a formula of young people living in the 40% most deprived super output areas, similar to the pupil premium used for schools. Additional resources were used towards providing a life coaching scheme for those who needed more intensive support.

In response to Members questions, the following was discussed:

- Approximately £159,000 was distributed across the Outer South wards.
- The life coaching support provided a one to one service for those who needed most support.
- Young people on the life coaching support could be referred from a number of services including schools, health providers and social services.
- Lower super output areas were identified by postcode and not by ward.
- The budget had to cover all costs including staffing and premises. Work was still ongoing with asset management regarding the Windmill Youth Centre.
- A breakdown of funding per ward in the Outer South area was requested.

## Minute 11 – Community Committee Appointments 2021/22

Members were informed that a further two nominations had been submitted for the Archbishop Margetson Trust Fund.

**RESOLVED** – That Councillor H Wilman(Drighlington Parish Council) and Mrs S Jackson be appointed to the Archbishop Margetson Trust Fund.

## **22 Open Forum**

In accordance with the Community Committee Procedure Rules, the Chair allowed a period of up to 10 minutes for members of the public to make representations or ask questions within terms of reference of the Community Committee. The following was discussed:

Concern that people who were not digitally connected could not get the relevant information or become engaged with the Community Committee. It was reported that information was sent out in newsletters to Neighbourhood Networks and the Community Committee newsletter was sent to libraries. It

was further suggested that For Disability Mobility could put information in their newsletters.

For future meetings, posters and information would be sent to libraries and one stops and posters would be put in local noticeboards. Any further suggestions were welcomed.

## **23 Library Service Update**

The report of the Chief Officer (Community Hubs) provided an overview of the activity of Leeds Libraries during the previous 18 months and outlined the key priorities of the service as part of the Service Recovery Strategy.

The following were in attendance:

- Andrea Ellison, Chief Librarian
- Kirsten Pendlebury, Senior Librarian

The Committee was given an overview of the key messages in the report which included the following:

- Purchase of new digital resources to help people develop digital skills and provision of online activities.
- The Keeping in Touch project which made over 9,000 calls to contact people to keep them updated on services.
- The Library Services Recovery Strategy which focussed on issues including economic recovery, supporting children & young people and digital inclusion.

In response to questions and comments from the Committee, the following was discussed:

- Gildersome Library – there would be ongoing discussions with Asset Management and Members requested to be consulted.
- Engagement with Early Years providers regarding the availability of library facilities.
- Ad hoc closures – the service was currently recruiting and training new staff and it was hoped to provide more consistent opening hours.
- Mobile provision – the fleet had been replaced and was currently reduced as some were being used as mobile vaccination vehicles.
- Concern that libraries situated in hubs had a lack of quiet spaces and did not give the correct environment for learning and study.
- How to encourage parents and other adults to access facilities particularly those who would not use library services. Reference was made to the provision of story buses and work with adults to support learning.
- Work to support the visually impaired and disabled people.

**RESOLVED** – That the report be noted and a further update be provided in 2022.

## **24 Outer South Community Committee Update Report**

The report of the Head of Locality Partnerships brought Members' attention to an update of the work which the Communities Team was engaged in, based on priorities identified by the Community Committee. It also provided opportunities for further questioning, or to request a more detailed report on a particular issue.

The following were in attendance:

- Inspector Lucy Leadbitter, West Yorkshire Police
- Georgia Lee, Leeds Anti-Social Behaviour Team

In response to Members' comments and questions, the following was discussed:

- There had been a backlog of anti-social behaviour cases to be dealt with at the courts. Some cases had been transferred to Huddersfield to deal with the backlog. Support was offered on a case by case basis and there had been work with Victim Support.
- Crime figures were still fairly low overall and there had been a significant reduction year on year. Resources were targeted where there were any spikes in crime. Burglary rates in Outer South Leeds remained low.
- Crime prevention – there was a designated Crime Prevention Officer who visited victims of crime. Repeat offenders were also targeted.
- E-scooters – Whilst it was not illegal to buy and sell e-scooters they were not road legal and only for use on private land. There had been instances of these being seized where there was improper use.
- Traffic offences weren't recorded as crimes but any incidents reported were used as intelligence.
- Reduction of PCSOs in the Outer South area.

**RESOLVED** – That the report be noted.

## **25 Outer South Community Committee Finance Report**

The report of the Head of Locality Partnerships provided the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget as well as the Community Infrastructure Levy for 2021.

Kimberly Frangos, Localities Officer presented the report.

Members' attention was brought to the following funding applications:

- DAZL 21 Program Outer South – Dance Action Zone Leeds. Total cost was £5,591.76 and it was proposed to use £3,630 from Youth Activity Funds. Members were supportive of this application.
- Friday Night Project – West Youth Services. Total cost was £5,058.20 and £1,919.00 was proposed from Youth Activities funds from Morley North and Morley South Wards. Members were supportive of this application.
- Men in Sheds – Groundwork Yorkshire – Total cost was £11,5260.00 and £5,303.00 was proposed from Wellbeing Funds. Members requested that this be deferred for further information.
- Youth Service Outer South – Total cost was £25,767.90 and £18,116.30 was proposed from Youth Activity Funds. Further information was requested on the projected and it was proposed to defer the application whilst this information was sought with a decision to be taken by delegated decision later.

## **RESOLVED –**

- (1) That details of the Wellbeing Budget position be noted.
- (2) That the following projects be approved:
  - DAZL21 Program Outer South - £3,630.00
  - Friday Night Project - £1,919.00
- (3) That the following applications be deferred:
  - Men in Sheds
  - Youth Service – Outer South
- (4) That details of the projects approved by Delegated Decision be noted.
- (5) That information of funded projects be noted.
- (6) That details of the Youth Activities Fund be noted.
- (7) That details of the Small Grants Budget be noted.
- (8) That details of the Community Skips Budget be noted.
- (9) That details of the Capital Budget be noted.
- (10) That details of the Community Infrastructure Levy Budget be noted.

## **Title: Highways – Winter Service Update**

---

### **Purpose of report**

1. To provide the Outer South Community Committee with an update on the Highways Service, and to gather input from elected members and residents.

### **Main issues**

2. The report and presentation are intended to provide the Outer South Community Committee with an update of the Highways Service, following a recent winter service review.
3. The report focusses specifically on the winter service fulfilled by Highways, including snow clearance and road gritting.
4. The report and presentation provide the Outer South Community Committee with an overview of the Winter Service website, linking the discussion to local issues relevant to the specific Committee area.
5. The agenda item also provides elected member and the public with the opportunity to provide feedback to the Highways Service relating to the winter provision offered, and approaches to communication and engagement going forward.

## **Recommendations**

6. Elected Members are asked to note the contents of the report and presentation that will be provided by officers from the Highways team.

# Highways & Transportation

Winter Service Overview,  
including the launch of our new  
'Live Gritting Tracker'.

# Winter Service Plan

## The Winter Service Plan Includes:

- **Leeds City Councils Duty (The Highways Act 1980)**
- **Gritting of roads**
- **Refilling of Salt Bins**
- **Snow Ploughing and Clearing.**

## Did You Know?

During the Winter Maintenance Period:

Our gritters drive on average 51,200 miles during the Winter Period, which equates to driving around the circumference of the Earth twice!

