Good Morning Andy, Eugene,

I hope that you are all well.

We are instructed in relation to a new premises licence for Riley's, a sport and entertainment venue, that will offer Snooker, Pool and Darts. The applicant operates across England and Scotland currently, please see website: <https://rileys.co.uk/#locations>

Please see attached draft application and plan. They are applying for licensable activities until 0300 and close at 0330 throughout the week. Obviously the operator is willing to meet with you on site should you wish to meet them and to look at the premises. This is a very low impact premises, with much of the floor space being taken up with the snooker, pool, darts and ping pong.

We are keen to get the application submitted therefore if you could please let me have any thoughts on the attached and whether you would like to have a site meeting. Hopefully you are happy that any site meeting can be done during the application period. The DPS details to be confirmed.

If you could please let me know, obviously more than happy to discuss on the phone or set up a zoom meeting.

Many thanks

Chris

Dear Resident,

We have received a copy of your representation from Leeds City Council.

As a professional operator who seeks to work with both the responsible authorities and local residents alike, we would like to reach out to you to confirm that Rileys is a Pool, Snooker, Darts and competitive socialising venue. It is not a night club. It should be noted that Live and Recorded music have not been applied for at the premises, so there will be no issues with music noise at the premises.

Please see attached brochure to give you further details of the operator and the style of operation. Rileys are a well established, well managed, well run, competitive socialising venue.

It is on the basis of this further information, that we would request that you please withdraw your representation.

Kind regards

Chris

// RILEYS AMBITION IS TO GIVE THEIR CUSTOMERS THE BEST PLAYING CONDITIONS IN THE TOWNS AND CITIES IN WHICH THEY OPERATE, ALL SET IN A RELAXED AND COMFORTABLE ENVIRONMENT //

Rileys is a leading chain of sports bars and incorporates the oldest and only significant remaining group of pool, snooker and darts clubs in the UK.

Our history is deeply seated in the sports offering we provide. In fact the original founder was E.J Rileys a snooker table manufacturer who wanted to make the sport more accessible so he opened a snooker club.

Over time this has evolved into English Pool, American Pool and Darts and as pubs have adjusted to a growing demand for food, we remain one of the few places in the towns and cities we operate in to offer traditional English pub games under one roof.

Rileys bars are large format venues (circa 10,000 sq ft) each with a number of quality pool and snooker tables as well as darts lanes. Rileys ambition is to give their guests the best playing conditions in the towns in which they operate, all set in a relaxed and comfortable environment.

We continue to evolve. In days gone by we would have been compared to a sports or social club but we now operate in a space our hospitality industry colleagues call 'competitive socialising' or 'competitive leisure' where a night out incorporates drinking, eating and some competitive element whether that be golf, bowling, table tennis, pool, snooker or darts.

We will never stop evolving - our newest clubs feature an Electronic Darts Offering and competition quality Ping Pong Tables. Rileys brings all live sports action to life by showing competitive sport on HD screens around the club, as well as offering a dedicated sports zone serving food with a large cinema-style HD projector.

Competitive organised sport is also played within the clubs as we host local and national pool, snooker and darts competitions including the Professional Darts Corporation Qualifiers.

SITE LOCATIONS

There are 13 Rileys clubs currently spread across the country. We are now looking to grow our footprint.

RILEYS CRITERIA

Rileys was initially aimed at amateur pool and snooker players giving them a community hub in and around large towns and cities.

As we evolve we want to make Rileys more accessible to the social and competitive socialising market in more densely populated areas of towns and cities which cater to our demographic.

We focus on competitive socialising including snooker, pool, darts and ping pong, show live sports and offer food and drink. Please see our acquisition criteria below.

COMPETITIVE SOCIALISING AND RILEYS

- Competitive Socialising has had a lot of press coverage in the last 5 years. On the one hand it's geared as a counter to people's online lives as it brings people together socially and into the real world, yet it provides exactly the kinds of experiences that people love to share on social media.
- In undertaking a review of the competitive socialising market place, Savills & Leisure Property Forum assessed four submarkets and identified over 50 mini golf, 90 bar & game, 50 VR, and 145 'Against-the-clock' (escape room) experiences in locations across the country.
- Savills commented:

"In this fast paced sector we are seeing an increase in venues in prominent leisure schemes and shopping centres. The highly fragmented nature of this sector means that operators need only a handful of sites to become a genuine contender as a national brand."

"The growth across all of the competitive socialising market is a good counter narrative to other parts of the leisure and hospitality market and while some concepts have been around for decades it is clear that the growth we are witnessing now is closely tied to advances in technology and consumer preferences."
- Rileys is to benefit from the general macro trend in seeking out sharable experiential leisure activities which stands to be exacerbated by the impact of COVID-19
