Finance Update Report

For Decision

Purpose of report

- 1. This report provides the Community Committee with an update on the budget position for the Wellbeing fund for 2018/19, and the current position of the Small Grants and Skips pot, and the small grants and skips which have been approved since the last meeting.
- 2. This report also provides an update on the Youth Activity Fund and the Youth Activity Fund projects which have been approved since the last meeting.
- 3. Also attached at appendix 1 is the Finance Statement which provides Members with details of the current financial and monitoring position of the Wellbeing Fund and the Youth Activity Fund.

Main Issues

4. The Wellbeing Fund Large Grant programme supports the social, economic and environmental wellbeing of a Community Committee area by funding projects that contribute towards the delivery of local priorities. A group applying to the Wellbeing fund must fulfil various eligibility criteria including evidencing appropriate management arrangements and finance controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equality and diversity; and be unable to cover the costs of the project from other funds. Projects eligible for funding could be community events; environmental improvements; crime prevention initiatives or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010 projects funded at public expense should provide services to citizens irrespective of their religion, gender (including Trans), marital status, race, ethnic origin, age, sexual orientation or disability; under the Public Sector Equality Duty the Council must

have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations between different people when carrying out their activities. Funding for projects specifically targeted at certain groups is allowed under the Equality Act provided there is a clear evidence base for doing so (such as activities to promote women's health through sport projects or a project targeted at people with hearing impairments, or one for new migrants to help integration); further advice on these can be given on a case by case basis if required. The fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.

- 5. Community Committees have a delegated responsibility for the allocation of area Wellbeing funding. The amount of Wellbeing funding provided to each committee is calculated using a formula agreed by Council taking into consideration both population and deprivation of an area.
- 6. The Outer North West Community Committee operates a pre-sift process for Wellbeing fund applications. This involves discussions with appropriate ward members for that particular project in the context of the current area priorities; where projects do not have support from all three ward members they are not progressed. All applicants are offered further discussions and feedback if helpful. In order to provide further assurance and transparency to all applicants where schemes do not garner support these will be reported to a subsequent Community Committee meeting for noting.
- 7. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of Wellbeing and Youth Activity budgets, and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Committee. Concurrently with the Committee, designated officers have delegated authority from the Director of Communities and Environment to take such decisions.
 - The Community Committee has previously approved the following 'minimum conditions' in order to reassure Members that all delegated decisions would be taken within an appropriate governance framework, with appropriate Member consultation and only when such conditions have been satisfied:
 - a. consultation must be undertaken with all committee/relevant ward members prior to a delegated decision being taken;
 - b. a delegated decision must have support from a majority of the community committee elected members represented on the committee (or in the case of funds delegated by a community committee to individual wards, a majority of the ward councillors), and;
 - c. details of any decisions taken under such delegated authority will be reported to the next available community committee meeting for members' information.

8. Budget Statement 2018/19

43. Wellbeing Budget – Capital Receipts Programme

- 44. At its meeting on 17th July 2013, the council's Executive Board approved that future CRIS receipts available for allocation across wards, be allocated to the Community Committees based on the existing area wellbeing needs based formula.
- 45. As the capital programme is a 4 year rolling programme, existing funding will be rolled forward to 2018/19 under the current arrangements.
- 46. Table 4 provides details of the amount of capital available to spend in 2018/19 per ward including the new allocation from March 2018

Allocation currently available	£18,389	£16,765	£3,467	£16,394

47. Community Infrastructure Levy (CIL)

On the 21St October 2015 the council's executive board approved a process for the allocation of CIL in Leeds. Any planning application approved prior to the 6th April 2015 do not qualify for a CIL contribution. As part of this payment schedule, Leeds City Council retains up to 70-80% centrally, 5% for administration and 15-25% goes to a Community Committee or the relevant Town or Parish Council. This 15-25% of the CIL receipt (25%if there is an adopted neighbourhood plan, 15% if there isn't) is known as the 'Neighbourhood Fund'. In the absence of a Town or Parish Council, the Neighbourhood Fund element of CIL is allocated to the Community Committee.

48. The Community Committee have previously agreed that any funds raised through CIL is retained by the ward or parish in which it is generated.

49. Corporate Considerations

Consultation and Engagement

50. The Community Committee has previously been consulted on the projects detailed within the report. Local priorities are set through the Community Committee Plan process and the commissioning round began with a communication to all Community Committee contacts.