Between 12,800 and 16,000 tonnes of salt is used to grit the roads in Leeds

# How Do We Decide Where To Grit?

Category 1A - The Resilient Salting Network (RSN)  
*- Emergency Routes leading to hospitals and major infrastructure.*

Category 1 - The Primary Salting Network (PSN)  
*- Cat 1 roads  
- Bus routes  
- School links*

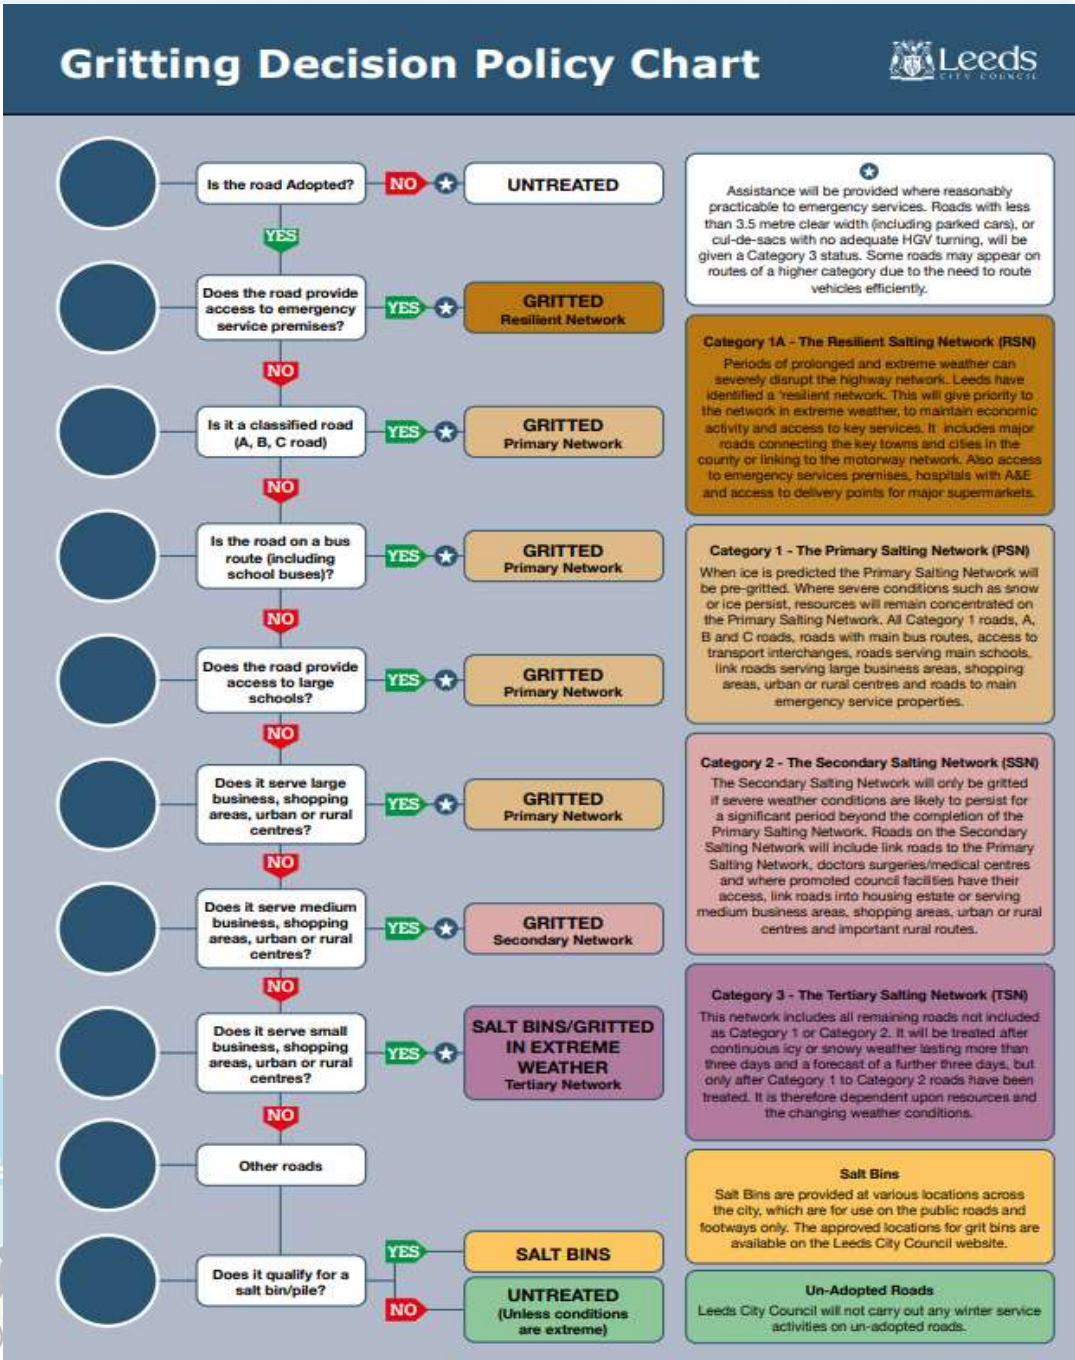

Category 2 - The Secondary Salting Network (SSN)  
*- Medium business areas.  
- Shopping areas  
- Dr surgery/medical centres.*

Category 3 - The Tertiary Salting Network (TSN)  
*- Not Cat 1 or 2.  
- Remaining roads.  
- Dependent on resources*

# How Do We Decide Where and When To Grit?

**What methods do we use to assist us?**

# Why develop a Gritting Tracker?

Helps support the economy, by giving citizens and visitors to Leeds the tools to choose safe driving routes.

Reduce road traffic accidents by letting people make informed decisions about which routes they choose.

Helps reduce call times and pressures on the contact centre.

The Gritting Tracker will support Leeds City Councils ambition for a more digital infrastructure

The gritting tracker will help support citizens to access medical care, hospital appointments and support services safely.

Now we will have a [live](#) demonstration of the service.

# How Will We Promote The Gritting Tracker?

## What next?

# Thank You Any Questions?

## **Title: City Ambition Engagement**

---

### **Purpose of report**

1. To provide the Outer South Community Committee with a verbal update on the development of a City Plan for Leeds and to gather input from elected members and residents to feed into the Plan.

### **Main issues**

2. The verbal report is provided at the specific request of the Community Committee.
3. The verbal report outlines the new City Plan in development for Leeds, which will become the main overarching strategy for the city, replacing the Best Council Plan. The verbal report will provide details of the timeframe for the development of the Plan, how consultation and engagement will take place, and what the final product is likely to look like. As part of the consultation towards the Plan, elected members and residents will be invited to share their views about pertinent issues affecting the Outer South Community Committee Area and discuss how these can best be represented in the City Plan.
4. There will be an opportunity for questions from elected members and residents after the presentation, and for elected members and residents to share their views as part of the consultation process. The proposed questions for discussion at the meeting are:

- What are the big issues for Leeds now, and over the next ten years?
- What are the big issues for the Outer South Community Committee area now, and over the next ten years?
- How can local communities play their part? What strengths do local areas have that can be drawn upon?
- Does the ambition of being the 'Best City' still resonate?

## **Recommendations**

5. The Outer South Community Committee is asked to note the contents of the verbal report that will be provided by Councillor Dowson and Amy Beswick/ Mike Eakins.

## **Outer South Community Committee - Finance Report**

---

### **Purpose of report**

1. This report provides the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget, as well as the Community Infrastructure Levy Budget for 2021.

### **Main issues**

2. Each Community Committee has been allocated a wellbeing budget (revenue and capital) and Youth Activities Fund which it is responsible for administering. The aim of these budgets is to support the social, economic and environmental wellbeing of the area and provide a range of activities for children and young people, by using the funding to support projects that contribute towards the delivery of local priorities.
3. A group applying to the Wellbeing Fund must fulfil various eligibility criteria, including evidencing appropriate management arrangements and financial controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equal opportunities and be unable to cover the costs of the project from other funds.
4. Wellbeing funding cannot be paid retrospectively. An application form must be submitted and approved by the Community Committee before activities or items being purchased through wellbeing funding are completed or purchased.
5. The amount of wellbeing funding provided to each committee is calculated using a formula agreed by Council, taking into consideration both population and deprivation of an area.

6. Capital (CRIS) injections are provided as a result of council assets being sold. 5% of the sale price (up to a maximum of £100k) of a council asset is pooled city-wide and redistributed to the Community Committee areas on the basis of deprivation. The Community Committee will receive a new capital injection every 6 months.
7. Each Community Committee has also been allocated a Community Infrastructure Levy budget. For each CIL contribution, Leeds City Council retains up to 70-80% centrally, 5% is needed for administration and 15-25% goes to be spent locally. The money will be vested with the local Town or Parish Council if applicable, or with the local Community Committee and spend decided upon by that body. This local money is known as the 'Neighbourhood Fund' and should be spent on similar projects to the Wellbeing Fund (capital).
8. In the Outer South this means that the money for Morley North and Morley South will be administered by Morley Town Council, whereas monies for Ardsley and Robin Hood and Rothwell will be administered by the Outer South Community Committee.
9. It was agreed at the Outer South Community Committee on the 27<sup>th</sup> November 2017 that CIL monies for Ardsley and Robin Hood and Rothwell would be and spent in the ward it was generated in.
10. It was agreed at the Outer South Community Committee on the 1<sup>st</sup> July 2019 that decisions being taken on the spending of CIL neighbourhood funds in respect of Ardsley and Robin Hood and Rothwell will be agreed by the Ward Councillors for the affected Ward as part of Member Ward briefings. The formal decisions for these matters would then need to be taken via officer delegated decision.
11. Projects eligible for funding by the Community Committee could be community events; environmental improvements; crime prevention initiatives, or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010, projects funded at public expense should provide services to citizens irrespective of their religion, gender reassignment, marital status, race, ethnic origin, age, sexual orientation or disability; the fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
12. Any request for funding would involve discussions with appropriate ward members. Where projects do not have support from the Community Committee and are not approved, applicants are offered further discussions and feedback if this is requested.
13. In order to provide further assurance and transparency of all decisions made by the Community Committee, any projects that are not approved will be reported to a subsequent Community Committee meeting.
14. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of Wellbeing and Youth Activity budgets, and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Committee. Concurrently with the Committee,

designated officers have delegated authority from the Director of Communities, Housing and Environment to take such decisions.

