Good afternoon,

I am writing in regard to the New Middleton. I live less than a mile away, and visit regularly on a weekend with my children. It offers a safe space for myself to relax in the rear garden area whilst my children enjoy running around the enclosed area. I have visited the New Middleton since it re-opened and we have never experienced fearing for our safety, our children's safety nor have we seen any altercations or arguments.

I feel the New Middleton is great hub for the community as well as being friendly and welcoming

Many thanks,
[REDACTED]

Hi

My name is [REDACTED] and I live on [REDACTED] Middleton with regards to the New Middleton I regular go there to meet up with friends and family. There are not many places left in Middleton to be able to meet up socially anymore and losing the New Middleton would be another blow to the community.

The New Middleton is very well run and Tanya and her team make it a relaxing comfortable atmosphere which is enjoyed by young and old alike.

The majority of people who go in are from Middleton area and I have never witnessed any trouble previously.

This establishment organises parties for the younger children which my grandchildren have attended and has recently developed land outside into a play area . The teenagers are allowed in to play snooker /pool. These are children who would otherwise have no where to go except roaming the streets.

Not only would closing the New Middleton have a big impact on the adult community but also where these children would go to socialise as Middleton is lacking in facilities for our young.

Kind Regards

[REDACTED]

I live within a 5 minute walk of the pub, which I regularly attend and have done since the day it opened, my son who has autism and social anxiety also attends with me because he feels safe and comfortable with all the other guests and staff who make him feel welcome.
The landlady Tanya and staff go above and beyond for our community putting different events on for example., kids christmas, easter, bank holiday parties and also entertainment nights.
I have never seen or heard of any incidents or trouble in the premises before the 19th of may and as far as I'm aware this incident was not on the premises but in the street.

It is nice to have a safe local pub within walking distance that my son and me can feel comfortable in, on our own, because of my sons social anxiety it is hard to find somewhere social for us both to attend.

Good afternoon

I'm writing in regards to the new Middleton social club. Just wanted to make my review on the club I'm really unhappy to find out the club has been closed down this is a brilliantly run club absolutely amazing for family's I am a local and use this family club most weekends and have doen for a long time my kids love the club there's so much been put into this by [Redacted] and Tanya clowes. I've done some volunteering work as a dj and it's brilliant for everyone I've never witnessed no trouble and problems in there hence why I take my children such a family friendly place. So much as been put into the new Middleton specially for children the kids love the entertainment on weekends the big park in the back and the games room it's such a shame and will make a big affect on family's as I feel it's the place to be taking your family's. Such a Warm friendly club lots for kids to do and the staff are amazing. If this information could be used towards helping getting the club back up and running I would appreciate it much.

Thankyou [Redacted]

I'm shocked that the new middleton club has had its license suspended.
It's just 2/3 idiots that are not from the area causing trouble (trying to rob someone outside the premises).
Tayna and [Redacted] have done a fantastic job of turning this place into a great local pub over the last few years, with no trouble whatsoever.
I call in a few times per week for a game of snooker with some great new friends I've met over the last couple of years and I also run a football dreamteam from there with over 200 members, we are due to have our end of season party in July which has been a great day out for the last 3 years bringing the community together meeting old friends and family.
I feel it's an absolute joke that a couple of non local folk can cause trouble and undo all the hard work put into the club by the staff and owners in this isolated incident.

To whom it may concern

We have lived [REDACTED] the Middleton Social Club now called The New Middleton Pub, for 27 years, we have seen and heard all sorts over the years.

My partner usually has to get up around 4.00am for work, so whilst a quite night is important to us, the disturbance that happened I believe on the 19/05/24 was a rare thing as we have not heard anything like that in a good few years.

It would be a shame if the pub was to close as I know they hold a lot of events for the kids i.e dance classes, Easter egg hunts, and there is always something arranged for bank holidays for families etc, and for the adults they have their snooker teams and games of bingo, also for those sad occasions with the cost of living they do not charge for funerals, where as other pubs and clubs around do.

Kind Regards

Hi, I am [REDACTED] of [REDACTED]. I live [REDACTED] from the premises.
(Walking distance)

I am a regular who attends the New Middleton and back in February I held my baby shower there and all my family and friends enjoyed and felt welcomed in the premises, since having my baby boy we have both attended the pub on the bingo nights and feel completely safe when we are there.

I have always felt safe and welcomed into the premises and I think [REDACTED] and tanya have done an amazing job on getting the pub back up and running.

With the New Middleton been open it has helped a local community come back together and socialise again. I would feel sad for it to close as I would feel like the community would drift apart.

Kind regards

I'm a regular customer at the New Middleton every time me and my friends attend we thoroughly enjoy our night as there are such friendly people, which always makes me feel safe in the New Middleton, with such easy access as I live round the corner I attend most weekend as well as the bingo that's weekly on a Thursday which brings the community with all age ranges together, the staff are very accommodating and hard working and give there all to the pub and the community that attend, it would be a shame for it to close down with all the hard work [REDACTED] and Tanya have put in as they make sure everyone is safe and enjoy there nights.
