Outer North East Wellbeing and Youth Activity Fund budgets

Purpose of report

1. The report provides Members with an update on the current position of the Outer North East Community Committee's budgets and sets out applications for Wellbeing Revenue Funding and Youth Activity Funding for consideration by the Community Committee.

Main issues

2. Wellbeing Revenue – the amount of revenue funding for each Community Committee is determined by a formula based on 50% population and 50% deprivation in each area.
3. The allocation for the Outer North East Community Committee for 2017/18 is £70,380. The Community Committee apportions this budget between the three wards on a population basis (Source: 2011 Census).
4. Capital Wellbeing – this is allocated through the council's Capital Receipts Incentive Scheme (CRIS). 20% of receipts generated are retained locally up to a maximum of £100,000 per capital receipt. 15% is retained by the ward as additional Ward Based Initiative (WBI) funding and 5% is pooled across the Council and transferred to the Community Committees on the basis of need.
5. Of this pooled CRIS funding the Outer North East Community Committee receives an allocation of 6.1%. Currently the Outer North East Community Committee has **£31,400** in its Capital Wellbeing budget. A further explanation on capital funding and eligible schemes is attached at **Appendix A** for Members consideration.
6. Youth Activity Fund (YAF) – this funding is determined by the number of children and young people aged 8 – 17. The allocation for the Outer North East Community

Committee for 2017/18 is £32,490. The committee apportions this budget between the three wards using the 8 – 17 year old population figures (Source: GP Data 2012).

7. More detailed information about the spending against the 2017/18 budget is available in the appendices to this report. (**Appendix B** – Wellbeing Revenue; **Appendix C** - Youth Activity Funding).

be made before the next scheduled Committee round. Ward Members have been consulted and were supportive of the applications highlighted in paragraph 11.

- b. As agreed at June 2016 meeting (Minute No. 17v) of the Outer North East Community Committee, in order for a delegated decision to be enacted, all three Ward Members must unanimously agree to support an application either at a Ward Members meeting or via email.

Conclusion

13. The Wellbeing Fund programme supports the social, economic and environmental wellbeing of a Community Committee area by funding projects that contribute towards the delivery of local priorities (Outlined in **Appendix D**). A group applying to the Wellbeing fund must fulfil various eligibility criteria including evidencing appropriate management arrangements and finance controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equal opportunities; and be unable to cover the costs of the project from other funds.
14. Projects eligible for funding could be community events; environmental improvements; crime prevention initiatives or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010 projects funded at public expense should provide services to citizens irrespective of their religion, gender, marital status, race, ethnic origin, age, sexual orientation or disability; the fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
15. The report has set out the current budget position, applications recently approved through delegated decisions in consultation with Ward Members and funding applications for the Community Committee's consideration.

Recommendations

16. The Community Committee is asked to:
 - a. Note the current budget position for 2017/18;
 - b. Consider the seven Wellbeing Revenue applications and one Youth Activity application set out at paragraphs 9 and 11 and approve, where appropriate, the amount of grant to be awarded;
 - c. Note the three applications that have been approved since the Community Committee met in June 2017 under the delegated authority of the Director of Communities and Environment.
