## 9 Outer North West Community Committee Finance Update Report

The report of the Head of Locality Partnerships provided the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget, as well as the Community Infrastructure Levy Budget for 2022/23.

Members were informed of the following points:

- Members were requested to review the minimum conditions in relation to delegated decisions set out at Paragraph 14 of the submitted report. Members noted the Outer North West Community Committee was the only Community Committee to have the following wording under their minimum conditions at 14(b) '*however should an Elected Member not agree with a matter for delegated decision than this should be deferred to the next meeting of the Community Committee*'. Members were of the view that this should remain for the next six months and be monitored to see how many times this was required for delegated decisions.
- The Executive Board had approved £74,600 for the Wellbeing Fund 2022/23. Table 1 showed a carry forward figure of £14,541.87 bringing the total revenue for 2022/23 to £116,051.87. A full breakdown of projects was listed in Table 1 and there was a remaining balance of £75,333.09
- Members were requested to consider the following projects in Paragraphs 20– 28 of the report.

- Also, at the meeting in March 2022, Members considered 2 projects in principle:
  - £7,917.60 for the 2022/23 Site Based Gardener project for Guiseley and Rawdon Ward. – It was noted that a meeting was to be arranged with Parks and Countryside to discuss this project.

At the meeting in March 2022, Members had discussed the possibility of funding a Parking Officer to cover the 3 Wards. Cllr Anderson had met with officers and been advised that a Parking Officer would cost £28,000 per annum, a cost of £6,500 per ward. This officer would cover all four wards.

Members were invited to appoint to the following Community Committee Sub-Groups:

- Community Safety and Environment
- Children and Families
- Transport
- Health

An Officer from Housing Leeds was present at the meeting and provided the following information in response to questions from Members:

### *Estate Walkabouts*

- Estate Walkabout will now be undertaken twice a year. However, should residents or Elected Members require more than two this could be arranged. It was also noted that rather than assessing footpaths yearly this would be incorporated into the mapped walkabout route and checked twice yearly.
- Housing Leeds are to improve the 'virtual' walkabout projects within Your Voice Leeds, to use the learning from this to develop a rotational

approach across the city with a quarterly approach within an area team.

- Members were advised that invites would be sent to residents and Members would be informed in writing of when and where walkabouts were taking place. The walkabouts would be advertised on the Council's website. It was noted that social media was not used to advertise walkabouts, but this could be something to consider going forward.
- Members were advised that the decision to reduce the number of walkabouts had been taken at a high level.
- Members requested that dates and times be provided to them well in advance. They also suggested that 11:00am in the morning might not be a suitable time for most residents, so should consider early evening as more residents may be able to attend.
- It was suggested that brightly coloured leaflets be dropped to residents which might be better than a letter.

#### *Voids*

- Members were informed that there are a number of voids across the city and Housing are struggling to get back to pre-pandemic targets.
- Repairs are currently taking up to 20 days and lettings around 10 days. Members were advised that the team were having some difficulty letting certain properties.
- Members were provided with information on the bidding process.

The Ward Members for Adel and Wharfedale gave praise to the people putting in insulation in the area. It was recognised, they seemed to be doing a good job and engaging well with the residents.

**13 Outer North West Community Committee Update on the Leeds 2023 Year of Culture**

*Cllr Bromley left the meeting at 2:50pm at the start of Item on Leeds 2023.*

The Chief Officer Culture and Economy submitted a report to provide the Outer North West Community Committee with an update on LEEDS 2023 and to gather input and support from elected members and residents.

Members were shown a presentation as an introduction to the LEEDS 2023 year of culture with a brief background which included the setting up of the Leeds Culture Trust with an independent chair, funding, scrutiny, partnership working and promotion of the year of culture.

Members were informed of the following points:

- It is the aim of LEEDS 2023 for 75% of Leeds residents to be involved in the events. Some of the events will be free and held in all 33 wards with schools being invited to get involved. The aim is to show the diverse heritage of the city.
- Economic research has suggested that holding this type of event will attract investment to the city particularly through retail and hospitality.
- My LEEDS 2023 aims to empower the local communities through partnership and community working. There will be 33 Neighbourhood Hosts with one host recruited from each ward, this will be a paid role as a member of the LEEDS 2023 Team. The role will be as a connector to local residents to access and make the most of the Year of Culture. They will also play a key role in an event called the Weekender.
- The Weekender will take place for two days in August 2023 animating every ward with neighbourhood events. The aim is to bring together the communities through events such as street parties, cook outs and mini carnivals.
- Currently the team are holding events in wards to promote the LEEDS 2023 Year of Culture.

Member's discussions included:

- Need to address all areas within wards such Pool, Arthington and Bramhope.
- Members suggested that the Team should invite the Parish and Town Councils to get involved.
- The Team should start communication with the Heads of schools to involve all children to get involved and participate in events.
- It was noted that the Guiseley Carnival had taken place the weekend prior to the meeting, and no-one had attended from the Leeds 2023 Team. Members were of the view that this was a missed opportunity to engage with people in the area. The Team were advised that Yeadon

will hold its carnival on 2<sup>nd</sup> July and it would be a good opportunity to engage with the community.

- Members noted that 25-30 people had attended the Guiseley and Rawdon Roadshow to promote the Leeds 2023 Year of Culture.
- Members were of the view that work was required in older people's network groups and with the third sector groups.
- Members acknowledged that the Team wished to communicate with all ward members to access their knowledge and expertise in relation to contacts and groups in the area.
- Members noted that the position for Neighbourhood Host would be advertised from July with the closing date for applications in August. It was also noted that this would be a paid role and the post holder would be required to work 3-6 hours per week, they would receive training for the role. Members suggested that the Neighbourhood Host once appointed be invited to a future meeting of Community Committee.
- Members were advised that the Community Grant Fund would be split equally across all 33 wards. The Committee noted that further details in relation to this and the programme of events would be released on 23<sup>rd</sup> September 2022.

**RESOLVED** – To note the content of the report.

### *Money Buddies*

The Committee were advised the application for funding from Money Buddies in March 2022, had been deferred for further information. Members had requested information to find out which postcode area people were accessing this service. Unfortunately, this information was not available.
