# Agenda Item 7

Sir/Madam,

I would like to mention few points against the all objections Notice

Near by my shop there a few more off licence shops that are selling Alcohol in morning time then why can't I sell? One harehills post office with Off Licence Address 274 Roundhay Road LS8 4HS, just 4 minutes walk from my shop they open 9:00 am and other B&M Newsagents 101 harehills lane Ls84DN, just 5 minutes walk from my shop they open 8:00 am in the morning.few more shops there if they can sell Alcohol and have a Licence then why can't I have Alcohol Licence in the morning time?

- \* I have got Alcohol Licence 11:am to 23:00pm in this timeframe I am losing all morning trade all my customers asking me to open early morning then they can buy all daily morning stuff like bread ,milk eggs,tea coffee and sandwiches for school and work but I can't open because I don't have a Alcohol Licence. I don't want to take any risk because if someone asks me to sell Alcohol and I refuse, he might start kicking off and create the problem. In this situation I would have to involve police and I don't want my shop to have bad reputation .
- \* I am a new owner and I have been running this shop last three months and I haven't allowed anyone to drink outside my shop in the street and also nobody asked me to drink front side the shop. All Customers are really good and happy, they are coming to shop with kids or family and are giving me good feedback about the way I am running the shop. Because now living cost have really gone up. I can't survive in this opening timeframe.I need to open mornings so this is my humble request to reconsider my Application and give an Alcohol Licence from 8:00am to 23:00pm.

Many thanks

Your sincerely

Shailendra Bhogal
