1. Purpose of this report

2.5 This report sets out recommendations from General Purposes Committee.

3. Background information

Threshold Review of Governance Framework

3.1 The City Solicitor and Chief Officer (Financial Services) have carried out a review of the financial thresholds in place supporting the Council's governance arrangements relating to decision making, procurement and finance.

3.2 There are currently 12 separate thresholds; some based in legislation in relation to which the Council has no discretion; others based in legislation giving discretion to the Council as to where to fix them; others purely local. All require that certain practice and procedure is followed. Proposals reduce number and clarify the alignment of these thresholds across decision making, procurement and finance to ensure clarity and consistency in these arrangements.

3.3 The threshold review seeks to ensure that arrangements:-

- enable Members to exercise their democratic mandate by having sufficient oversight to be satisfied that decisions are proportionate, provide value for money and are in the public interest;
- underpin the appropriate use of public money by ensuring that full account is taken of costs and savings to the council however funded or accrued whilst not imposing council governance on financial commitments to be made by partners through joint activity; and
- remain agile and responsive while also ensuring that arrangements are open, honest and transparent.

3.4 The thresholds in relation to decision making set the procedures to be followed in taking an executive decision; whether that decision is taken by executive board or by an officer acting under delegated authority.

3.4.1 Key decisions taken by officers must be:

- Published in the List of Forthcoming Key Decisions for 28 calendar days before the decision is taken;
- Subject to a written report published 5 working days before the decision is taken; and
- Open for call in by non-executive members prior to implementation.

3.4.2 Significant operational decisions must be subject to a written report which is published as soon as practicable after the decision is taken; and

3.4.3 Administrative decisions taken by officers are not subject to any governance control but should be the subject of a written record for audit purposes.

3.4.4 All decisions of executive board are the subject of written reports published before the board meets; recorded in the minutes and should be open for call in prior to implementation.

Annual Review of Constitution

- 3.5 Article 15 requires that the Monitoring Officer monitors and reviews the operation of the constitution to ensure that the aims and principles of the constitution are given full effect.
- 3.6 The Monitoring Officer has undertaken an annual review of the constitution and recommends the amendments set out at part 3C below.

4. Main issues

4.1 3A - Threshold Review of Governance Framework

Decision Making Thresholds.

- 4.2 The Council's decision making thresholds are set out in Article 13 of the Constitution. It is recommended that Article 13 should be amended as set out at Appendix A attached for the reasons set out below.
- 4.3 Following consideration it is recommended that the threshold in relation to community impact should remain the same. It will therefore remain the case that a decision is treated as a key decision if it has a significant impact on the communities living and working in an area the size of one ward or more.
- 4.4 It is recommended that the financial threshold for a key decision is amended to:-
- Set the threshold at £500,000 over the lifetime of the decision;
 - Require that a decision taken as the direct consequence of a previous key decision is in the contemplation of the decision maker at the time the key decision is taken;
 - Provide clarity that any decision which is amended following call in will not be treated as key;
 - Update the statutory framework for exempted care plans; and
 - Introduce an exemption in respect of urgent decision taken out of hours under the Council's emergency management plan.
- 4.5 It is recommended that the financial threshold for a significant operational decision is amended to:-
- Set the threshold at £100,000 over the lifetime of the decision.
- 4.6 The proposed definitions will increase the number of contracts which must be the subject of key or significant operational decisions during the procurement process thus enhancing Members' oversight of procurement decision making. It is therefore recommended that (having been considered as part of the evaluation in the initial key decision to enter into a contract) a decision to extend the contract will not be treated as key thus balancing the potential administrative burden on the authority.

Revenue Virement Limits

- 4.7 The Council's revenue budget is approved in February each year. In accordance with the Budget and Policy Framework Procedure Rules officers are authorised to spend within the budget set, and "to vire across budget headings subject to value limits set out". Relevant limits and authorities are reported to Council alongside the budget each year.

- 4.8 Amendments to the limits set by Council in February 2019 are proposed as set out in Appendix B to this report. The amendments:-
- Remove the thresholds within which Directors can approve Leeds City Council funded virements between budget heads within the directorate or between directorates subject to the upper threshold of £5 million above which virements must be considered by Full Council; and
 - Remove the distinction between externally funded virements which are within or which amend existing Council policy so that all can be approved by Directors.
- 4.9 Necessary financial approvals to be taken by Directors will form part of the substantive operational decision making report. As with all decisions taken by or on behalf of one of the Directors under the executive delegation scheme those decisions are subject to the right of the Executive Member to require, or the Director to decide that a matter should be referred back to Executive Board.
- 4.10 Members may wish to note that contingent upon the decision of Full Council, the Chief Officer Financial Services intends to amend the capital finance thresholds set out in the Financial Regulations to align them with procurement and decision making practice and procedure.
- 4.11 In order to enable transition arrangements which ensure all key decisions are subject to relevant controls it is proposed that decisions in relation to the review of thresholds should take effect on 1st July 2019.

