1. Purpose of this report

- 1.1 The purpose of this report is to introduce the report and draft five year strategy presented to and considered by the West Yorkshire and Harrogate Health and Care Partnership Board at its meeting on 3 September 2019.
- 1.2 The report and draft five year strategy presented to and considered by the West Yorkshire and Harrogate Health and Care Partnership Board at its meeting on 3 September 2019 is appended to this report.

2. Background information

- 2.1 The attached report to the West Yorkshire and Harrogate Health and Care Partnership Board highlights that NHS England and NHS Improvement published the NHS Long Term Plan (LTP) in January 2019; which was then supplemented by the NHS LTP Implementation Framework at the end of June 2019.
- 2.2 The NHS LTP Implementation Framework provided further detail and specific requirements for local health and care partnerships (i.e. Sustainability and Transformation Partnerships (STP) / Integrated Care Systems (ICS)).

- 2.3 In summary, this being to agree a plan for delivery through to 2023/24 that will include:
- **A System Narrative:** to describe how we will deliver the required transformation activities to enable the necessary improvements for patients and communities as set out in the NHS LTP.
 - **A System Delivery Plan:** to set the aggregate plan for delivery of finance, workforce and activity, and setting the basis for the 2020/21 operational plans for providers and clinical commissioning groups (CCGs). The system delivery plan will also cover the NHS LTP 'Foundational Commitments'. This relates to the NHS components of the strategy.
- 2.4 The details appended to this report include the draft system narrative. As set out in the attached report, work to produce the accompanying System Delivery Plan is underway and is being coordinated by NHS England / NHS Improvement.
