Late Item of Business – Agenda Item 10 – ‘The Implications of the Network North Government Announcement for Leeds’

With the agreement of the Chair, a late item of business was admitted to the agenda entitled, ‘The Implications of the Network North Government Announcement for Leeds’.

This was due to the fact that the submitted report was in response to the recent Government announcement regarding Network North, and as such the report was not able to be included within the agenda as published on 10th October 2023. However, given the significance of this announcement, it was deemed appropriate for the matter to be brought to the attention of Executive Board at the earliest opportunity. (Agenda Item 10 and Minute No. 53 refers).

47 Declaration of Interests

Agenda Item 9 (Transpennine Route Upgrade – Transport and Works Act Order Representation)

HOUSING

49 Future of six high rise and resident rehousing - Bailey and Brooklands Towers, Ramshead Heights, Leafield Towers, Raynville Court and Grange

The Director of Communities, Housing and Environment submitted a report regarding the future of six high rise blocks within the Council’s housing estate. The report noted that as significant investment work would be needed to ensure the long term future of the blocks, including intrusive and costly strengthening works, an options appraisal had been undertaken. The report presented the recommendations arising from that appraisal, which were for all residents to be rehoused, with appropriate support for those who needed it, and for subsequent demolition to clear the sites. The report noted that this

would enable the development of new modern housing in the future on the sites, whether by the Council or other parties.

By way of introduction to the report, the Executive Member provided an overview of the key points within the report including the options appraisal work that had taken place and the recommended next steps.

In considering enquiries regarding the potential impact that the proposals may have upon the current demand for social housing and also regarding the potential future use of the sites, it was acknowledged that whilst there may be a short term pressure on demand as a result of the proposal, it was felt that this would be manageable as part of the Council's wider social housing estate. It was also noted that the ultimate aim of the proposals was to increase the number of social housing units available in Leeds for the longer term and also to deliver a beneficial outcome for the current residents of those blocks. Furthermore, it was noted that the considerable timeframes involved in the delivery of the proposals were with the aim of ensuring that a managed approach was taken, and that liaison with partners on the opportunities regarding the future use of the sites would be ongoing.

In response to a Member's enquiry, the Board received further detail on the consultation and engagement processes which have taken place with residents of the blocks to date.

As part of the discussion, a Member acknowledged that whilst action was needed and that refurbishment of the blocks was not a viable option, they confirmed that they could not support the recommendations without further assurance around the future plans for the sites, or that all residents were supportive of the proposals, and as such, recommended a deferral so that further detail could be obtained. In response, further information was provided on the timeframes involved and the reasons for the proposed actions, with it being reiterated that the intention was to deliver a greater number of social housing units on these sites in the longer term. It was undertaken that further information on such matters could be provided to the Member in question, if required.

Following consideration of appendix C to the submitted report designated as being exempt from publication under the provisions of Access to Information Procedure Rule 10.4(3), which was considered in private at the conclusion of the public part of the meeting, it was

RESOLVED –

- (a) That the rehousing of residents of secure tenanted flats in the blocks (Bailey Towers, Brooklands Towers, Ramshead Heights, Leafield Towers, Raynville Court and Raynville Grange), be approved, and that approval be given for Home Loss and Disturbance payments to be made to qualifying residents; with this resolution being supported by ongoing engagement with residents during implementation;

The report outlined six projects which were now moving forward to delivery and sought the Board's approval of several associated recommendations.

Gerald Jennings, Chair of the Morley Town Deal Board was in attendance to provide Members with an overview of the progress being made by the Board and an update on the most recent key developments. Regarding the Board's membership, it was noted that work had been successfully undertaken to develop the inclusivity and diversity of the Board. The good working relations between the Board and the Council were reiterated, with it being highlighted that work needed to continue at pace and with purpose in order to deliver the projects within the required timeframe.

The Director of City Development submitted a report providing an overview of the development of the Transpennine Route Upgrade (TRU) and which set out the Council's response to the Secretary of State for Transport in respect of

a Transport and Works Act Order (TWAO) submitted by Network Rail for the TRU east of Leeds. The report referenced the 'holding objection' that had been submitted to the Secretary of State in response to the draft TWAO and noted that whilst the Council recognised and supported in principle the benefits of TRU, it detailed the reasons for the submission of the 'holding objection'. Further to this, the report also made a recommendation to Full Council to approve the submission of a formal objection to specific elements of the TWAO for the Leeds to Micklefield part of the TRU.

The Director of City Development submitted a report in response to the Government's recent announcement and publication of the Network North document, which cancelled HS2 Phase 2, HS2 East and the Integrated Rail Plan study into how to bring HS2 trains to Leeds, and committed to invest

£36bn in alternative transport schemes across the country. The report presented the references to Leeds within that document and considered the interfaces and impact that these may have upon existing infrastructure programmes, and also the operation and growth of the city.

With the agreement of the Chair, the submitted report had been circulated to Board Members as a late item of business prior to the meeting for the reasons as detailed in Minute No. 46.

By way of introduction to the report, the Executive Member provided an overview of the key points within it, including an update on the current position following the Government's Network North announcement on 4th October 2023, and highlighting that whilst the Network North document made reference to Leeds, further detail was required on such matters in order to better understand the implications for the city.

In terms of next steps following this announcement, emphasis was placed upon the importance of ensuring that a collaborative, cross-party approach was taken on such matters and when engaging with Government in order to deliver the strongest case for the city and the wider city-region in securing the required funding moving forward.

The Chief Executive provided an update to the Board regarding the National Infrastructure Commission, which had today launched its second national infrastructure assessment report, in which it had backed the case for major investment into England's largest regional cities, including Leeds, to improve public transport provision. It was also highlighted that the additional station in Leeds was still deemed to be crucial to the future of the city, and moving forward, emphasis was placed upon the Council's commitment to working closely with Government on such matters with the aim of delivering those key infrastructure improvements for the benefit of the city and the whole network.