Consultation

- 4.12 The proposals have been the subject of extensive cross party consultation and engagement with Members, and with officers. Feedback received during the review has been incorporated into the recommendations which are supported by all those who have responded to consultation.
- 4.13 As a result of the threshold review Council is requested to:-**
- a. Approve amendments to Article 13 as set out at Appendix A attached;**
 - b. Confirm that a decision to extend a contract may be treated as a direct consequence of the key decision to procure the contract; and**
 - c. Approve amendments to the delegations and limits for virements in relation to the Council's budget as set out at Appendix B attached.**

3B - Corporate Governance and Audit Committee – Independent Member

- 4.14 The Chartered Institute for Public Finance and Accountancy recommend in guidance for Audit Committees in Local Government that the committee should be independent of both the executive and scrutiny functions and include an independent member.
- 4.15 In making this recommendation CIPFA balance the benefits of an independent member who would:-
- Bring additional knowledge and expertise;
 - reinforce the political neutrality and independence of the committee;

- maintain continuity of committee membership where membership is affected by the electoral cycle.
- 4.16 CIPFA also acknowledge the potential pitfalls of
- over-reliance on the independent members leading to a lack of engagement across the full committee; and
 - lack of organisational knowledge or ‘context’;
- but note that this can be overcome by effort from both independent members and officers/staff to establish an effective working relationship; appropriate protocols for briefings; and access to information.
- 4.17 The National Audit Office also promotes the use of independent members to improve the effectiveness of audit committees.
- 4.18 The Leader, Deputy Leader / Executive Member for Resources and Sustainability and the Leader of the Opposition are supportive of the proposals set out in this report.
- 4.19 The views of Corporate Governance and Audit have been taken into account and reflected in recommendations to General Purposes Committee and onward into this report.
- 4.20 General Purposes Committee recommends the appointment of one independent member to Corporate Governance and Audit Committee.
- 4.21 In relation to the appointment of an independent member to Corporate Governance and Audit Committee, Council is requested to:**
- a) Approve amendments to Article 9 of the Constitution as set out in Appendix C attached;**
 - b) Invite the Independent Remuneration Panel to advise the authority of an appropriate rate for remuneration for the role; and**
 - c) Ask the Head of Governance and Scrutiny Support to establish a cross party panel, drawn from members of the Corporate Governance and Audit Committee to undertake the search and selection process and that the panel be advised by the City Solicitor and the Chief Officer (Financial Services) or their nominees.**

3C - Annual Review of Constitution

- 4.22 An amendment is recommended to the Officer Delegation Scheme (Council (Non-executive) Functions) – City Solicitor to reflect existing practice and procedure for the appointment of Councillors to committees in the period between the annual meeting and the first ordinary meeting of Council. The amended document (Appendix Di) has been shared with the City Solicitor who is content with the amendments.
- 4.23 Amendments are recommended to the Officer Delegation Scheme (Council (Non-executive) Functions) – Director of Communities and Environment to ensure the scheme reflects current legislation. The amended document (Appendix Dii) has been shared with the Director of Communities and Environment who is content with the amendments.
- 4.24 Amendments are recommended to Article 6 and the Scrutiny Board Procedure Rules to ensure that together the documents reflect the current legislative

framework without ambiguity or duplication and that links with other constitutional provisions are clear. The amended documents (Appendix E and F) have been shared with Scrutiny Board Chairs. No comments have been received.

- 4.25 Amendments are recommended to the Appointments to Outside Bodies Procedure Rules to provide clarity about appointments to outside bodies by political groups. The amended rules (Appendix G) provide that a vacancy must be filled by an elected member of the political group to which it is allocated or referred back to Member Management Committee or the relevant Community Committee for allocation.
- 4.26 Amendments are recommended by the Standards and Conduct Committee to the Members' Code of Conduct (the Code of Conduct) and the Procedure for Considering Complaints Alleging a Failure to Comply with a Members' Code of Conduct Within the Area of Leeds MDC (the Complaints Procedure), to give effect to recommendations of the Standards and Conduct Committee. The recommendations follow consideration by the committee of the Committee on Standards in Public Life's report into Ethical Standards in Local Government.
- 4.27 Amendments to the Code of Conduct (Appendix H):
- Include specific provision prohibiting bullying or harassment of any person (including council employees);
 - Rule out consideration of any trivial or malicious complaint; and
 - Require Members to comply with any investigation relating to an alleged breach of the Code.
- 4.28 Amendments to the Complaints Procedure (Appendix I):
- Make provision for consultation of the Independent Person at each stage of progression of a complaint; and
 - Require that complaints relating to behaviour towards a parish clerk by a town or parish councillor to be made by the Chair of the relevant Council or by that Council as a whole in all but exceptional circumstances.
- 4.29 The amendments recommended reflect the Best Practice requirements set out by the Committee on Standards in Public Life.
- 4.30 A new Protocol for the Co-ordination of External Inspection Reports is recommended setting out procedures by which each relevant director is able to oversee the process for formal inspections but that the resulting reports are shared appropriately on a cross party basis, as well as being considered by the most appropriate body and open to consideration by Scrutiny, or Corporate Governance and Audit Committee. A copy of the Protocol is attached at Appendix J to this report.
- 4.31 The Protocol has been shared with Deputy Leader / Executive Member for Resources and Sustainability, the Chair of Corporate Governance and Audit Committee, and the Leaders of each of the opposition groups. Comments received were considered by General Purposes Committee in coming to this recommended Protocol.

4.32 As a result of the annual review of the Constitution Council is requested to approve amendments to the Constitution in those documents listed below in the form shown in the Appendix attached:-

 - **City Solicitor (Appendix Di)**
 - **Director of Communities and Environment (Appendix Dii)**

3D Criteria for Appointment of Honorary Aldermen/women

4.33 The Chief Whip has, in consultation with all Group Whips, put forward proposals to define the term "eminent service" when used to identify suitable persons for consideration for the role of Alderman/woman.

4.34 The definition recommended by General Purposes Committee is that, Any person nominated for the honorary role of Alderman/woman should:

- No longer hold the position of Councillor
- Have served a minimum of 8 years on the Council, or have held the role of either Leader of Council or Lord Mayor
- Have, in the opinion of the Council, rendered eminent services by way of exceptional contribution to the City and it's Council

4.35 This definition, together with the procedure for nomination, has been set out in the proposed Protocol for the Nomination of Honorary Aldermen/women (Appendix K).

4.36 It is recommended that the City Solicitor be authorised to undertake future review and amendment of Protocol in consultation with the group whips.