15. The Community Committee has previously approved the following 'minimum conditions' in order to reassure Members that all delegated decisions would be taken within an appropriate governance framework, with appropriate Member consultation and only when such conditions have been satisfied:
- a. consultation must be undertaken with all committee/relevant ward members prior to a delegated decision being taken;
  - b. a delegated decision must have support from a majority of the community committee elected members represented on the committee (or in the case of funds delegated by a community committee to individual wards, a majority of the ward councillors); and
  - c. details of any decisions taken under such delegated authority will be reported to the next available community committee meeting for members' information.
16. Members are reminded that the necessary scrutiny of applications to satisfy our own processes, financial regulations and audit requires the deadline for receipt of completed applications to be at least five weeks prior to any Community Committee. Some applications will be approved via Delegated Decision Notice (DDN) following consultation with Members outside of the Community Committee meeting cycle.

#### **Wellbeing Budget Position 2021/2022**

17. The total revenue budget approved by Executive Board for 2021-2022 was **£103,770.00**. **Table 1** shows a carry forward figure of **£110,444.88** which includes underspends from projects completed in 2020-2021. **£52,316.60** represents wellbeing allocated to projects in 2020-2021 and not yet completed. The total revenue funding available to the Community Committee for 2021-2022 is therefore **£161,898.28**. A full breakdown of the projects approved or ring-fenced is available on request.
18. It is possible that some of the projects may not use their allocated spend. This could be for several reasons, including the project no longer going ahead, the project not taking place within the dates specified in the funding agreement, or failure to submit monitoring reports. Due to this the final revenue balance may be greater than the amount specified in **Table 1**.
19. The Community Committee is asked to note that there is currently a remaining balance of **£62,934.78**. A full breakdown of the projects is listed in Table 1 and is available on request.

**Wellbeing, Capital and Youth Activity Fund projects for consideration and approval**

20. There following projects are presented for Members' consideration:

21. **Project Title:** Rothwell Christmas Day Lunch

**Name of Group or Organisation:** Rothwell Community Events

**Total Project Cost:** £ 1,500.00

**Amount proposed from Wellbeing Funds 2021-2022:** £ 500.00

**Wards covered:** Rothwell

**Project Description:** This event has been held for many years and was previously arranged by Pam Clarkson. Pam announced her retirement at the event in 2019. The 2020 could be held because of the pandemic although the new team did put together and

deliver Christmas Hampers which included a Christmas Eve Tea and a Christmas Day ready meal.

This year we are hopeful that we will be able to go ahead with the event. Elderly people that are on their own at Christmas as well as those with additional support needs are invited to a lunch on Christmas Day in Blackburn Hall. The lunch is cooked on the premises and a sandwich tea and gift bag is also provided. Entertainment is also provided during the event.

**Community Committee Priorities:**

**Best City for Business**

- Support work that helps town and district centres remain commercially active and vibrant

**Best City for Communities**

- Communities are empowered and engaged. People get on well together

**Best City for Children & Young People**

- Provide a range of activities for young people across the Outer South

**Best City for Health & Wellbeing**

- Older residents in Outer South are enabled to participate in local community activities

**22. Project Title:** Outer South Pedal Cycle Security

**Name of Group or Organisation:** West Yorkshire Police Cycle Champions

**Total Project Cost:** £ 1,460.00

**Amount proposed from Wellbeing Funds 2021-2022:** £ 1,460.00

**Wards covered:** Ardsley and Robin Hood, Morley North, Morley South and Rothwell

**Project Description:** In the past 12 months, we have had 219 reported pedal cycle thefts across the ward areas – and our Force Crime Prevention Officer advises that research suggests 3 times as many are stolen as are reported to the Police.

PCSOs Engrossingly, Westle and MacGregor are based at Elland Road and Morley Police stations and are bike champions, meaning additional training and information around bike security. They would like to do a series of events across the wards, to give residents advice on bike safety and security. We will utilise our resources for this.

We are seeking funding to purchase 1,000 selectamark products – these products are fitted to cycles at events and the code registered on the National Cycle Database. The funding would allow for 1,000 pedal cycles to be registered. Our Digital Policing department has enabled a secure portal on Officers handheld devices meaning if a stolen bicycle is recovered, we can immediately identify the owner. Further, any officer can scan a bike and determine ownership, which is useful if someone is riding a cycle believed to be stolen; we believe the marking will make the bike less desirable to thieves as security marking has been shown to drastically reduce offences of theft.

Our previous work has been around locking devices - this is about prevention and identification and will afford the opportunity to engage with the public on a range of crime reduction issues. Not only can this improve community safety and prevent crime but improve neighbourhoods as there are incidents of neighbour disputes over stolen bikes, especially young people's bikes, which the security marking will help alleviate.

The average cost of these stolen bikes is £200.00+, they are often not covered by insurance, or the cost of claiming on the insurance isn't worth it. It often means that a family cannot afford to replace the stolen bike(s) reducing their opportunity of free, healthy activity.

A bike with this marking is less likely to be stolen and far more likely to be returned to owner if it is recovered after a theft.

**Community Committee Priorities:**

**Best City for Business**

- Provide opportunities for people to get jobs or learn new skills

**Best City for Communities**

- Residents in Outer South have access to opportunities to become involved in sport and culture
- Residents in Outer South are safe and feel safe
- Communities are empowered and engaged. People get on well together
- Have an asset base which is fit for purpose

**Best City for Children & Young People**

- Provide a range of activities for young people across the Outer South

**Best City for Health & Wellbeing**

- Older residents in Outer South are enabled to participate in local community activities

**23. Project Title:** Outer South Rethink Food Educational Programme

**Name of Group or Organisation:** Rethink Food

**Total Project Cost:** £ 10,400.00

**Amount proposed from Youth Activity Funds 2021-2022:** £ 10,400.00

**Wards covered:** Ardsley and Robin Hood, Morley North, Morley South and Rothwell

**Project Description:** This To deliver the Rethink Food Educational project to 4 School in the Outer South area. One in each ward that will be nominated by the local ward Councillors.

Rethink Food Education provides schools with a weekly delivery of food, access to an education resource, school assemblies, pupil workshops and staff training opportunities. This is a sustainable resource that helps children to become more carbon resourceful. Children are encouraged to eat to save the planet.

Each school will:

- save over 3 tonnes of nutritionally valued surplus food from going to waste over the course of the year. This will save over 4000kg of CO2 emissions.
- have access to our learning platform which hosts educational resources built by Rethink Food and in partnership with food companies such as Asda, Greggs, Quorn and Arla. This is a go to place for up to date and relevant food and sustainability education.
- facilitated sessions, assemblies and teacher training delivered by the team at Rethink Food
- take part in real life national and international campaigns and take positive action towards climate change

The first module we deliver takes a group of pupils through the real life experience of setting up a social enterprise. They create their own name, slogan and logo. We get this professionally made up as a brand and it becomes the centre point for all our social, environmental and educational work.

**Community Committee Priorities:**

**Best City for Business**

- Provide opportunities for people to get jobs or learn new skills

**Best City for Communities**

- Communities are empowered and engaged. People get on well together

- Have an asset base which is fit for purpose
- Best City for Children & Young People**
- Provide a range of activities for young people across the Outer South
- Best City for Health & Wellbeing**
- Residents in Outer South are active and healthy

### **Delegated Decisions (DDN)**

24. Since the last Community Committee on Monday 20<sup>th</sup> September 2021, the following projects have been considered and approved by DDN:

- a) Youth Service Outer South Activity Programme - Youth Service, LCC - £ 18,116.30

### **Declined Projects**

25. Since the last Community Committee on Monday 20<sup>th</sup> September 2021, no projects have been declined.

### **Monitoring Information**

26. As part of their funding agreements, all projects which have had funding approved by the Community Committee are required to provide update reports on the progress of their project. These reports are so that the Community Committee can measure the impact the project has had on the community and the value for money achieved.

