

Project Board Lead
Liz Cook

Housing Advisory Board
High Rise Advisory Group

Project Manager: Martyn Long **Neighbourhood Services Lead: Mandy Sawyer**

Housing Management
Lead: Dave Longthorpe

- Define role and purpose of blocks
- Housing management models/operations
- Tenant Involvement
- Community Safety
- Environment and Waste
- Sheltered/Older People

Repairs and Maintenance
Lead: Tony Butler

- Develop a more coordinated approach to repairs and maintenance in line with agreed High Rise Strategy and Investment Strategy.
- Develop a core repairs and maintenance model for all blocks, and an enhanced repairs and maintenance model for blocks for specialist tenant groups, e.g. sheltered, young people.
- Develop a clear process for managing repairs and maintenance within internal and external communal areas, e.g. standard repairs inspection process which actively manages repairs and maintenance to communal areas.

Investment
Lead: Mark Grandfield

- 10 year investment programme for high rise agreed with P&C that meets needs set out in High Rise Strategy.