4.37 In relation to revised criteria for the Appointment of Honorary Aldermen/women Council is requested to:-

- a) **Adopt the Protocol for the nomination of Honorary Aldermen/women (Appendix K) within Leeds City Council for inclusion in part 5 of the Council's Constitution;**
- b) **Authorise the City Solicitor to review and amend the Protocol as necessary in consultation with the group whips.**

3E Establishment of Advisory Committee on Climate Change

- 4.38 On 27th March 2019 full Council declared a climate emergency.
- 4.39 General Purposes Committee recommends that an advisory committee on climate change be established with terms of reference as set out at Appendix L attached.
- 4.40 These will enable the committee to consider and advise in relation to both council and executive functions. The committee will also report annually to full council, enabling council to monitor progress and to maintain momentum in addressing the climate change emergency.
- 4.41 In order to enable cross party membership of the advisory committee it is recommended that membership be fixed at 15 members of the authority to be appointed by full council according the rules of proportionality. Allocation of seats to the political groups should be as set out in the table below:-

Labour	Conservative	Liberal Democrat	Morley Borough Independent	Green	Garforth and Swillington Independent
8	3	1	1	1	1

- 4.42 It is further recommended that arrangements provide for each group whip to nominate a pool of substitute members, of equivalent number to that political group's membership of the advisory committee, who may attend in place of a member of their own political group.
- 4.43 **In relation to the advisory committee on climate change Council is requested to establish and appoint the Advisory Committee on Climate Change with:**
- **Membership as set out at paragraph 3.40 of this report;**
 - **Substitution arrangements as detailed at paragraph 3.41 of this report; and**
 - **Terms of Reference as set out (Appendix L)**

5. Corporate considerations

5.1 Consultation and engagement

- 5.2 Proposals have been shared and comments received as set out in part 3 of this report.

5.3 Equality and diversity / cohesion and integration

- 5.3.1 There are no equality and diversity or cohesion and integration issues arising from this report.

5.4 Council policies and best council plan

- 5.4.1 Continuous monitoring and updating of the Constitution is in line with the Council's value of being open, honest and trusted.

Climate Emergency

- 5.4.2 The establishment of the Advisory Committee on Climate Change will enable cross cutting, cross party oversight of all matters contributing to achieving the climate emergency aims.
- 5.4.3 Receipt of an annual report will enable council to monitor and influence the response to the climate emergency.

5.5 Resources and value for money

- 5.5.1 There are no specific issues arising from this report.

5.6 Legal implications, access to information, and call-in

A – Threshold Review

- 5.7 The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012/2089 require each local authority to determine the thresholds above which a decision will be a key decision and therefore subject to the controls set out in those regulations. Thresholds must identify decisions which are likely
- To result in the authority incurring expenditure or making savings which are significant having regard to the authority's budget for the service or function to which the decision relates; or
 - To be significant in terms of their effects on communities living or working in an area comprising two or more wards
- 5.8 The Public Contracts Regulations 2015 impose a number of thresholds requiring certain procedures when undertaking significant public procurements for goods or services; for social and other specified services; or for works.

B - Corporate Governance and Audit Committee – Independent Member

- 5.9 There is no statutory requirement that the Council's audit committee should include an Independent Member. In addition it should be noted that, as a committee whose functions include the regulation and control of the Council's finance, S102(3) Local Government Act 1972 precludes the appointment of persons who are not Members of the authority.
- 5.10 However, CIPFA recommend that this obstacle to the appointment of independent members is resolved by the differentiation of the committee's role as advisory committee in relation to the development of policy from their decision making role under delegation from Council. CIPFA point to S13 Local Government and Housing Act 1989 in support of this argument suggesting that Independent Members should be able to vote in relation to matters where the committee acts as an advisory committee, but not in relation to matters where the Council has delegated decision making authority.

C - Annual Review of Constitution

- 5.11 In undertaking the annual review of the constitution the Monitoring Officer seeks to ensure that all proposals made reflect current legislation and case law.

D – Criteria for the Appointment of Honorary Aldermen/women

- 5.12 Section 249 Local Government Act 1972 permits the Council to confer the title of Honorary Alderman/woman upon former Members of the Council in, in the opinion of the Council have rendered “eminent service” to the Council as a past Member of the authority. The Act does not define “eminent Service” and this is therefore at the discretion of the Council to determine.

E Establishment of Advisory Committee on Climate Change

- 5.13 In accordance with S101(1)(a) a local authority may arrange for the discharge of any of their functions by a committee of the authority, and under S102 may appoint a committee for that purpose. S102 further provides:-
- S102(2) the number of Members and their term of office shall be fixed by the appointing authority;
- S102(3) the committee may include persons who are not members of the appointing authority; and
- S102(4) the committee may be appointed to advise the appointing authority or its executive on any matter relating to the discharge of their functions.
- 5.14 S15 Local Government and Housing Act 1989 applies to advisory committees. Schedule 1 paragraph 19(b) requires that political distribution of seats on the committee is proportionate. However the committee is not an ordinary committee for the purposes of S15(5)(c) of LGHA’89 as it is not appointed under S102(1)(a).

5.15 Risk management

- 5.16 There are no specific issues arising from this report.

6. Conclusions

- 6.1 The review of thresholds simplifies the Council’s arrangements and ensures consistency and transparency whilst underpinning the elected Members oversight of decision making and enabling public engagement.
- 6.2 Recommendations set out seek to ensure that the Council’s practice and procedure is in line with best practice recommendations of relevant bodies (CIPFA, National Audit Office, Committee on Standards in Public Life).
- 6.3 The Constitutional amendments proposed will ensure that the Constitution remains up to date and fit for purpose.

