Would you ask the applicant if he would be willing to agree incorporate those conditions into his application. I have no objections if the applicant is happy to do so.

Good Afternoon Cllr Dixon,

Thank you for your email.

Please could you confirm if you would like to place an objection to this application?

Would you like me to forward your suggestions to the applicant and if they agree to incorporate the conditions, do you have no other objection to the application?

Kind regards,

Lucy Fiddes

Hi,

I ve noticed this application (in subject), the shop currently closes early evening at the moment
 which means we have never had any issues with this business and we hope to keep it that way.

My question is could some conditions be placed on the license as below - to ensure if anti-social behaviour becomes an issue here, the premises can be held accountable;

- A monthly check of the CCTV will be recorded and provided for inspection immediately upon the request of an officer of a responsible authority (i.e. Licensing, Trading standards or Police etc).

- For the shop to install CCTV at the entrance to the building (if it currently doesn't exist).
- Customers shall be discouraged from drinking alcohol or congregating outside the premises.

Thanks,

Cllr Wayne Dixon

Good Afternoon Tony,

Following the application for a premises licence for Reksio Mini Market, we have received correspondence from a local councillor asking if the applicant would consider incorporating the following conditions to the licence:

2. For the shop to install CCTV at the entrance to the building (if it currently doesn't exist).