27. Detailed below is a project update that the Communities Team has received since the last meeting of the Community Committee on Monday 20<sup>th</sup> September 2021:

### **Picnic on the Pastures – Rothwell and District Carnival Committee**

28. The event was held as planned on 7 August and was well attended by local people. It's impossible to assess the total number but we estimate between 1 & 2000 people over the course of the day.

As planned, we had a climbing wall which was very popular as was the mobile petting farm, a face painter, a few small fairground rides, donkeys, live singers, a licensed bar as well as market and community stalls.

Everyone was just grateful to be back out and about and doing something 'normal' after the last 18 months and overall the day was a great success.

The group mainly advertised on social media but also printed and delivered 1,000 prior to the event. Their target was to hold a well-attended event which they did and the community was grateful just to be out and about after the last 18 months of restrictions.

## Youth Activities Fund Position 2021/2022

**Corporate Considerations****Consultation and Engagement**

37. The Community Committee has previously been consulted on the projects detailed within the report.

**Equality and Diversity/Cohesion and Integration**

38. All wellbeing funded projects are assessed in relation to Equality, Diversity, Cohesion and Integration. In addition, the Communities Team ensures that the wellbeing process complies with all relevant policies and legislation.

**Council Polices and City Priorities**

39. Projects submitted to the Community Committee for wellbeing funding are assessed to ensure that they are in line with Council and City priorities as set out in the following documents:

1. Vision for Leeds 2011 – 30
2. Best City Plan
3. Health and Wellbeing City Priorities Plan

4. Children and Young People's Plan
5. Safer and Stronger Communities Plan
6. Leeds Inclusive Growth Strategy

### **Resources and Value for Money**

40. Aligning the distribution of community wellbeing funding to local priorities will help to ensure that the maximum benefit can be provided.

### **Legal Implications, Access to Information and Call In**

41. There are no legal implications or access to information issues. This report is not subject to call in.

### **Risk Management**

42. Risk implications and mitigation are considered on all wellbeing applications. Projects are assessed to ensure that applicants can deliver the intended benefits.

### **Conclusion**

43. The Finance Report provides up to date information on the Community Committee's budget position.

### **Recommendations**

44. Members are asked to:

- a. To note details of the Wellbeing Budget position (Table 1)

## Outer South Community Committee – Update Report

---

### Purpose of report

1. To bring to members' attention an update of the work which the Communities Team is engaged in, based on priorities identified by the Community Committee. It also provides opportunities for further questioning, or to request a more detailed report on a particular issue.
2. This report provides regular updates on some of the key activities between Community Committee meetings and functions delegated to Community Committees, Community Champions roles, community engagement, partnership and locality working.

### Main issues

Updates by theme:

#### Children and Families: Councillor Wyn Kidger

3. The Children and Families Sub Group took place on **Tuesday 28<sup>th</sup> September 2021** at 10am, the group visited Rethink Food project and saw the great work they do there. The also heard about their Education programme that is currently taken up by 34 Leeds schools.
4. The Children and Families Sub Group recommends a pilot projects to be run in one school each ward of the Outer South.

5. The sub group had updates from Youth Services, a Targeted Services Leader and Cluster Manager and discussed the projects for over the Halloween and bonfire night period.
6. The sub group started planning for the 21/22 Youth Summit.

## **Youth Services Update**

### **Outer South Priorities July – September 2021 : -**

7. Rothwell Ward - Improve social, emotional and mental health & well-being.
8. Ardsley & Robin Hood Ward - Increase the number of children participating & engaging in learning.
9. Morley South Ward – Increase the number of children participating & engaging in learning.
10. Morley North Ward - Increase the number of children participating & engaging in learning.

### **South, South East - All Areas - Action Taken**

11. A summer diversionary programme was offered across most of the South, South East areas, engaging young people in interesting, educational & fun activities. The programme of diversionary activities included full & half day trips, activity days, picnics in parks, zoom sessions & local sessions. Areas that had the holiday programme will refer to parts of the programme delivered. In total nine activity days were delivered across the SSE area engaging over 2700 young people!
12. Youth Work sessions resumed in some buildings where access was permitted, and attendance levels reviewed on a regular basis, Covid secure measures have seen numbers fluctuate and recently most youth work sessions have seen an increase in attendance.
13. Nightly detached & mobile sessions have been delivered in SSE area to encourage young people to participate in positive sessions. Sessions have enabled young people to access support around mental & physical health, C card service and focus on anti-social behaviour within the local community. The young people have been able to utilise the sessions to meet their friends, engaging in educational activities whilst having fun.
14. Outdoor activity sessions have been delivered across wards where building access has been limited or no buildings being available. The Outdoor sessions were initially received well, however as the weather has changed and darker nights move in there are concerns regards the future of these sessions.

15. Weapons Awareness First Aid – Several sessions have been organised and delivered across the SSE area, the sessions focussed on prevention and dealing with wounds aligned to carrying and use of knife use. The sessions were received well with most young people exploring why young people carry knives and made a commitment to NOT carry a weapon.
16. Environmental Work - Young people have been engaging in sessions focussed on environmental work, sessions have included litter picks, painting shelters, bird box building, respecting wildlife, taking litter home and bat spotting. Work has also included sharing information on social media regards use of plastics and access to open water. To thank the young people for their engagement trips have been undertaken to Yorkshire Wildlife Park to further develop awareness of the impact on wildlife.
17. Water Safety work during periods of hot weather, Youth Workers joined up with Police to focus on locations. Education and safety advice provided to young people. Youth Service also engaged with Fire Service to identify locations of new safety devices located on rivers. In July a partnership with the Police seen several locations visited and safety awareness work undertaken.
18. Youth Service SSE have been engaging in Police Tasking & community safety meetings to assist with issues related to young people and focus on what solutions are available. The meetings enable Youth Service to link in with ASB teams, Police & Fire Service and target areas of concern.
19. Youth Service SSE social media accounts have been utilised to promote the work of the SSE team, young people & parents have been accessing Facebook, Instagram & Twitter to identify opportunities in local areas and holiday programmes. The Social media also enables young people to be made aware of on-line service available to support mental Health issues.
20. Below are some of the examples of the work undertaken in each of the wards across the SSE area during July to September 2021 in the Outer South:
  - During July a partnership was formed with West Yorkshire Police to focus on anti-social behaviour and Water Safety, the partnership was a week-long effort to engage with young people. Offer advice and guidance around personal safety when accessing open water and focussing on locations where anti-social behaviour was being reported.
  - Environmental sessions have been delivered across the Outer South area following funding being secured from both the Housing Advisory Panel and the Well-being fund. The sessions have enabled young people to develop their knowledge, skills and contribute to improving the environment in the area. The aim is to develop a regular weekly session that enables young people to engage more in environmental work.
  - Youth Workers offered various trips out during the school summer holidays. These were funded by the YAF via ward Councillors from the Outer South Community Committee. The Outer South Youth Matters group discussed and decided on what trips to offer relevant to age group and areas interests. This

enabled young people to utilise their budgeting skills. The trips chosen were Forbidden Corner, Abseiling & Bouldering and Carlton Lodge Activity Centre in Thirsk. Social media played a huge part in the promotion of these trips; with many young people in attendance who weren't aware of the Youth Service. These young people were also signposted to our weekly evening mobile sessions.

### **Rothwell Ward - Improve social, emotional and mental health & well-being.**

21. Youth Workers have continued to engage with young people on detached/outdoor sessions in areas around the Rothwell ward over this quarter. Youth Workers have discussed issues with groups such as weapons awareness, anti-social behaviour, disability discrimination, equality and diversity, stereotyping, mental health, sexual health, and LGBTQ+ awareness.
22. Young people have enjoyed the good weather while using Springhead park as a meeting place and have participated in a range of activities including archery, football, board games, basketball, Nintendo Switch, visits to the new play equipment area, parachute games, walk and talk, and socialising.
23. Youth Workers also used the Youth Activity Funding awarded by the Outer South Community Committee to take young people on trips during the summer school holidays. These included horse riding, bowling, Yorkshire Wildlife Park, Blackpool Pleasure Beach and a very successful activity day at Woodlesford park.
24. Areas of reported anti-social behaviour in the ward were visited during the Friday evening detached session. These included the Morrison's area, Manor estate in Rothwell, behind Blackburn Hall, Marsh Street car park and mainly Lemonroyd marina /Woodlesford lock due to the warm weather. Discussions around the consequences of their actions took place with the groups of young people. They were also signposted to our outdoor sessions and YAF summer trips. Water safety was discussed with groups hanging around the Marina and Lock areas. Most of the young people spoken to were looking after each other and were respectful of the wildlife.
25. The Rothwell Windmill Management committee paid for the park group to have a picnic as a treat. This was a lovely gesture and the group enjoyed eating and socialising together. The Committee also paid for ice creams from the local park café due the lovely warm evening.
26. The group met with the head of the Youth Service regarding the proposed closure of Windmill Community Centre. They had written to the Head to ask for answers to questions about the closure and what the future held for the centre.
27. The group were respectful, polite, they listened and asked questions and discussed how they felt about the closure and the impact it is having on their lives.