Over £5,000,000	Full Council	Full Council	Full Council	Director

¹ Although the substantive decision would be categorised as administrative it should be treated as a significant operational decision as it is not within an existing budget

² These will be significant operational decisions unless they have a significant impact in an area the size of one ward or more in which case they should be treated as key decisions

³ These will be key decisions unless subject to an exemption as defined by Article 13 in which case they should be treated as significant operational decisions.

Understanding the Virements Table

Executive Decision Making

- All decisions taken in relation to virements will be executive decisions and should be taken in accordance with the Executive and Decision Making Procedure Rules and Officer Delegation Scheme (Executive Functions) which requires that where the Leader or the relevant Portfolio Holder has directed or the Director considers that the matter should be referred to Executive Board for consideration.
- As by definition decisions which require virements do not fall within an existing budget they should be treated as significant operational decisions unless they are part of a wider decision which is categorised as key.
- Decisions makers should consider the categories of executive decisions set out in Article 13 of the Constitution.

Directors

- In this table delegations to “Directors” should be understood as to all those officers listed as Chief Officers at Article 12.1
- As with all executive delegations these delegations are made save where the Leader or the relevant Portfolio Holder has directed or the Director considers that the matter should be referred to Executive Board for consideration, it is therefore important that the relevant Executive member is briefed in relation to capital projects.
- These delegated decisions should be taken in accordance with the decision making procedures set out in the Executive and Decision Making Procedure Rules.
- All decisions should be taken in consultation with the Chief Finance Officer whose comments should be recorded on the relevant decision report.

Vision for Scrutiny at Leeds

“To promote democratic engagement through the provision of an influential scrutiny function which is held in high regard by its many stakeholders and which achieves measurable service improvements which add value for the people of Leeds through a member led process of examination and review”

To achieve this Scrutiny will follow the nationally agreed ‘Four Principles of Good Scrutiny’;

1. Provide ‘critical friend’ challenge to decision makers, through holding them to account for decisions made, engaging in policy review and policy development;
2. Promote Scrutiny as a means by which the voice and concerns of the public can be heard;
3. Ensure Scrutiny is carried out by ‘independent minded’ Board members;
4. Improve public services by ensuring reviews of policy and service performance are focused.

To succeed Council recognises that the following conditions need to be present;

- Parity of esteem between the Executive and Scrutiny
- Co-operation with statutory partners
- Member leadership and engagement
- Genuine non-partisan working
- Evidence based conclusions and recommendations
- Effective dedicated officer support
- Supportive Directors and senior officer culture

Council agrees that it is incumbent upon Scrutiny Boards to recognise that resources to support the Scrutiny function are, (like all other Council functions), under considerable pressure and that requests from Scrutiny Boards cannot always be met. Therefore Council agrees that constructive consultation should take place between the Executive and Scrutiny about the availability of resources prior to any work being undertaken.

Consequently, when establishing their work programmes Scrutiny Boards should

- ***Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources***
- ***Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue (e.g. Plans Panel, Housing Advisory Board, established member working groups, other Scrutiny Boards)***
- ***Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.***

Such instances are not covered within the scope of these Procedure Rules.

2.0 Determination of Outside Bodies to which an Appointment should be Made

- 2.1 The Head of Governance and Scrutiny Support will maintain a list of all Outside Bodies to which the Council appoints an Elected Member.
- 2.2 Each year the Member Management Committee will review the list of notified Outside Bodies and will determine whether the Council should make/continue to make an appointment to those bodies.

 - Provide advice on whether the Outside Body meets one or more of the criteria in Rule 2.3; and;
 - Identify the Lead Officer to work with the appointed Member should an appointment be made to the Strategic and Key Partnerships category.
- 2.5 Such requests will then be referred to the Member Management Committee for determination by reference to the same criteria.

¹ Which shall include an appointment of an individual, who is not an elected member, made upon the nomination of an elected member when such a nomination is a requirement of statute and/or the Trust Deed of a registered charity.

3.0 Determination of how an Appointment should be made

- **Strategic and Key Partnerships** – participation contributes to the Council's strategic functions, priorities and community leadership role.
- **Community and Local Engagement** – not necessary to fulfil strategic or key partnership role but, nonetheless, beneficial in terms of leading, engaging and supporting the community from an or ward perspective

3.2 Where an Outside Body has been categorised as **Strategic and Key Partnership**, appointment to it will be made by the Member Management Committee.

3.3 Where an Outside Body has been categorised as **Community and Local Engagement**, appointment to it will be made by the appropriate Community Committee.

3.4 Where a political group has been allocated a position to fill, then that position must be filled by Elected Members from the political group that has been allocated the place.

3.5 Should a political group wish to cede a place to another political group or where an appointment of an individual other than an elected Member is being considered, then such appointments must be made by either the Member Management Committee, or if delegated, by the Community Committee with that authority.

~~3.3~~3.6 Where it is not clear as to which particular Community Committee should make an appointment, the Member Management Committee will refer the request to the relevant Community Committee Chairs who will determine which is the appropriate Community Committee to make the appointment. This will be reported to the next meeting of the Community Committee.

4.0 The Appointment Procedure

Strategic and Key Partnerships

4.1 The Member Management Committee will first consider whether it is appropriate for an appointment to be of a specific office holder² either by reference to the constitution of the outside body concerned or in the light of any other circumstances as determined by the Member Management Committee. Such appointments will then be offered on this basis.

4.2 Nominations will then be sought for the remaining places. The Member Management Committee should have regard to a Member's current interests prior

² For example it may be considered necessary or otherwise appropriate to appoint a specific Executive Board Member

Appointments to Outside Bodies Procedure Rules

to making any appointment. The Member Management Committee will have regard to the principle of securing an overall allocation of places which reflects the proportion of Members from each Political Group on the Council as a whole.

4.3 All appointments are subject to annual change unless otherwise stated in the constitution of the external organisation. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Council Meeting.

