## NOTIFICATION OF THE INTENTION FOR EXECUTIVE BOARD TO CONSIDER MATTERS IN PRIVATE

The Executive Board is the principal decision making body of the Council. All meetings of the Executive Board are open to the public, except where certain parts of an agenda contain exempt or confidential information. In these circumstances, the Executive Board may decide that it is in the public interest to discuss certain aspects of a report in private, and as such, choose to treat that specific part of the meeting as a 'private meeting' by excluding the public. Even when an element of a report is designated as exempt and considered in private, the remainder of the report and the related discussion by the Board will always be in the public domain.

Where there is a proposal for a meeting of Executive Board to consider part of a report in private, Part 2 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires the Council to provide notification of its intention to do so.

This notice provides the required notification of the intention, at the time of publication, for certain aspects of the following Executive Board reports to be considered in private at its meeting on **25<sup>TH</sup> JULY 2018**.

It is considered that the release of such information would or would be likely to prejudice the Council's commercial interests in relation to other similar transactions in that prospective purchasers of other similar properties would have access to information about the nature and level of consideration which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information will be publicly available from the Land Registry following completion of this transaction and consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time. It is therefore considered that this appendix to the report</p>