28. When the Head had left, the group were thankful that their initial letter had been responded to in person. However, they were disappointed that they couldn't get a more direct answer as to when it may open or if they could help more to get the building reopened. The group were quite "down" after the meeting as they realised the centre wouldn't be opening and they would have to continue meeting in the park.
29. They fear feeling socially isolated and being unable to access support if they are unable to attend sessions during the winter months.
30. Woodlesford Activity Day was delivered over the Summer period with over 360 young people participating in the day, the event offered a range of inflatable activities, arts & crafts and a consultation on future activities for young people. Feedback from the event was very positive, with many saying more was needed in the Woodlesford area.

### **Ardsley & Robin Hood Ward - Increase the number of children participating & engaging in learning.**

31. Youth Workers were able to engage with young people in the Goldsmiths estate and surrounding areas. Youth Workers had established a group of young people on a Wednesday evening and delivered the work from the mobile unit. Youth workers have worked hard in the area to gain professional relationships in the area with the local community, gaining the trust and respect from the parents in the area. Youth workers have been delivering sports, arts and crafts, board games as well as issue-based work. Youth Workers also focussed on socialising, social distancing and dealing with parental concerns around Covid and its restrictions. Due to local concerns being raised regards the session an alternative site is currently being explored to deliver the session from.
32. Youth workers have been responding to reports from the local community and councillors in the Ardsley and Robin Hood area of young people gathering in the parks by sending the ASB response team out on a Monday night to engage young people in positive activities. Young people were able to share their views on several issues including cannabis use, Covid, ASB and negative stereotypes of young people. Youth workers were able to ensure that young people were fully informed about local youth clubs that have reopened and projects in the local areas.
33. Tingley Youth Club on a Tuesday evening continues to be a big success, since with numbers being permitted to increase Youth Workers have seen a steady flow of young people accessing the service and now having around 30 young people on a night. The open provision enables local young people to access support, have fun, meet new people and engage in both sports & educational activities.
34. An Activity Day was delivered over the summer holiday at the Orchard in Robin Hood, young people and their families enjoyed a fun packed day that was delivered in partnership with the Robin Hood TARA. The event engaged over 200 young people who accessed a range of inflatables, arts and crafts such as t-shirt designing – As per usual this event had a down-poor of RAIN!

## **Morley South Ward – Increase the number of children participating & engaging in learning.**

35. Using Police intelligence, the SSE Youth Work team has been working positively to engage young people in the known “hot spots” areas around the ward. Morley Skate Park, the town centre, Hesketh, Lewisham, Springfield and Churwell Park have been identified and focussed on. The work enables Youth Workers to identify and engage with young people, offer support & guidance and address any anti-social behaviour at the locations. Youth Workers provide the young people with information on local sessions and activities as part of the attempt to reduce further ASB.
36. Morley Morrison’s approached the Youth Service regards the level of young people ASB at the store. Young people were passing on their way home from school and large numbers of young people congregating in the store. Youth Workers were successful in reducing the incidents by asking young people before they entered if they were buying stuff a lot of the young people were not and were asked kindly if they would wait outside. As a result of this interaction Morrison’s is seeing less ASB in the store.
37. Young people are eagerly awaiting the reopening of Lewisham Park Youth Club and are constantly requesting information on the reopening. Youth workers have been holding sessions outside the centre in the park area with limited resources. Young people have advised Youth Workers that the low numbers are due to being able to participate in sports anywhere, “we do not want to speak to Youth Workers outside in front of everyone”, “we will come when our youth club is back open”.
38. The Friday Night Project at Morley leisure centre continues to offer sports, fitness, information and guidance sessions, after the lockdown numbers at this session have been low and the numbers are gradually building. At present average attendance of 15 young people per session.
39. Lewisham Park Activity Days was delivered during the summer holiday period with over 400 young people attend, the event had a range of inflatables, arts and crafts, t-shirt designing, an environment stall where young people could design a plant pot and take away with soil and seeds to grow wildflowers, the Morrison’s Community Champion came and had a stall giving away free sweets and fruit which went down a storm. Feedback from the event was extremely positive.
40. C Card drop-in sessions have been offered on a Monday, Tuesday and Wednesday at Morley Town Hall by the Youth Work team, these sessions enable young people to gain access to the C-card 3 in 1 sexual health and relationship service. Giving young people free confidential sexual health and relationship advice and support as well as a place for young people to access free contraception information and resources.

## **Morley North Ward – Increase the number of children participating & engaging in learning.**

41. Youth Services SSE have been delivering a mobile session at the old library in the Drighlington area, the session is engaging large numbers of young people on a Thursday evening. Young people are engaging well with the Youth Workers. Focusing on sports and mental wellbeing. Discussions around Sexual health, drugs, and Covid have been undertaken. Engagement with the group has found that a lot of these young people come from all different areas as they all attend the same school, Youth Workers have found young people are attending from Bradford, Birstall, Batley, Gildersome and Wakefield.
42. Drighlington Activity Day was delivered as part of the summer holiday programme, the activity day on Drighlington Moor engaged over 300 young people, the event was well received with people booking tickets via Eventbrite. The inflatables, arts & crafts and environment station activities were received well by the local community and feedback from participants and Parish Council was very good.
43. The Outer South Youth Work team have created a new closed youth group for young people who identify as LGBTQ. The new session has been a big success and long overdue in the area. The session gives young people the confidence and support to be who they want to be without fear of repercussions. This group has also identified the need for additional sessions in the outer south area. The LGBTQ group members have named by the sessions as “Morley Pick ‘N’ Mix”. This group is opened to all young people that identify as LGBTQ from all wards.

### **Youth Work Challenges:**

44. Covid 19 – Has continued to create operational challenges, limit on numbers, social distancing measures and limited access including changing testing requirements has led to some sessions being difficult to operate.
45. Explaining and enforcing the ongoing COVID-19 restrictions to young people, in terms of mask wearing in buildings/mobiles and limited group sizes.
46. Staffing vacancies & levels has been difficult, Staff having to self-Isolate, Staff sickness, staff supporting other areas of work and working from home has made this period difficult to offer a full programme.
47. Building access being prevented has resulted in several outdoor sessions, when weather is good the young people have been turning up. However, during poor weather conditions Youth Workers can find no young people want to engage.
48. Large amount of youth ASB requests for service to respond to, with a limited staff team.
49. Volunteers not wanting to return after being stood down due to COVID-19.

50. Lack of toilet facilities for staff while out on detached.

### **Case Study 1 – Outer South – Rothwell**

51. Youth Workers have been supporting one young person with their confidence and to improve their social skills when interacting with young people their own age. Even though the young person was a regular to the outdoor park session, the young person hadn't been permitted by their parent to attend any of the YAF school holiday trips in the past. This was due to being home-schooled and not having many friends their own age.
52. Youth Workers visited parent and discussed how the trips work. The parent was reassured that their child would enjoy the experience and make new friends.
53. The young person booked on to 2 trips over the summer along with another young person they knew from the park sessions.
54. The young person thoroughly enjoyed the trips and asked if they could go on future trips with the Youth Service. The young person did well with the trip ground rules and expected behaviour. They went horse riding which was a brand-new experience for them. They improved their social skills by making friends with some other young people on the trip. They were out of their comfort zone but coped well.
55. The support is on-going from the Youth Workers.

### **Compliments**

56. "I just wanted to say a huge thank you on behalf of Drighlington Parish Council for everything that you and your colleagues are doing for the young people of Drighlington. The event that you put on last week looked to be a massive success with lots of people visiting and kids enjoying the free activities.

I also know that the teens appreciate that you come along each week and do the activities with them near the MUGA and skate park.