~~4.4 Elected Members³ will fill all available appointments but it is recognised that Party Groups may not wish to take up vacancies which are made available to them. In such circumstances vacancies will be notified to the Member Management Committee and agreement sought as to whether the vacancy will be filled.~~

~~4.54.4~~ A vacancy occurring during the municipal year will normally be referred to the Member Management Committee for an appointment to be made, having regard to the principles as described above.

~~4.64.5~~ The City Solicitor will have delegated authority to make an appointment in the following circumstances:

- (i) where an appointment has been agreed by the Member Management Committee as a Whips nominee and the appropriate group Whip subsequently submits a nomination;
- (ii) where a group Whip wishes to replace a Member previously approved by the Member Management Committee with another Member of the same group; and/or
- (iii) where an organisation requires an appointment prior to the next meeting of the Member Management Committee, subject to this appointment being agreed by all Group Whips or their nominee.

That any instances of this delegation being used be reported to the next meeting of the Member Management Committee

Community and Local Partnerships

4.7 The Community Committee will first consider whether it is appropriate for an appointment to be of a specific office holder⁴ either by reference to the constitution of the outside body concerned or in the light of any other circumstances as determined by the Community Committee. Such appointments will then be offered on this basis.

~~³ Section 249 Local Government Act 1972 states that Aldermen and Honorary Freemen may attend and take part in civic ceremonies but do not have the right to attend Council/committee meetings or receive any allowances or payments under a Members Allowance Scheme. This establishes the principle that such persons should not be treated as Councillors, and therefore cannot be appointed to outside bodies in place of a Councillor if the request from an organisation is for a Councillor~~

⁴ For example it may be considered necessary or otherwise appropriate to appoint a specific Ward Member

Appointments to Outside Bodies Procedure Rules

- 4.8 Nominations will then be sought for the remaining places, having regard to trying to secure an overall allocation of places which reflects the proportion of Members from each Political Group on the area as a whole.
- 4.9 ~~Elected Members⁵ will fill all available appointments but it is recognised that Party Groups may not wish to take up vacancies which are made available to them. In such circumstances vacancies will be notified to the Community Committee and agreement sought as to whether the vacancy will be filled.~~
- 4.10-9 All appointments are subject to annual change unless otherwise stated in the constitution of the external organisation. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Council Meeting.
- 4.104 A vacancy occurring during the municipal year will normally be referred to the Community Committee for an appointment to be made, having regard to the principles as described above.
- 4.112 Community Committees may review the list of organisations to which they are asked to make appointments at any time and make recommendations to the Member Management Committee.
- 4.123 The City Solicitor will have delegated authority to make an appointment where an organisation requires an appointment prior to the next meeting of the relevant Community Committee, subject to all Members of that Community Committee being consulted on the proposals.
- 4.134 That any instances of this delegation being used be reported to the next meeting of the relevant Community Committee.

Support for Elected Member Appointees To External Organisations

Lead officer: A lead officer will be identified by the relevant Director for all relevant appointments in the Strategic and Key Partnerships category .

This officer will work closely with the appointed Member(s) to provide briefings and support. Further advice will also be offered by the Chief Finance Officer and/or the City Solicitor as appropriate.

Briefings: For organisations in the Community and Local engagement category, a lead officer will not be allocated unless the Director and/or relevant Executive Member for the service area deem that this will be beneficial. However, the representative may still seek support and briefings from Council officers.

⁵ ~~Section 249 Local Government Act 1972 states that Aldermen and Honorary Freemen may attend and take part in civic ceremonies but do not have the right to attend Council/committee meetings or receive any allowances or payments under a Members Allowance Scheme. This establishes the principle that such persons should not be treated as Councillors, and therefore cannot be appointed to outside bodies in place of a Councillor if the request from an organisation is for a Councillor~~

Appointments to Outside Bodies Procedure Rules

Induction: Partner/external organisations are expected to provide an induction into their affairs for newly appointed Council representatives. In the case of Strategic and Key Partnership Category appointments it is the lead officer's responsibility to ensure that an induction is arranged.

MEMBERS' CODE OF CONDUCT

This Code applies to elected Members and voting co-opted Members of Leeds City Council in all aspects of their public life. This means that the Council expects Members to follow this Code when they are conducting the work of the Council, representing the Council on any external organisation, and otherwise acting in their official capacity. The Code of Conduct does not apply to what Members do in their purely private and personal lives¹.

Part One - Standards of Conduct

You must have regard to, and act in accordance with, the following standards of conduct²:

1. Selflessness

You should serve only in the public interest, and should never improperly confer an advantage or disadvantage on any person, organisation or group, or any other third party.³

2. Honesty and Integrity

You should not place yourself in situations where your honesty and integrity may be questioned; you should not behave improperly and should avoid the appearance of such behaviour.⁴

3. Objectivity

You must make decisions based on the information before you, having had regard to any professional advice provided to you and in accordance with your view of the public interest.

You should make decisions on merit, this includes when making appointments, awarding contracts, or recommending individuals for awards or other recognition.

4. Accountability

You are accountable to the public for your decisions and actions and the manner in which you carry out your duties.

You should not undertake any action which would bring the Council, your position, or the position of Members generally, into disrepute.

¹ When engaging in political activities such as canvassing for re-election Members are not acting in their official capacity, and for the purposes of this Code of Conduct, such political activities are considered part of a Member's private and personal life.

² And in accordance with any supplementary guidance or protocols agreed by the authority from time to time.

³ This does not mean that Members are under any obligation to support or become involved in all requests for assistance from their constituents.

⁴ Where you are present at a formal meeting of the authority and identify any relevant and significant interest which is not a disclosable pecuniary interest and which relates to the business being conducted, you may declare the interest to the meeting, if you consider it is in the public interest to do so. You may also choose not to participate in the business as a result, although you are not obliged to do so.

