

Appendix 3: Equality, Diversity, Cohesion and Integration (EDCI) screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions. Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

Other

If other, please specify:

This is a report requesting continued Executive Board support to progress the Kingsdale Court Regeneration project. This report follows a previous Key Decision considered by Executive Board in February 2021.

2. Please provide a brief description of what you are screening

This screening document provides equality, diversity, cohesion and integration consideration of the Kingsdale Court Regeneration project. It specifically considers the recommendations set out in the Executive Board report:

- support requested from Executive Board for a case now being developed for the use of Compulsory Purchase Order powers
- an update on progress with acquisition and regeneration of Kingsdale Court
- an additional capital funding injection to the scheme as set out in Exempt Appendix 2
- noting the Council's legal obligations as landlord
- agreeing to receive a further report in September 2023 to further progress the project

Whilst poverty is not a protected characteristic under equality legislation, the Council

recognises the need to target support to those communities with disadvantaged socio-economic status.

Taking an ownership interest in Kingsdale Court to better enable improvements as part of a co-ordinated action plan clearly has a positive cohesion impact for the immediate and surrounding community.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies and policies, service and functions affect service users, employees or the wider community – city wide or more local. These will also have a greater or lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment. Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (**think about** the scope of the proposal, who is likely to be affected, equality related

information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

- **Key findings**

(**think about** any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

- **Actions**

(**think about** how you will promote positive impact and remove/ reduce negative impact)