Thanks again for everything and happy to offer help support as always." (Cllr Rachel Wood – Drighlington Parish Council).

57. "This has been brilliant today and can't believe it was free!" – parent about Woodlesford Activity Day.

58. Ward Councillors / Police / RSPB ranger thanking the team for the work Youth Workers have been doing to reduce youth anti-social behaviour in the wards.

59. Parent contacted youth workers to say how pleased she is that her son has attended the youth group and holiday project and felt comfortable, he had recently started to

transition from female to male and was worried that he would come up against some discrimination.

60. Parents saying how pleased they are that the youth groups have been able to reopen.

61. “These trips are brilliant value for money, thanks for taking my daughter – parent of young person attending the YAF trips.

62. By a young person: “I just wanted to say thank you for all you have done for me in the past, you helped me more than you can ever know”.

**Break down of what the above reports mean:**

- 65. Bulky: This refers to Bulky collections, which are jobs where residents have requested items to be collected and disposed of from their home address, this shows that there is a high number of residents paying for waste removal from their own homes.
- 66. Fly tipping: This figure shows the number of “S” Street and “E” Enforcement fly tip reports which have come to our team.
- 67. Streets reports relate to the number of jobs which are just general waste dumped with no evidence to enable further Enforcement work (waste is removed and disposed of).
- 68. Enforcement reports are ones where there is evidence obtained or there may be a witness which means further investigation as to possible offenders is required.
- 69. Overgrown vegetation: This are referrals which usually require enforcement officers to contact landowners for them to take action to cut back vegetation causing issues to users of the Highway. Some of these jobs do require our team to cut back vegetation which belongs to LCC.
- 70. Housing communal area clearance: Areas of land which are owned by Housing but are for communal use between tenants, certain areas within Housing stock are maintained by our team due to us taking on the caretaker teams within CNT.
- 71. ## **Neighbourhood Policing Team (NPT) Priorities for each ward**

### **Ardsley and Robin Hood**

#### **Priorities**

105. NPT are working to prevent and disrupt ASB and low-level drug use around the Oats House Croft, Leadwell lane and West Beck area of Robin hood following recent reports from local residents of increased drugs use. NPT will conduct high visibility patrols and take positive action where offences are identified. NPT will work in partnership with Leeds Anti-Social Behaviour Team to deal with persistent perpetrators. NPT will also ask youth services to engage with local youths
106. Patrol and reassure the public regards ASB in the ginnels and alleyways around Old hall Road and Westerton road areas of Tingley due to reports to police and council about youth asb and drugs taking in these areas
107. Residents have raised concerns regards speeding on Station Lane, East Ardsley and along Bradford Road, NPT will run some traffic operation days at these locations using Speed measuring devices and ANPR to identify offenders and use legislation to prosecute them.

## **Updates from October 2021 Priorities**

108. ASB around East Ardsley Rec and Moor Knoll park has seen very few if any calls for service this month, NPT have attended on a regular basis and speak with local youths NPT will continue this work but feel other areas require greater support.
109. NPT have increased our patrols of the new asb priority areas but will remain flexible to respond to demand.
110. NPT ran a speeding operation in the area last week, on the day several people were caught speeding and tickets were issued, they also seized a vehicle for no insurance and reported the driver for summons for the offence. NPT will continue to run this operation on a regular basis.

## **Morley North**

111. Anti-Social To disrupt and engage with nuisance youths, particularly targeting those engaged in Anti-Social Behaviour (ASB) within the local parks in Drighlington, Gildersome and Churwell. NPT will conduct high visibility patrols and where proportionate, use Anti-Social Behaviour Legislation, such as dispersal orders if necessary. NPT will continue to work in partnership with Leeds Anti-Social Behaviour Team (LASBT) and Youth Services to engage positively with those in the parks. NPT are also aware of certain derelict buildings that are being used for ASB in the area. NPT are conducting patrols and dealing with whom and what they find there. NPT will patrol the area around the Gildersome Library after concerns have been raised about ASB in and around that location.
112. To target and take appropriate action against speeding vehicles and illegal off-road motorbikes and quads in and around the Drighlington, Gildersome and Churwell areas paying particular attention to specific roads highlighted by community intelligence. NPT will conduct regular traffic operations including the use of speed measuring equipment to provide road safety advice and prosecute offenders using Road Traffic legislation and, if appropriate, consider the use of Section 59 Police Reform Act warnings and seizures for the more deliberate and serious offences.

## **Updates from October 2021 Priorities**

113. The SID (Speed Indication Device) and the Pro Laser 'Gun', have been deployed at Wakefield Road, Bradford Road, Whitehall Road (Drighlington) and East View at Gildersome. NPT have mainly conducted these mid-morning and mid-afternoon on weekdays, focusing our efforts mid-morning times at the weekends. These are the most relevant times and locations being raised at the most recent PACT meetings by residents. Warning letters have been sent to those who have committed minor infringements. This will be followed up with enforcement in the coming weeks if the problem persists.

114. NPT have been paying attention to the old Arkle Pub site at Springfield Avenue, Morley. They conducted a joint visit with West Yorkshire Fire and Rescue, LASBT and Environment enforcement teams. The site was checked for safety by the Fire service, the window boards being checked for security after the visit also. LASBT assessed the site for any potential legal action against the site owners, should it be required later (in the event the site remains a problem with illegal access for ASB). NPT will continue to patrol and monitor the situation and keep the partner agencies informed of their findings, whilst dealing with any offences they find.
115. NPT have also been patrolling the Old Rugby Club at Drighlington, Wakefield Road is being patrolled. It has been flagged up for a joint visit with partner agencies to conduct an assessment very similar to that as described above for the Arkle.
116. The Ward PCs and the local PCSOs have been conducting patrols in Gildersome to look for HGV vehicles in the exclusion zone. NPT will deal with any such vehicles that are not making a delivery to the village and that they have reasonable grounds to believe are using the village as a cut through in contravention of any weight limits on the relevant roads.
117. NPT are currently gathering intelligence on whom they think is riding illegal off-road motorcycles and quads. As they develop this information to a point, they can legally take action against them, NPT will. NPT have conducted patrols in the area and such motorcycles have made off at speed off road. In these circumstances NPT are relying on specialist departments to come to our aid, such as the off-road bike teams and Roads Policing. There can be a significant delay on the attendance of such teams and the culprits will often escape. So, NPT are working hard to gather intelligence around who these people in your communities are. Someone in our communities will know who the illegal motorbike users are, as they will often cause annoyance to them also. NPT will continue to seek information from the community, which they will treat in confidence and act upon where they have a legal power to do so.

## **Morley South**

118. To disrupt and engage with nuisance youths, particularly targeting those engaged in Anti-Social Behaviour within the local parks. NPT will conduct high visibility patrols and where proportionate, use Anti-Social Behaviour Legislation, such as dispersal orders if necessary. They will continue to work in partnership with Leeds Anti-Social Behaviour Team (LASBT) to engage positively with those in the parks.
119. To target and take appropriate action against anti-social use of vehicles in and around the Morley area paying particular attention to specific roads highlighted by community intelligence. NPT will conduct regular traffic operations including the use of speed measuring equipment to provide road safety advice and prosecute offenders using Road Traffic legislation and, if appropriate, consider the use of Section 59 Police Reform Act warnings and seizures for the more deliberate and serious offences.

120. NPT will continue to act upon community intelligence in relation to the use and supply of drugs.

#### **Updates from October 2021 Priorities:**

121. Our community contact van has a regular booking on Queen Street in Morley Town Centre parked outside Santander. This is every 3rd Saturday and dates are published on our Facebook page. Most recently was the 23rd October 2021.

122. NPT have continued regular high visibility patrols in the parks (Hem Brigg, Scatcherd, Millbeck) engaging with and dispersing youths involved in ASB. NPT have also conducted plain clothes patrols in these areas and will continue to do so. NPT regularly work in partnership with Youth Services in these areas.

123. 1 male has received a Conditional Caution in relation to the production of cannabis. 4 people have been dealt with positively after been found in possession of a variety of drugs including cannabis and nitrous oxide.

124. NPT continue to conduct positive action in terms of road traffic offences and conduct

125. NPT will continue to act upon community intelligence in relation to the use and supply of drugs.

#### **Rothwell**

126. To continue to disrupt ASB and engage with youths causing ASB in and around Commercial street, Rothwell, the town centre and Springhead park. NPT will continue use ASB legislation where necessary to disrupt this behaviour and look to engage with partners to find a long-term solution.