You must co-operate fully and honestly with any scrutiny appropriate to your office and with any formal standards investigation.

~~You should not undertake any action which would bring the Council, your position, or the position of Members generally, into disrepute.~~

5. Openness

You must be as open as possible about your actions and those of the authority, and should be prepared to give reasons for those actions.

6. Leadership

You must promote and maintain high standards of conduct by supporting these principles by leadership and by example, and should act in a way that secures or preserves the confidence of others⁵.

You must have due regard to the impartiality and integrity of the authority's statutory officers and its other employees⁶.

You must not bully⁷ or harass⁸ any person (including a council employee or other public office holder).

Part Two – Registration and disclosure of interests

Registration of Interests

7. Within 28 days of becoming a Member⁹~~your election or co-option~~, you must notify the Monitoring Officer of any 'disclosable pecuniary interests' which you have at that time¹⁰.
8. Where you are re-elected or re-appointed, notification is only required of any new disclosable pecuniary interests within 28 days of your election or co-option.

⁵ Members should not instigate complaints under this Code which are politically motivated or malicious, or trivial in nature where further action would be disproportionate or not in the public interest.

⁶ ~~Members may express themselves robustly in representing their, or their constituents' views, although where a Member engages in a sustained or systematic challenge of an employee which is unfounded or in any other way unreasonable, such conduct would fall within the scope of this code. However an unintentional remark, made in isolation, is unlikely to amount to a failure to comply with the code of conduct.~~

⁷ Under this Code bullying is characterised as: offensive, intimidating, malicious or insulting behaviour; or an abuse or misuse of power in a way that intends to undermine, humiliate, criticise unfairly or injure someone.

⁸ Under the Code harassment is characterised as: unwanted conduct which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for an individual.

⁹ By election or co-option

¹⁰ The Monitoring Officer must enter these interests into the Register of Interests, which will be made available for public inspection and published on the Council's website.

Members' Code of Conduct

9. You must keep your Register of Interests entry up to date by notifying the Monitoring Officer of any changes to your disclosable pecuniary interests within 28 days of the change occurring, or of you becoming aware of the change.
10. A pecuniary interest is a 'disclosable pecuniary interest' in relation to you if it is of a type described in Appendix 1, and either:
 - (a) it is an interest of yourself, or
 - (b) it is an interest of -
 - (i) your spouse or civil partner,
 - (ii) a person with whom you are living as husband and wife, or
 - (iii) a person with whom you are living as if you are civil partners, and you are aware that that other person has the interest.
11. You are also required to notify the Monitoring Officer of any gifts or hospitality with an estimated value of at least £50¹¹ which you receive in your role as a Leeds City Councillor¹². You must inform the Monitoring Officer of any such gifts or hospitality within 28 days of receiving them so that the details can be entered into the Register of Interests.¹³

Sensitive interests

12. If the nature of an interest is such that you and the Monitoring Officer consider that disclosure of the details of the interest could lead to you, or a person connected with you, being subject to violence or intimidation, the interest must not be included in any published version of the Register of Interests, or be entered into any copy of the register that is made available for public inspection^{14 15}.

Disclosure of disclosable pecuniary interests at meetings

13. The following provisions apply if you are present at a meeting of the authority or of any committee¹⁶, sub-committee, joint committee or joint sub-committee of the authority, and you are aware that you have a disclosable pecuniary interest in a matter to be considered, or being considered, at the meeting.
14. If the interest is not entered in the authority's Register of Interests, you must disclose the interest to the meeting (unless the interest is a sensitive interest).

¹¹ This financial limit will be maintained in line with the definition of a donation to be declared by election candidates during local authority elections in England and Wales (as set out in Schedule 2A of the Representation of the People Act 1983).

¹² This does not apply to events or hospitality given by the Council and does not include civic gifts or hospitality received by the Lord Mayor of Leeds whilst acting in this capacity. Civic gifts are to be recorded in a separate register maintained by the Lord Mayor's office.

¹³ These details will be removed from the register by the Monitoring Officer two calendar years after they were received.

¹⁴ Instead the Register of Interests may state that the Member has an interest the detail of which are withheld under section 32(2) of the Localism Act 2011

¹⁵ If the Member is required to disclose such an interest in a meeting, the Member need not disclose the interest, but merely the fact that the Member has a disclosable pecuniary interest in the matter concerned.

¹⁶ This includes the Executive Board and any committee of the executive.

Members' Code of Conduct

15. If the interest is not entered in the authority's Register of Interests and is not the subject of a pending notification, you must notify the Monitoring Officer of the interest before the end of 28 days beginning with the date of the disclosure.
16. Where the interest does appear in the Register of Interests, you must bring the interest to the attention of the meeting (unless the interest is a sensitive interest).
17. You may not:
 - (a) participate, or participate further, in any discussion of the matter at the meeting,
 - (b) participate in any vote, or further vote, taken on the matter at the meeting, or
 - (c) remain in the room during the discussion or vote on the matter (subject to paragraph 18 below).
18. If you are not a member of the relevant committee, sub-committee, joint committee or joint sub-committee, and are present at the meeting in another capacity, you may remain in the room to observe the proceedings but must not participate in the discussion on the matter, even as a member of the public.
19. In certain circumstances you may be granted a dispensation to permit you to take part in the business of the authority, even if you have a disclosable pecuniary interest relating to that business. Such dispensations are granted by the Head of Paid Service following a written request to the Monitoring Officer.

Allegations of a Failure to Comply with Code of Conduct

20. All complaints alleging a failure to comply with this Code will be considered in accordance with a procedure agreed by full Council.