Equality and Diversity / Cohesion and Integration

51. All Wellbeing funded projects are assessed in relation to Equality, Diversity, Cohesion and Integration.

Council polices and City Priorities

- 52. Projects submitted to the Community Committee for Wellbeing funding are assessed to ensure that they are in line with Council and City priorities as set out in the following documents:
 - Vision for Leeds 2011 30
 - Leeds Strategic Plan
 - Health and Wellbeing City Priorities Plan
 - Children and Young People's Plan
 - Safer and Stronger Communities Plan
 - Regeneration City Priority Plan

Resources and value for money

53. Aligning the distribution of Community Wellbeing funding to local priorities will help to ensure that the maximum benefit can be provided.

In order to meet the Community Committee's functions (see Council's Constitution Part 3, section 3C), funding is available via Wellbeing budgets.

Legal Implications, Access to Information and Call In

54. There are no legal implications or access to information issues. This report is not subject to call in.

Risk Management

55. Risk implications and mitigation are considered on well-being applications. Projects are assessed to ensure that applicants are able to deliver the intended benefits.

Conclusions

56. The Outer North West Community Committee Wellbeing Fund provides an important opportunity to support local organisations and drive forward improvements to service. This report provides members with an update on the Wellbeing programme for 2018/19.

Recommendations

- 57. The Outer North West Community Committee is asked to:
 - Note the current budget and monitoring position for the Wellbeing Fund for 2018/19 (Table 1) and attached at appendix 1.
 - Members are asked to review the minimum conditions as set out in above section 7, consider whether any amendments are required and approve such conditions for operation in 2018/19. These conditions would need to be satisfied prior to an urgent delegated decision being taken in between formal Community Committee meetings in respect of the administration of Wellbeing and Youth Activity budgets and also the use of the CIL Neighbourhood Fund which has been allocated to the Committee.
 - Consider the new Wellbeing large grant applications detailed at section 13 25.
 - Note the small grants and skips remaining budget (Table 2) and those small grants and skips that have been approved since the last meeting (Table 3).
 - Note the current budget position for the Youth Activity Fund for 2018/19 item 29 and appendix 2
 - Consider the new Youth Activity Fund applications detailed at section 33 42.
 - Note the current budget position for the Capital Wellbeing Fund for 2018/19(Table 4).

Community Committee Appointments 2018/2019

Purpose of report

- 1 The purpose of this report is to note the appointment of Councillor Paul Wadsworth as Chair of the Community Committee for 2018/19 as agreed at the recent Annual Council Meeting, and also to invite the Committee to make appointments to the following, as appropriate:-
 - Those Outside Bodies as detailed at section 19 / Appendix 1 of this report;
 - One representative to the Corporate Parenting Board;
 - Community Committee Champions, as listed; and
 - Those Children's Services Cluster Partnerships, also as listed.

Main issues

1. Noting Appointment of Community Committee Chair for 2018/19

- 2. Members are invited to note the appointment of Councillor Paul Wadsworth as Chair of the Community Committee for 2018/19, as agreed at the recent Annual Meeting of Council.
- 3. Appointments to Outside Bodies
- 4. Member Management Committee annually determines which Outside Bodies will be delegated to Community Committees for appointment. Attached at Appendix 1 are those organisations.

5. Appointments to Community Committee 'Champions'

6. The Constitution requires that Community Committees appoint Member 'Champions' in several designated areas. Currently, these areas are: 'Environment & Community Safety'; 'Children's Services'; 'Employment, Skills & Welfare'; and 'Health, Wellbeing & Adult Social Care'; and Transport.

7. Appointments to Children's Services Cluster Partnerships

8. Previously, Member Management Committee has resolved that the nomination of Elected Member representatives to the local Children's Services Cluster Partnerships be designated as a 'Community & Local Engagement' appointment, and therefore be delegated to Community Committees for determination.

9. Appointment to Corporate Parenting Board

10. In recent years Community Committees have been used as the appropriate body by which local Elected Member representatives are appointed to the Corporate Parenting Board.

