

Re licensing application  
by Lewis Cuddy

Unit 1

Regency House

Kirk Lane Yeadon LS19 7EP

I am writing to object to the granting of these licences as listed on the notices displayed on Kirk Lane. This part of Yeadon is primarily residential. Regency House is surrounded by housing on 3 sides. This is mainly flats so any nuisance will affect a lot of people. Noise would come from people at the venue, starting up cars and returning home.

The alcohol licence should have an end time of 10pm, the same as the entertainment licence. The law recognises that residents have a right to quiet between 10pm and 7am.

These premises are currently office space and should remain so and not become a venue more suited a city centre. Yours