127. NPT will look to tackle speeding and anti-social driving in and around fleet lane at Oulton, they will conduct regular traffic operations including the use of speed measuring equipment to provide road safety advice and prosecute offenders using Road Traffic legislation and, if appropriate, consider the use of Section 59 Police Reform Act warnings and seizures for the more deliberate and serious offences.

#### **Updates from October 2021 Priorities**

128. NPT's community contact van now has a regular booking in the area were our asb is occurring and will be parked outside Morrison's, they visited last week and received a kind welcome from residents many of whom stopped for a chat and some intelligence regards crime was obtained and submitted, the team have continued regular high vis patrols in the area engaging with and dispersing youths involved in asb.

129. NPT have already had the Speed device on fleet lane a couple of times last month and have been there again a few times this month but will continue this work going forward. The team also have plans for additional roads policing units to attend in our priority areas and times with help and funding from local council in the coming months

## **Employment, Skills & Welfare: Cllr Karen Renshaw**

### **Universal Credit**

135. After the success of the Health and Social Care jobs fair in October Employment and Skills are working with, We Care Academy to deliver another. The event will take place on Tuesday 30th November 10am – 3pm at Leeds Kirkgate Market in the event space. There will be over 200 jobs available on the day from a wide range of employers within the sector.

136. **Appendix 2, provides information on publicity leaflet that has gone out on social media.**

## **Health and Wellbeing & Adult Social Care: Councillor Judith Elliott**

### **Public Health Update June 2021**

#### **Covid-19 focused work**

137. Public health is continuing to focus on reducing or eliminating the barriers some communities face in accessing Covid 19 vaccination, alongside work to support 'Living with Covid'. An analysis of vaccine uptake revealed several areas with lower uptake. Measures to assist with access barriers include locating pop-up vaccination sites in community places situated near the residential areas of concern and pop-up women's only vaccine sites, in partnership with Asha.

138. Focused work on exploring the needs of the community to support living with Covid has commenced and will feed into discussions how to maintain covid safety.

### **Winter Planning**

139. The Public Health takes a life course approach and aims to increase the effectiveness of interventions throughout a person's life. It focuses on a healthy start and targets people at critical periods when they are more vulnerable to the effects of cold weather e.g. pregnancy and older age. Cold weather presents risks to certain groups listed below. Living with Covid-19 can add and pose additional risk to those who are clinically and socially vulnerable, including:

- pregnant women
- people living with frailty
- people with long term conditions

- those who are extremely clinically vulnerable
- children under the age of 5

140. Becoming a Workforce Winter Friend: Anybody working or volunteering in Leeds is encouraged to familiarise themselves with the nine evidence based, high impact interventions to support their colleagues, service users, friends and families stay safe. The short 15 minute animation is available to watch here, and is being refreshed for 2021, due to be launched mid-November. It includes information and signposting for influenza vaccines (being updated to include COVID-19 too), checking medications, keeping your home warm, physical activity, hot food and drink, and social connectedness.
141. Winter Wellbeing Checklists: to support winter friends and the wider workforce to have proactive conversations about winter, Winter Wellbeing Checklists are available for adults and for children and families. They are a useful tool to help those 'at risk' of illness due to cold weather access available key support and services.
142. Vitamin D: Around one in five people in the UK have low levels of vitamin D, especially older adults, pregnant and breastfeeding people, infants, and people with darker skin. Vitamin D is essential for good health. It affects people's bones, teeth, and muscles as well as mental health and immune systems. When the clocks go back on Sunday 28th October, there will be shorter hours of daylight and the sunlight won't contain enough UVB radiation for our skin to make vitamin D. Public Health have developed a short animation to promote these key messages as part of the Public Health winter plan.
143. The resources are as follows:
- The short animation: <https://youtu.be/xWHAGS-26aE>
  - Updated information on the PHRC website, including the video and links to other resources (under Eating Well): Public Health Resource Centre
  - Printed copies of the public-facing BDA Fact Sheet available at the PHRC, with easy-read versions in development

## **Morley Town Deal**

144. The Leeds City Council and the Morley Town Deal Board continue to work hard on developing the projects in the Town Investment Plan including developing the business case for submission to Government by March 2022 to secure the funding.
145. Building on the success to date, the Morley Town Deal Board is keen to welcome new members. Those interested in supporting this major regeneration opportunity for the town can email [MorleyTownDeal@leeds.gov.uk](mailto:MorleyTownDeal@leeds.gov.uk) for an application form to return by 30th November 2021.
146. **Appendix 3** provides information on recruitment advert that has gone out on social media.

147. The ideas, suggestions, and feedback of local people were key to the projects that were included within the Town Investment Plan and the views of local people are really important as projects develop. This month users of the Town Hall are being asked their views and thoughts about the building and feedback is being sought on a Public Realm Strategy for Morley. A drop-in information event is being held at Morley Town Hall on Thursday 25 November between 1pm and 6pm where there will be an opportunity to view the plans and talk to the team.

148. There will be chance to find out more, comment and feedback on both engagements at <https://morleytowndeal.commonplace.is/> and further public consultation is planned early next year.

### **Community Centres Sub Group: Councillor Bob Gettings**

149. The Community Centres Sub Group along with include representatives from Facilities Management, Asset Management, the Communities Team and Local Ward Councillors travelled around the following centres on Tuesday 19th October 2021:

- Morley Town Hall
- Lewisham Park Youth Centre
- Gildersome Meeting Hall
- Windmill Youth Centre
- Blackburn Hall
- Rothwell Council Offices
- Saint Gabriel's Youth Centre
- Tingley Youth and Community Centre

150. Following the reopening of Community Centres in the Outer South usage has continued to grow. Although the amount of usage is not back to pre-covid levels at all centres, a number of hirers are delaying until after Christmas and it is hoped that the picture will improve further in the new year. There have been some teething problems during the re-opening process following a large turnover of staff amongst teams dealing with daily operation of community centres. This has now stabilised, and close monitoring will take place of operations going forward.

### **Community Engagement: Social Media and Newsletter**

151. **Appendix 4**, provides information on posts and details recent social media activity for the Outer South Community Committee Facebook page.

## Updates from Key Services

### Community Hubs and Libraries Update

#### Job shops

152. As reported previously Rothwell & Morley Community Hubs are now running a Job shop Services on a Monday and Tuesdays 9 till 5 for a temporary period of time from the 19th July.

153. Starts (no of customers registered) and outcomes (no of people into work) so far are as follows:

- Jobshop starts- Rothwell- 5 / Morley- 17
- Jobshop outcomes- Rothwell- 0 / Morley- 3
- JESP starts- Rothwell- 2 / Morley- 7
- JESP outcomes- Rothwell- 0 / Morley- 2

154. \*JESP is the Jobshop Employment Support Programme. A European Funded programme where our Jobshop staff support customers for up to 6 months to provide intensive support to break down barriers to employment to move them nearer to the labour market. Once in employment a further 6 months of 'in work' support is provided. Eligibility is a person cannot be in work and must pay their Council Tax in the Leeds ward

#### New Opening hours

155. From Monday 1st November our sites have new and increased opening hours as follows:

- Morley & Rothwell Community Hub & Library – Mon, Thurs and Fri 9 - 5, Tue 10 - 5, Weds 9 - 7 and Sat 10 - 4
- Ardsley & Tingley Library – Mon 10 – 1 & 2 – 5, Weds 10 – 1 & 2 – 6, Fri and Sat 10 -

156. To note all our sites are now fully open with no restrictions to the numbers of people allowed in our public areas. Hubs are now opening their sites to resume partner surgeries and courses. Morley will be resuming it's 'Pathways' surgeries on Tuesday and Friday afternoons 1.30 till 4.30 from 1st November and Rothwell has now reinstated it 'Spanish' classes on Wednesday evenings. More will follow and will update in the next 'Outer South' report.

## **Housing Leeds**

### **Housing Management Area Update**

#### **Staffing Changes**

##### **Ardley & Robin Hood and Rothwell**

157. Ben Scholes – Housing Manager replacing Piers Donno Fuller who has moved to LHO. Ben comes in with lots of experience having managed Meanwood for several years. Rothwell has now merged with Garforth into a single Housing Management area; so Ben also manages two offices which previously had their own Housing Managers. His experience was a key factor in the decision to bring him over following Piers' departure.
158. Becki Field – Team Leader replacing Louise foster
159. Katie King – part time Housing Assistant from Talent Pool – saved a redundancy
160. Claire Popplewell – full time Housing Assistant employed externally
161. Recruitment is ongoing for a full time and 21 hour Housing Officer.