Options

9. Outside Bodies

- 10. The Community Committee is invited to determine the appointments to those Outside Bodies as detailed within section 19 / Appendix 1. The Council's Appointments to Outside Bodies Procedure Rules can be made available to Members upon request, however, a summary of the rules can be found at sections 11-16:
- 11. The Community Committee should first consider whether it is appropriate for an appointment to be of a specific office holder¹ either by reference to the constitution of the outside body concerned (if available), or in the light of any other circumstances as determined by the Community Committee. Such appointments would then be offered on this basis.
- 12. Nominations will then be sought for the remaining places, having regard to trying to secure an overall allocation of places which reflects the proportion of Members from each Political Group on the Community Committee as a whole.
- 13. All appointments are subject to annual change unless otherwise stated within the constitution of the external organisation, which will therefore be reflected on the table at Appendix 1. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Council Meeting.
- 14. Elected Members will fill all available appointments but it is recognised that Political Groups may not wish to take up vacancies which are made available to them. In such circumstances, vacancies will be notified to the Community Committee and agreement sought as to whether the vacancy will be filled.

¹ For example it may be considered necessary or otherwise appropriate to appoint a specific Ward Member

- 15. A vacancy occurring during the municipal year will normally be referred to the Community Committee for an appointment to be made, having regard to the principles described above.
- 16. Community Committees may review the list of organisations to which they are asked to make appointments at any time and make recommendations to Member Management Committee.
- 17. Please note, any appointments to those Outside Bodies detailed in Appendix 1 / section 19 which are made by the Committee at today's meeting are subject to Member Management Committee approving at its first meeting of the municipal year, that arrangements for such appointments remain unchanged and that they continue to be made by this Community Committee.

18. Outside Body Appointments 2018/2019

- 19. This year there are four appointments which are due for review/determination in relation to the following organisations:-
 - Bramhope Youth Development Trust
 - Horsforth Live at Home Scheme
 - Prince Henry's Grammar School Foundation Governors
 - Rawdon And Laneshaw Bridge Trust

Appendix 1 notes the previous appointment

Local Housing Advisory Panels

20. As was the case in 2017/18, a dedicated report regarding Elected Member representation on the Local Housing Advisory Panels can be found elsewhere on the agenda.

21. Community Committee 'Champions'

- 22. The Community Committee Champions role aims to provide a local "lead" perspective and further facilitate local democratic accountability; particularly in conjunction with the relevant Executive Member. It is formally defined as covering the following areas:
 - To provide local leadership and champion the agenda at the Community Committee.
 - To represent the Community Committee at relevant meetings, forums and local partnerships.
 - To build links with key services and partners.
 - To provide a link between the Community Committee and the Executive Member to ensure local needs are represented, issues are highlighted, best practice is shared and to facilitate local solutions to any issues.
 - To maintain an overview of local performance.
 - To consult with the Community Committee and represent local views as part of the development and review of policy.
- 23. As set out in the Constitution, the Community Committee is invited to appoint to the following Community Lead Member roles, in respect of:
 - Environment & Community Safety

- Children's Services
- Employment, Skills and Welfare
- Health, Wellbeing and Adult Social Care
- Transport
- 24. Given that these roles may need to be tailored to best reflect specific local needs and circumstances, Community Committees may wish to consider splitting two of the roles namely:
 - Environment & Community Safety with one Member focusing on the environment agenda and another on community safety.
 - Health, Wellbeing and Adult Social Care with one Member covering the public health and wellbeing agenda and another focusing upon adult social care.

25. Corporate Parenting Board

- 26. Under the Children's Act 1989, all local Councillors are corporate parents, this means they have responsibilities relating to the quality of services for those children who have been taken into care by the local authority (children looked after).
- 27. Executive Board has previously agreed a clearer framework for the corporate parenting role in Leeds. This included establishing a core group of councillors with a special interest in leading the work on Corporate Parenting the 'Corporate Parenting Board'. This core group includes representation from each of the 10 Community Committees and takes particular responsibilities relating to influencing, performance monitoring, and governance of those issues and outcomes that affect looked after children.
- 28. In February 2015, Executive Board approved a report that proposed a number of developments to enhance the Corporate Parenting Board, including a better link to the 'Care Promise' for looked after children and more regular involvement from senior leaders and partners both within and outside of the Council. The Board considers information including fostering services, residential care, looked after children's educational attainment and their voice and influence across the city. Representatives are asked to link back to local looked after children's issues through their Community Committee and champion the importance of effectively supporting those children. This is an important role within the overall framework of support and accountability for looked after children's services. The March 2015 Ofsted report for Leeds highlighted the positive benefits and impact of the Board's work.
- 29. The Community Committee is asked to appoint one representative to the Corporate Parenting Board for the duration of the 2018/19 municipal year. The Committee may consider it appropriate to combine the role with that of the Committee's Children's Services 'Champion'.
- 30. It should be noted that membership of the Corporate Parenting Board is encouraged for any Elected Members with a particular interest in the outcomes of looked after children, therefore whilst each Community Committee is asked to appoint one Member (to ensure an even geographic spread), it is possible for additional Members to participate. Therefore, additional Members with a particular interest are advised to approach the Chair of the Corporate Parenting Board, or make the relevant officers aware.

