To; Objectors of application PREM/05009/001

5-7 North Lane.

Cc Janice Archibald

Following on from receiving copies of your representations, I would ask that you reconsider objecting to this application which will be heard 2.12.2022 at The Leeds Licensing Panel.

All objections appear to be from local residents, and none from any relevant authority, and seem to mainly concern "The Otley Run".

Please read a copy of the application, our client is wishing to open a family style food outlet with alcohol, and Otley Runs and anything similar will not be welcomed as customers.

He has run another operation similar to this for a number of years, this also had many objectors when the application was made also by local residents, he now counts them amongst his regular customers, and he has never had any licensing issues, any disorder, and the business is a credit to the applicant.

Please visit his website Residence 74 Café and Bar to see the quality of the establishment he runs.

I hope this letter will allay your fears and hope you will reconsider this application for a first class outlet that will add to the amenities in your area.

Kind regards

Dear Miss Archibald, please find attached (a) my Notice of Intention to attend the hearing on 2 December 2022, and (b) a supporting document, Headingley Town Centre Shops. The purpose of the latter is to show how many similar establishments there are already in the Town Centre (highlighted), and the rate of turnover (asterisked) - with the consequence that the present application may not last, and so we would be left with a licensed premises which could well become a full-scale bar.

Best wishes, [REDACTED]
