

Leeds Food Strategy - report on progress

Date: 22nd July 2024

Report of: Chief Officer, Climate, Energy & Green Spaces

Report to: Climate Emergency Advisory Committee

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

Brief summary

This report presents provides the Climate Emergency Advisory Committee with an update on the progress of the Leeds Food Strategy.

The Senior Project Manager, Climate, Energy & Green Spaces team, will attend the meeting to provide a presentation to Members on the Strategy and the work undertaken since the Committee last considered the Food Strategy on 27th November 2023.

Recommendations

- a) To note the contents of the report, and the progress made to date, as well as the longer term ambitions for partnership, engagement and policy alignment, so that the Leeds Food Strategy delivers for the city.

What is this report about?

- 1 The Leeds Food Strategy was adopted by the council as the lead organisation in 2023 following a process of consultation, and partnership working. The Climate Emergency Advisory Committee previously considered the Strategy at its meeting in November 2023.
- 2 This report and associated presentation provides the Committee with an opportunity to consider and discuss the progress of implementation of the Strategy.
- 3 The report also includes a draft report proposed to be presented to the Executive Board in due course providing detail on the work undertaken so far, and proposals for the future.

Appendices

- Draft report to Executive Board