Procedure for considering complaints alleging a failure to comply with a Members' Code of Conduct

PROCEDURE FOR CONSIDERING COMPLAINTS ALLEGING A FAILURE TO COMPLY WITH A MEMBERS' CODE OF CONDUCT WITHIN THE AREA OF LEEDS METROPOLITAN DISTRICT COUNCIL

Introduction

1. This procedure should be used to deal with complaints submitted under the Members' Code of Conduct adopted by Leeds City Council and the Parish and Town Councils in the Leeds area.
2. The Members' Code of Conduct applies to elected Members and voting co-opted members when they are acting in that capacity. Complaints which relate to a failure to comply with the rules about 'Disclosable Pecuniary Interests' should be directed to the West Yorkshire Police for their consideration. Complaints about a potential breach of the general obligations should be submitted to the Monitoring Officer for consideration.
3. The Monitoring Officer may nominate another officer of suitable experience and seniority to carry out any of the functions listed in this procedure.

Stage 1 - Initial assessment by the Monitoring Officer

4. Complaints must be submitted in writing¹, must provide substantiated information, and should outline what form of resolution the complainant is seeking. Otherwise the Monitoring Officer should ask the complainant to resubmit their complaint. Ideally the complainant will use the correct complaints form to submit their complaint, but other written complaints will be accepted so long as they contain the relevant information.
5. The Monitoring Officer will consider the complaint in consultation with the Independent Person and make a decision as to whether it will be treated as a valid complaint or not.
6. The following types of complaint will not be considered as 'valid complaints' under this procedure:
 - a. Complaints which are submitted anonymously^{2 3};
 - b. Complaints which do not identify a subject Member;
 - c. Complaints which relate to a Member's personal or private life;

¹ Complaints about the conduct of a parish or town councillor towards a clerk should be made by the chair or the by the parish or town council as a whole, rather than by the clerk in all but exceptional circumstances.

² Complaints which contain a request for the complainant's identity to be withheld may be considered to be 'valid complaints', although the complainant's identity will only be withheld in exceptional circumstances. If the Monitoring Officer does not consider it appropriate to withhold the complainant's identity, the complainant will be given the opportunity to withdraw their complaint before it proceeds to the next stage.

³ Anonymous complaints which reveal potential fraud or corruption will be referred to Internal Audit for consideration under the Council's adopted Whistle blowing Policy

Procedure for considering complaints alleging a failure to comply with a Members' Code of Conduct

- d. Complaints concerning a failure to respond to a request from a constituent or other individual;
- e. Complaints which relate to the alleged actions of employees of the Council or non-voting co-optees;
- f. Complaints which relate to a decision of an employee or a Committee;
- g. Complaints which relate to a person who is no longer a Member of the Council or which refer to alleged incidents before the person became a Member of the Council;
- h. Complaints which refer to alleged incidents which happened so long ago⁴ that there would be little benefit in taking action now;
- i. Complaints containing trivial allegations⁵, or which appear to be simply malicious, politically motivated or tit-for-tat;
- j. Complaints regarding alleged behaviour which has already been the subject of an investigation or some form of action;
- k. Complaints which relate to an alleged failure to comply with the rules regarding 'Disclosable Pecuniary Interests'⁶;

l. Complaints which do not relate to the Members' Code of Conduct;

l.m. Complaints that it is not possible to investigate.

- 7. In all cases where the complaint names a Member of a relevant authority, the Member will be notified of the complaint⁷. If the Monitoring Officer decides that the complaint is 'invalid', this notification is made for information only.
- 8. If the complaint relates to an employee or is a service related issue, the Monitoring Officer will refer the complaint to the relevant service in order for them to respond to the complainant directly.
- 9. In any case where the Monitoring Officer decides that the complaint is 'invalid', they will write to the complainant explaining why their complaint cannot be dealt with under this procedure. There is no appeal process for decisions taken by the Monitoring Officer at this stage.

⁴ In general terms complaints should be submitted within 6 months of the alleged incident

⁵ Trivial allegations are those where further action would be disproportionate or not in the public interest

⁶ Such complaints will be redirected to the West Yorkshire Police, subject to the complainant's agreement.

⁷ Information shared will include details of the complainant and their complaint. The Subject Member will receive this information as a data controller in their own right and all usual data protection controls will apply.

Stage 2 - Informal resolution

If, following initial assessment, the Monitoring Officer decides that the complaint should be treated as a 'valid complaint' they will write to the complainant and explain that the matter is to be referred to the subject Member for them to seek to resolve the issue in accordance with this procedure. The complainant will also be provided with an outline of the procedure for dealing with complaints against Councillors.

10. At the same time the Monitoring Officer will refer the matter to the subject Member⁸ and the relevant Group Whip⁹ for their consideration. In this correspondence the Monitoring Officer will provide the subject Member with a reasonable timescale within which to attempt to resolve the complaint (usually this will be 28 days), and will provide the subject Member with the contact details for the Independent Person¹⁰.
11. Types of informal resolution might include:
 - a. An explanation by the subject Member of the circumstances surrounding the complaint;
 - b. An apology from the subject Member;
 - c. An agreement from the subject Member to attend relevant training or to take part in a mentoring process;
 - d. Offering to engage in a process of mediation or conciliation between the subject Member and the complainant; or
 - e. Any other action capable of resolving the complaint.
12. Before deciding upon a course of action the subject Member may seek guidance from a Group Whip, the Independent Person, and/or the Monitoring Officer. It may also be advisable to seek advice from the complainant to ascertain what form of informal resolution they would find acceptable, particularly if the form of resolution they have specified in their complaint is not possible.
13. The Independent Person is available to the subject Member to give them advice on the severity of the complaint and what form of resolution they would consider appropriate. Providing such guidance will not prevent the Independent Person from giving a view to the Standards and Conduct Committee about the complaint at a later stage.

⁸ Information shared will include details of the complainant and their complaint. The Subject Member will receive this information as a data controller in their own right and all usual data protection controls will apply.

