To whom it may concern

I understand an application has been submitted to extend opening hours for late night refreshment to 00.30 Saturday morning and Sunday morning, Sunday to Thursday remaining at 23.30 hours.

I own the freehold of [REDACTED] The ground floor trades as [REDACTED] and there is a self contained two bedroomed flat to the first floor.

There are two large vents to the rear elevation of [REDACTED] providing ventilation to the kitchens. These are close to [REDACTED] and I feel it is unreasonable to extend the opening hours as this will have a serious impact on the level of noise in my flat. Extending the hours to 00.30 at the weekends is unfair as this is the time when anyone working during the week needs to have the correct environment to enjoy a peaceful night's sleep.

The extractor fans and vents serving the kitchens are noisy. There will also be increased levels of traffic both vehicular and pedestrian very late into the night, which is unfair as it is so close to a residential dwelling.

I have experienced trouble with litter at the rear of my property and the council has been called out several times to deal with rubbish accumulating to the rear of the parade. I feel this problem may increase if the opening hours are extended.

It will also set a precedent for others in the parade.

I would therefore like to formally object to the Licence variation for the Takeaway adjoining my property to extend their opening hours.

Yours faithfully