RESOLVED –

- (a) That the implications of the Department for Transport Network North (document as at Appendix A to the submitted report) Government announcement for Leeds, be noted;

The key nature of the Local Account document was highlighted, as it formed part of the suite of documents that the Care Quality Commission would consider when inspecting the Authority against its statutory duties.

In considering the report, a Member highlighted how, in this case, he felt that the representations made to Government regarding the funding of Adult Social Care were beginning to make a positive impact and which illustrated the benefit of a co-ordinated approach on such matters and which could continue to be applied to areas such as the resourcing of Children and Families services.

RESOLVED – That the production and publication of the 2022/23 Leeds City Council Local Account for Adult Social Care, as detailed within the submitted report and appendices, be agreed.

56 Financial Health Monitoring 2023/24 – Month 5 (August)

The Chief Officer Financial Services submitted a report presenting the Council's projected financial health position as at month 5 of the 2023/24 financial year in respect of both the General Fund revenue budget and the Housing Revenue Account

The Board was requested to note the following correction to the submitted report:

Regarding the reference on page 1396 of the agenda pack (paragraph 3.11.1 ('Reserves') of Appendix A) which read, '*...£0.8m Leeds Older People's Forum for delivery of the Age Friendly programme which is funded by Health*'. This was to be amended to, '*...£0.8m Leeds Older People's Forum for delivery of the Enhance Programme commissioned by Leeds Community Healthcare (LCH) and delivered by the Third Sector*'.

In presenting the report, the Executive Member provided an overview of the key points, which included the current forecasting of an overspend of £29.6m for the General Fund as at month 5 of the financial year. The Board was also provided with an update on the work that continued in respect of managing in-year pressures.

Responding to a specific enquiry regarding the refund of transport levy reserves, as one-off funding from WYCA (West Yorkshire combined Authority) to each of the 5 West Yorkshire Local Authorities. In Leeds' case this was a sum of £17.7m. It was noted that this sum would be returned to the Council's

General Fund. It was also noted that this sum would be factored into future Financial Health Monitoring reports submitted to the Board moving forward.

RESOLVED –

- (a) That, subject to noting the correction as detailed above, the contents of the submitted report be noted, and that it also be noted that at Month 5 of the 2023/24 financial year the Authority's General Fund revenue budget is forecasting an overspend of £29.6m for 2023/24 (5.2% of the approved net revenue budget) within a challenging national context, and with it also being noted that a range of actions are being undertaken to achieve a balanced budget position;
- (b) That it be noted that at Month 5 of the 2023/24 financial year, the Authority's Housing Revenue Account is forecasting an overspend of £3.0m for 2023/24 (1.09% of the approved gross expenditure budget);

That it also be noted that proposals would need to be identified to absorb any additional pressures;
- (d) That it be noted that where an overspend is projected, directorates, including the Housing Revenue Account, are required to present action plans to mitigate their reported pressures and those of the Council's wider financial challenge where possible, in line with the Revenue Principles agreed by Executive Board in 2019;
- (e) That following WYCA Members' approval of a refund of transport levy reserves to the five West Yorkshire Local Authorities on 12th October 2023, it be noted that this one-off injection will be used in Leeds to add to the Strategic Contingency Reserve.

In presenting the report the Executive Member highlighted the unprecedented financial challenges that continued to be faced across the sector and by this Council, and it was within this context that the submitted proposals were being presented to the Board as part of the wider approach being taken to manage

such challenges. The Board also noted the Council's recent issuing of a Section 188 notice, which was a process to instigate collective consultation with the Council's recognised Trade Unions to avoid, reduce and mitigate the potential risk and consequences of compulsory redundancies.

In considering the report, a Member highlighted the challenge that continued to be faced nationally in terms of the resourcing of services for Children and Families. Whilst the Member highlighted the importance of the Council continuing to take action in this area, it was acknowledged that this was a matter which required a national response and continued communication with Government.

In addition, as part of the consultative process on proposals around managing the financial challenge more generally, emphasis was placed upon the benefit of involving communities and Members across the Council on such matters.

RESOLVED –

- (a) That the financial position for 2024/25 to 2026/27, as outlined within the submitted report, be noted, with it also being noted that further savings are required to deliver a balanced budget position for 2024/25 and to contribute to closing the projected gaps in the following two years;
- (b) That the 'Business as Usual' savings put forward, as detailed in the submitted report, be noted, with it also being noted that decisions to give effect to them shall be taken by the relevant Director or Chief Officer in accordance with the Officer Delegation Scheme (Executive functions);

Given this, it was noted that a review was being undertaken into the Council's approach towards EHCPs by external consultants in order to provide independent challenge and insight. The report also provided details of the related work which had been undertaken to date and further proposed as part of the review process.

In presenting the report, the Executive Member highlighted the significant increase in demand for EHCPs which had been experienced post-pandemic both nationally and in Leeds and highlighted the range of reasons why an individual may need an EHCP. The second report is scheduled to be submitted to the Board in December 2023.

The Board welcomed the submitted report and the priority that was being given to this important area.

In response, the Director of Children and Families emphasised her absolute commitment to ensuring that improvements were made to the EHCP process and to the experiences and outcomes for young people and their families. The Director highlighted the integral role that key stakeholders, including young people, parents and carers would play in that improvement, alongside the external consultants undertaking the review. Emphasis was also placed upon the clear objectives for the next phase of the process, which included that the Council achieved full legal compliance in its statutory duties; and that moving forward clear performance metrics around timeliness of assessment and issuing of EHCPs were developed together with a robust management framework in order to measure and scrutinise progress in a timely way.