##### **Morley North and South**

162. Darren Parker – Housing Manager
163. Morley office has now merged with Middleton as part of covid-19 cost savings responsibility. This means the Housing Manager oversee two offices which previously had their own Housing Managers, and whilst this brings its own challenges, Darren is delighted to say that both teams have really stepped up and are sharing knowledge and skills with their counterparts – which in turn is enhancing the quality of service they are able to provide.

##### **Environmental Work**

164. Social distancing has now ended so officers can now return to the office at full capacity. However, the service has taken stock of the lessons learned during Covid-19, and as it has been proved staff are able to deliver services while working from home housing have adopted a 'hybrid model' which sees a blend of working from home and the office. Housing is currently in the process of implementing this into their teams, with all staff having some level of office-based working depending on their role.
165. Housing teams are out on the estates and their focus over the previous quarter has been on garden inspections. It was important to suppress any issues before they arose whilst also dealing with existing issues before they got worse, and the team have funded a number of local garden clearances from our environmental budget to assist those who are genuinely struggling to maintain their gardens and just need their slates wiping clean. For those cases the officers have been sure to implement regular

support to prevent a recurrence of the issue, and these include gardens on Albert Drive, Asquith Close, Third Avenue and Cherry Tree Walk. For those gardens where there is no evident support need, enforcement action is underway. As we come out of the growing season, they must remain vigilant to keep our estates looking in top condition, so inspections will continue moving into Christmas.

166. Risk assessments for all housing management tasks are now in place – including a risk assessment for crossing the threshold and visiting a tenant, however this is only after all other contact methods have been exhausted. The focus remains on limiting potential exposure to the virus by reducing face to face duties wherever possible.

167. Housing Officers are grouping estate visits together into one inspection and maximising what can be done in a single visit as opposed to multiple trips to the estate. This in addition to the quarterly Estate Walkabouts.

## **CX**

168. Housing have migrated to a new back office system, and as of yet they do not have any performance information to share. The migration to CX is a significant challenge for the service and has inevitably led to some disruption across the service as teams get familiar with the system, but housing focus remains on supporting its residents through the post-covid fallout; particularly as the £20 weekly UC ‘uplift’ comes to an end.

## **Outer South Housing Advisory Panel (OSHAP)**

### **Quarter 1 2021/22 Tenant Engagement Report for Community Committee**

#### **TARA activities:**

169. The Outer South Tenant Engagement Officer (TEO) is in contact with TARAs / Community Groups via email and phone calls. Two TARAs have held public meetings: Rothwell TARA and Winthorpe TARA (Ardsley and Robin Hood). Stanhope Gardens Community Centre CIO (Ardsley and Robin Hood) is investigating public meetings and they have completed their Annual Support Review. The TEO is attending coffee mornings at Temple Lawn Community Centre on the John O’ Gaunts estate in Rothwell from time to time.

#### **HAP activities:**

170. There was one OS HAP meeting in this reporting period: 28th September 2021 and the TEO is currently working on 21 bids.

171. At the 28th September OS HAP meeting the Housing Leeds’ Performance report was provided by Darren Parker (the Morley and Middleton Housing Manager).

172. The TEO reported that at the end of OS HAP meeting in May 2021 there was £32,652.10 remaining in the OS HAP budget.

173. The panel discussed the OS\_14\_2122: OS Foodbank bid (3 foodbanks covering Morley north and south, Ardsley and Robin Hood) for £7,000.00 with no match funding and unanimously voted in favour of funding the project for £4,500.00. The panel will invite the applicant back to the January 2022 OS HAP meeting to see if the balance of the funding is still needed to support the three foodbanks to the end of the financial year. They will then decide whether to provide this in full, part fund or reject it.

174. This left £28,152.10 in the OS HAP budget. More details of the budget / bids in relation to the 4 funding priorities and the OS wards are below:

Budget Summary Sheet 2021/22 Outer South		Totals	2021/22 Budget Expenditure	HAP themes	Number of projects submitted	Number of projects approved	Amount Committed by Panel	% committed

				<b>Outer South Total</b>	<b>22</b>	<b>3</b>	<b>£ 8,387.50</b>	<b>22.95%</b>

175. The next OS HAP meeting is on Tuesday 30th November 2021 from 1:30pm.

176. Collaborative working with the Community Committee continues to be an important objective for the OS HAP. This partnership continues to work well, ensuring tenants and residents benefit whilst making best use of available funds. The OS HAP and Community Committee look for best value for money as using money wisely remains central to benefit all OS communities. The TEO and Localities Officer are in regular contact regarding community activities across all 4 wards.

### Community Payback (CP) update:

177. A Service Offer is not in place, despite great efforts by the SLT and the management of CP. This is because Interserve, the organisation that was responsible for CP, went into liquidation and CP has returned to a Gov. dept.

178. At present a CP team leader can travel to a site and find only one Probationer turns up to work when a of team of 6 to 8+ - or more - are needed.

179. CP can't use their buses at present, so all Probationers need to travel to / from their own homes to sites – which is affecting attendance / projects.

180. Identifying venues for CP teams to have comfort breaks when working in OS communities continues to be challenging.

181. Nevertheless:

- Officers continue to make referrals to CP and there is a back log of work.
- Housing Managers prioritise the referrals in terms of importance.

## **Corporate Considerations**

### **Consultation and Engagement**

182. The Community Committee has, where applicable, been consulted on information detailed within the report.

### **Equality and Diversity/Cohesion and Integration**

183. All work that the Communities Team are involved in is assessed in relation to Equality, Diversity, Cohesion, and Integration. In addition, the Communities Team ensures that the wellbeing process for funding of projects complies with all relevant policies and legislation.

### **Council Polices and City Priorities**

184. Projects that the Communities Team are involved in are assessed to ensure that they are in line with Council and City priorities as set out in the following documents.

1. Vision for Leeds 2011 – 30
2. Best City Plan
3. Health and Wellbeing City Priorities Plan
4. Children and Young People's Plan
5. Safer and Stronger Communities Plan
6. Leeds Inclusive Growth Strategy

### **Resources and Value for Money**

185. Aligning the distribution of community wellbeing funding to local priorities will help to ensure that the maximum benefit can be provided.

### **Legal Implications, Access to Information and Call In**

186. There are no legal implications or access to information issues. This report is not subject to call in.

### **Risk Management**

187. Risk implications and mitigation are considered on all projects and wellbeing applications. Projects are assessed to ensure that applicants can deliver the intended benefits.

## **Conclusions**

188. The report provides up to date information on key areas of work for the Community Committee.

## **Recommendations**

189. The Community Committee is asked to note the content of the report and comment as appropriate.

## **Background documents<sup>1</sup>**

190. None

**Outer South Community Committee**

Since 8<sup>th</sup> September 2021 the Outer South Community Committee Facebook page has gained: **13 new page 'likes'** (and currently has) **1,135 followers**.

This means that this is the **fourth** most popular Community Committee page.

There are two things to note in general:

- 'reach' is the number of people the post was delivered to
- 'engagement' is the number of reactions, comments or shares

Engagement tends to be a better way of gauging if people are interested and have read the posts because they wouldn't have interacted with it otherwise. For example, a post might reach 1,000 people but if they all scroll past and don't read it, the engagement is 0 and it hasn't been an effective way for the Community Committee to communicate.

Having said that, all posts can be read without any further interaction!!

The most popular post since the **8<sup>th</sup> September 2021** the posting regarding: **Outer South Community Committee Meeting**

- has been shared **4 times**

## **COVID-19 Facebook Groups**

The Communities Team have set up **33** ward based **Coronavirus Help Facebook Groups** as a way of promoting services, supporting communities and cascading information in an attempt to tackle the Coronavirus pandemic. Key charities, voluntary groups, community groups, Councillors, as well as the wider population in the local community are all invited to join the pages.

As well as key messages from the main Leeds City Council Facebook Page being used to deliver information to each ward, the pages are also there to generate discussion and debate but also hopefully facilitate conversations around being neighbourly during the national pandemic and assist if possible in some of the volunteering efforts.

To date, **Ardley & Robin Hood** has **169** members, **Morley North** has **213** members, **Morley South** has **65** members and **Rothwell** has members **79**.

The committee is asked to note the specific **Coronavirus Facebook Ward Pages** and are invited to join the pages in an attempt to increase traffic.