31. Children's Services Cluster Partnerships

32. Clusters are local partnerships that include, amongst others: the Children's Social Work Service, schools, governors, Police, Leeds City Council youth service, Youth Offending Service, Children's Centres, Housing services, third sector, health, local elected members and a senior representative from children's services. Local clusters are key to the Children & Families Trust Board partnership and delivery arrangements.

33. They aim to:

- enable local settings and services to work together effectively to improve outcomes for children, young people and their families;
- build capacity to improve the delivery of preventative and targeted services to meet local needs;
- create the conditions for integrated partnership working at locality level;
- promote the Children & Young People's Plan and the ambition of a child friendly city across the locality.
- 34. A "well-coordinated locality and cluster approach results in early identification and extensive work with families according to need." (Ofsted report, March 2015).
- 35. Clusters began life as extended services for schools and have grown to engage a wide range of partners who provide early help and early intervention and prevention. In April 2011, the Children & Families Trust Board and Schools Forum agreed the adoption of a minimum standard for the terms of reference across the cluster partnerships, which included elected members as standing members of the governance group for each partnership.
- 36. Elected Members also sit alongside a senior leader (Local Authority Partner) from the Children's Services directorate to be part of the Council's representation on each cluster partnership.
- 37. In June 2013 Member Management Committee delegated the nomination of Elected Member representatives to local Children's Services Cluster partnerships to Community Committees. This was with the aim of establishing a clear formal link between those Committees and Clusters. It was also with the intention of building closer working arrangements to better support the needs children and families across the city.
- 38. The Committee is invited to nominate Members to each cluster partnership within their area for the 2018/19 municipal year. The table below sets out the suggested numbers, Ward links and current representation as a basis for discussion:

Cluster	Number of Elected Members suggested	Suggested Ward link	Current Elected Member Representation
Horsforth	1	North West (Outer) Horsforth	D COLLINS
ESNW (Extended services north west: Weetwood, Adel and Wharfdale)	2	North West (Outer) 1 Adel and Wharfedale	B FLYNN

		North West (Inner) 1 Weetwood

Corporate considerations

a. Consultation and engagement

This report facilitates the necessary consultation and engagement with Community Committee Members in respect of appointments to the designated positions and Outside Bodies. Given that the Community Committee is the relevant appointing body, there is no requirement to undertake a public consultation exercise on such matters.

b. Equality and diversity / cohesion and integration

Both the Community Committee Champion roles and the Corporate Parenting role aim to champion, address and monitor issues arising in their respective fields, whilst also providing clear links with the relevant Executive Member, Council officers and partner agencies. As such, these roles would also look to address any equality, diversity, cohesion or integration issues arising in their specific areas.

Also, Council representation on Outside Bodies and Children's Services Cluster Partnerships will enable those appointed Members to act as a conduit in terms of promoting the Council's policies and priorities. As such, this would potentially include matters relating to equality, diversity, cohesion or integration.

c. Council policies and city priorities

Council representation on, and engagement with those Outside Bodies, partnerships and organisations to which the Community Committee has authority to appoint, is in line with the Council's Policies and City Priorities.

d. Legal implications, access to information and call in

In line with the Council's Executive and Decision Making Procedure Rules, the power to Call In decisions does not extend to those decisions taken by Community Committees.

e. Risk management

In not appointing to those Outside Bodies or Cluster Partnerships listed within the report, there is a risk that the Council's designated representation on such organisations would not be fulfilled.

Conclusion

39. The Community Committee is asked to consider and determine the appointments to those designated Outside Bodies, partnerships and organisations as detailed within the report and appendix.

Recommendations

- 40. The Community Committee is asked to consider and confirm appointments to the following:-
 - (i) The Elected Member representatives to work with the Outside Bodies identified above/at Appendix 1, or agree any changes to the schedule, having regard to the Appointments to Outside Bodies Procedure Rules, as summarised in this report;
 - (ii) Member representatives to those Community Committee Champion roles, as listed;
 - (iii) Member representatives to the local Children's Services Cluster Partnerships relevant to the Community Committee, as listed; and
 - (iv) One Member representative to the Corporate Parenting Board. (Further Members can be involved in the Corporate Parenting Board, should they wish please see section 30 for further details).
- 41. The Committee is also invited to note the appointment of Councillor Paul Wadsworth as Chair of the Community Committee for the duration of 2018/19, as agreed at the recent Annual Meeting of Council.

