Hello

I would like to give notice of an additional grounds for objection to this licensing application: PREM/04901/001:

This application almost completely bypasses most of the normal safeguards that are written into the Licensing Act. I am not suggesting that the present applicant plans to misbehave, but if a licence is granted then it might create a precedent that allows subsequent applicants to further undermine the Act.

In particular, the licensee and his assistant would be able to sell unlimited quantities of alcohol from their van to anybody at any address at any time between 9pm and 3am, without seeking a TEN or complying with the various restrictions, safeguards and objectives in the Licensing Act.

I am mindful of events in the Kirkstall Valley Nature Reserve a few years back, when a "flash gig" was organised via social media, with a powerful sound system and copious supplies of alcohol. This resulted in a wildfire that caused considerable damage to the reserve. I don't want to see this repeated.

Best wishes

Cllr John Illingworth
