## **Outer East Community Committee**

Since 24<sup>th</sup> August 2020 the Outer East Community Committee Facebook page has gained: **55 new page 'likes'** (and currently has) **2,748 followers.** 

This means that this is the <u>first</u> most popular Community Committee page.

There are two things to note in general:

- 'reach' is the number of people the post was delivered to
- 'engagement' is the number of reactions, comments or shares

Engagement tends to be a better way of gauging if people are interested and have read the posts because they wouldn't have interacted with it otherwise. For example, a post might reach 1,000 people but if they all scroll past and don't read it, the engagement is 0 and it hasn't been an effective way for the Community Committee to communicate.

Having said that, all posts can be read without any further interaction!!

The most popular post since the 24<sup>th</sup> August 2020 is the LCC Outer East Community Committee post regarding the Mobile Testing Unit being set up at Kippax Leisure Centre, posed on the 29<sup>th</sup> October 2020.

- has been shared 98 times
- has reached a total of 13,680 people

The following below are screenshots of the most popular three posts since the 24<sup>th</sup> August 2020. Alongside it are the figures for how many people were 'reached' and how many people 'engaged' with the post.

# 1st Place – LCC Outer East Community Committee Post: Mobile Testing unit at Kippax Leisure Centre

**13,680** people had this post delivered to them and it had **2,337** post clicks, with **223** likes, comments and shares.

### **COVID-19 Facebook Groups**

The Communities Team have set up **33** ward based **Coronavirus Help Facebook Groups** as a way of promoting services, supporting communities and cascading information in an attempt to tackle the Coronavirus pandemic. Key charities, voluntary groups, community groups, Councillors, as well as the wider population in the local community are all invited to join the pages.

As well as key messages from the main Leeds City Council Facebook Page being used to deliver information to each ward, the pages are also there to generate discussion and debate but also hopefully facilitate conversations around being neighbourly during the national pandemic and assist if possible in some of the volunteering efforts.

To date, Cross Gates & Whinmoor has **268** members, Garforth & Swillington has **136** members, Kippax & Methley has **216** members and Temple Newsam has **116** members.

The committee is asked to note the specific **Coronavirus Facebook Ward Pages** and are invited to join the pages in an attempt to increase traffic.