Agenda Item 10

Report of: Jill Wildman, Chief Officer Housing Management

Report to: Outer North West Community Committee, Adel and Wharfedale, Horsforth, Guiseley and Rawdon and Otley and Yeadon Wards.

Report author: Ian Montgomery, Service Manager – Tenant Engagement 07891 271612

Date: 25 June 2018 For decision

Community Committee nominations to Housing Advisory Panels (HAP)

Purpose of report

1. To seek Ward Councillor nominations from the Outer North West Community Committees to the Outer North West Housing Advisory Panel (HAP)

Main issues

- 2. There are 11 HAPs across the city, in geographical alignment with Community Committee's, with the exception of the East Inner Community Committee which is split into two HAPs due to the large number of Council homes.
- 3. During 2017/18, Housing Leeds undertook a review of HAPs that included the views of Ward Members, tenants and others. A key theme of the review was to explore how HAPs can work more closely with Community Committees.
- 4. Ward Members play an important role in helping the HAPs undertake their role and helping tackle shared local priorities, this may include:
 - a. Sharing with local HAPs the Community Committee priorities, giving updates about key pieces of work or projects that the HAP may be able to help support.

- b. Helping the HAP establish their priorities, sharing local knowledge and insight about local community or environmental issues.
- c. Encouraging tenants on the HAP to be involved and contribute to Community Committee meetings and workshops.
- d. When appropriate, helping join up HAP funding with local Community Committee funding and other funding sources.
- e. To support the overall focus on the community, helping bring Tenant Engagement forums together with Community Committee led activity.
- 5. Community Committees in their June 2018 round of nominations are therefore requested to:
 - a. Nominate up to 1 Ward Member per Ward within the HAP area (with the exception of Outer East which has 1 Ward, where 2 nominations from the same Ward are welcomed).
 - b. To undertake the above on the basis that all nominations are for full members, with HAP voting rights.
 - c. Take into account the number of Council homes in each Ward. For Wards with relatively few Council homes nominations are sought on an optional basis (see Appendix 1)
- 6. Council nominations to the panel will continue to help develop local working relationships, especially between the local housing teams, the Tenant Engagement Service and the local Communities Teams.

Corporate considerations

7.

a. Consultation and engagement

This report facilitates the necessary consultation and engagement with Community Committee Members in respect of appointments to the designated positions and Outside Bodies. Given that the Community Committee is the relevant appointing body, there is no requirement to undertake a public consultation exercise on such matters

b. Equality and diversity / cohesion and integration

Council representation on Housing Advisory Panels enables those appointed Members to act as a conduit in terms of linking the Council's policies and priorities. It also encourages joint working between services to support local projects; these would potentially include matters relating to equality, diversity, cohesion or integration.

c. Council policies and city priorities

Council representation on, and engagement with Housing Advisory Panels, to which the Community Committee has authority to appoint, is in line with the Council's Policies and City Priorities.

d. Resources and value for money

Council representation on the HAPs encourages closer working relationships, in particular the opportunities for the joint funding of projects that meet local needs.

e. Legal implications, access to information and call in

In line with the Council's Executive and Decision Making Procedure Rules, the power to Call In decisions does not extend to those decisions taken by Community Committees.

f. Risk management

In not appointing to the HAPs, there is a risk that the Council's designated representation would not be fulfilled and the opportunities and benefits to local tenants and residents not maximised.

Conclusion

8. The Housing Service is seeking nominations to the Outer North West Housing Advisory Panel. Community Committees are requested to nominate up to 1 Ward Councillor per Ward within the HAP area. The nominations to the HAPs will continue to help the service build positive working relationships with the Committee and to ensure local priorities are reflected in panel activity.

Recommendations

9. The Outer North West Community Committee is requested to nominate up to 1 Ward Member from each of the four Wards within the HAP area.

Background information

- The key functions of Housing Advisory Panels remain in principle the same as during 2017/18, and are to:
 - Be aware of the needs of local communities and wider Council priorities and use HAP funds to support a range of community and environmental projects that help support these.
 - Work with local housing and other Council teams to help review and monitor the delivery of local services and help shape services that meet the local communities needs.