⁹ If the subject Member is the Group Whip, the complaint will be copied to his or her Group Leader. In the case of a Parish or Town Council without structured political groups, the Monitoring Officer could consider involving the Chairperson of the Council.

¹⁰ See Annex 1 for a summary of the role of the Independent Person.

14. At the end of the 28 day period the Monitoring Officer will, in consultation with the Chair of the Standards and Conduct Committee and the Independent Person, seek to establish whether the subject Member (or Group Whip) has appropriately addressed matters which have been raised by the complainant.
15. Where the subject Member has appropriately addressed the matters raised there will be no further action taken in respect of the complaint and the Monitoring Officer will notify both the complainant and the subject Member of this decision.
16. Where it has not been possible to appropriately address matters, the complaint will be referred to the Standards and Conduct Committee for consideration. The Monitoring Officer will notify both the complainant and the subject Member of this decision, and will provide the subject Member with information regarding the Council's insurance arrangements (and how legal representation may be accessed).
17. There will be no appeal process for decisions taken by the Monitoring Officer and the Chair of the Standards and Conduct Committee at this stage.

Stage 3 – Standards and Conduct Committee

18. The Monitoring Officer will commission a report for consideration by the Standards and Conduct Committee. This report will include readily obtainable information (such as minutes of meetings or Clerk's notes), a summary of the complaint and the efforts made to resolve the matter informally.
19. The Monitoring Officer must arrange for a meeting of the Standards and Conduct Committee (or the relevant Sub-Committee¹¹)¹² to be convened to consider the commissioned report of the complaint. Wherever possible the meeting will take place within 28 days of the report being finalised.
20. If the complaint relates to a Parish or Town Councillor, one of the co-opted Parish Members will be invited to attend the Committee meeting. The Parish Member will not be entitled to vote at the meeting, but will be entitled to speak at the discretion of the Chair.

¹¹ Such Sub-Committee will be made up of three Members of the Standards and Conduct Committee, one of whom must be from the same political group as the subject Member (wherever possible), but not all of the Members will be from the same political group. The Chair will be elected from among the membership at the beginning of the meeting, but cannot be from the same political group as the subject Member.

¹² References to the Committee in rules 21 to 36 below shall be read as references to the Sub-Committee if such sub-committee has been appointed and is convened to hear the complaint.

21. The following people will also be invited to attend the Committee meeting:
 - a. The complainant;
 - b. The subject Member;
 - c. The Group Whip (if relevant); and
 - d. The Independent Person.
22. The Monitoring Officer will attend the meeting in order to advise the committee.
23. At the beginning of the meeting the Committee will be asked to consider whether the complaint should be considered in private in accordance with the provisions of Rule 10 of the Access to Information Procedure Rules relating to exempt information. If the meeting is to be held in private the press and public will be excluded¹³.
24. After initial consideration of the commissioned report, the Committee will take statements from the following parties (either in person or in written form if the person is unable to attend the meeting):
 - a. The complainant; and
 - b. The subject Member.
25. The Committee may also ask questions of anyone present at the meeting in order to reach a conclusion on the complaint.
26. Before reaching a final decision on the complaint, the Committee must seek, and take account of, the view of the Independent Person in relation to the complaint.
27. If the Committee is unable to reach a conclusion on the complaint on the basis of the information before it, it may adjourn the meeting and request that the Monitoring Officer seeks the further information required. However, when doing so the Committee should consider whether the information will be readily available to the Monitoring Officer.
28. Once the Committee is satisfied with the information before it, it must decide the following issues:
 - a. Whether the subject Member has failed to comply with the Members' Code of Conduct;
 - b. Whether further action is warranted; and
 - c. What form of action might be appropriate.

¹³ The Committee may invite people to remain in the meeting if it is considered that they could provide information relevant to the complaint.

Procedure for considering complaints alleging a failure to comply with a Members' Code of Conduct

29. If the Committee concludes that, on the balance of probabilities, the subject Member did not fail to comply with the Members' Code of Conduct, this will conclude the complaints process. In such cases no further action will be taken in respect of the complaint, although the Committee may still wish to consider making a recommendation to the authority with a view to promoting and maintaining high standards of conduct in general. Such recommendations may include proposed changes to internal procedures and practices or training for Members in general.
30. If the Committee concludes that, on the balance of probabilities, the subject Member has failed to comply with the Members' Code of Conduct, the Committee must go on to consider whether action should be recommended in respect of the subject Member, and what form of action might be appropriate.
31. The recommendations available to the Committee include¹⁴ but are not limited to:
- a. A formal letter to the subject Member from the Chair of the Standards and Conduct Committee;
 - b. Formal censure by a motion of full Council; or
 - c. Removal by the authority of the Member from a relevant Committee(s) subject to statutory and constitutional requirements.
32. The Committee may make a recommendation in relation to one or more of the above sanctions to full Council or, if appropriate, the Town or Parish Council, the Group Whip or the Chair of the Standards and Conduct Committee. The Chair will confirm any such recommendations in writing within five working days of the Committee meeting.
33. The Committee may also make general recommendations to the authority¹⁵ with a view to promoting and maintaining high standards of conduct within the authority. As stated above, such recommendations may include proposed changes to internal procedures and practices or training for Members in general. The Monitoring Officer will be responsible for communicating such recommendations to the relevant Committee or officer for consideration.
34. Within five working days of the meeting the Chair of the Committee will write to the complainant and the subject Member explaining the final decision of the Committee and detailing any recommendations made.
35. There will be no right of appeal against a decision of the Committee.

¹⁴ The committee may not decide to disqualify or suspend the subject Member as a Councillor.

¹⁵ Which shall be Leeds City Council and / or the Town or Parish Council concerned as appropriate
