3.1 Film Details	Film 1 Spell Reel (Germany / Guinea / Guinea-Bissau, 2017, 96mins) Director - Filipa César
	Synopsis - Spell Reel is an archive of film and audio material from Bissau, Guinea-Bissau. On the verge of complete ruin, the footage testifies to the birth of Guinean cinema as part of the decolonising vision of Amílcar Cabral, the liberation leader who was assassinated in 1973. In collaboration with the Guinean filmmakers Sana na N'Hada and Flora Gomes, as well as many others, Filipa César imagines a journey where this fragile matter from the past operates as a visionary prism of shrapnel with which to look through. Digitised in Berlin and screened at various locations — in what would come to resemble a transnational itinerant cinema — the archive convokes debates, storytelling and forecasts. From

	screenings in isolated villages in Guinea-Bissau to European
	capitals, the silent reels are now a place from which people may
	search for antidotes to a world in crisis.
	We advise that the film is given a PG certificate.
	In making this recommendation we have taken into account the
	following nine areas which the BBFC use to determine certificates
	and we can speak to each to explain our recommended
	certificate.

Certification Controls at Hyde Park Picture House

As per our premises licence, the Hyde Park Picture House follows BBFC certification guidance, which is listed with each individual film on our <u>website</u>.

We have several checks in place to manage access to films based on this guidance. These checks are as follows:

- Our <u>terms & conditions page</u> includes clear guidance on certification in a way audiences can understand and which includes a link to the BBFC if further information is required.
- Certificates are added to every listing on our box office system in addition to our website and
 this limits the tickets available to films where appropriate. E.g. An audience member can't buy
 a child's ticket for a 15 or 18 certificate film.

- We have also established a Content Guidance system which allows us to give additional content information to audiences to help them make informed choices about what they watch. Full guidance on this can be found on our <u>website</u>.
- Adding the cert to the Box Office system also enables our Front of House staff to identify the
 age restrictions for films. All staff are fully trained to both understand and then manage
 certification and age restrictions for films, so we can both advise on entry and appropriateness
 of a film and refuse sales where required.
- All tickets bought in advance or on the day are checked by a staff member on the door to the
 cinema auditorium so if an underage person has bought a ticket over the phone or internet in
 advance they would have to engage with a staff member at ticket check point and entry
 would be refused and ticket refunded.
