Do you want the proposed variation to have effect in relation to the introduction of the late night levy? (Please see guidance note 1)

Yes No

Please describe briefly the nature of the proposed variation (please read guidance note 2)

Over the past year, we have successfully managed our premises without any incidents of disorder, underscoring our commitment to responsible business practices and community safety. Given this positive track record, we are seeking to extend our hours for the supply of alcohol from the current 17:30-20:30 on weekdays and 09:00-20:30 on weekends to 07:00-03:00 Monday through Thursday and 07:00-05:00 Friday through Sunday.

When we first applied for this licence, responsible authorities raised objections. The original objections raised concerns about potential increases in crime and disorder, negative public health impacts, and the cumulative effects of additional alcohol retail in an already saturated area. However, our exemplary management over the last year has effectively mitigated these concerns. Furthermore, the closure of a nearby shop has decreased local saturation, creating a need for extended service hours to better meet community demands.

Extending our alcohol supply hours will allow us to provide more flexible options for our customers, many of whom require access to our services outside of traditional hours due to their varied work schedules. This extension is crucial not only for business growth but also for adapting to the changing needs of our community in a manner that continues to prioritise safety and responsibility. By doing so, we aim to enhance the sustainability of our business, contributing positively to the local economy and providing more job opportunities. This approach not only aligns with the licensing objectives but also demonstrates our ongoing commitment to being a responsible and beneficial presence in the area.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend

Notes for guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.
2. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.

 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
