This Council formally recognises the publication of the Leeds Safeguarding Children’s Partnership Child Safeguarding Practice Review - “Ruby” (www.leedsscp.org.uk/ruby).

Council believes there should be no circumstances in which convicted child sex offenders are given custody of a child and calls on the Executive Member for Adult and Children’s Social Care and Health Partnerships to bring an urgent report to Executive Board setting out what actions the Council can take to help ensure no child in Leeds is placed into the care of a convicted child sex offender again.
